

## VEGETABLES SHIPPED

Large scale marketing of home-grown vegetables got under way Friday with the loading of one car-load of turnips at the packing shed by the railroad siding.

These turnips, U.S. #1 were shipped to Poston, Arizona. All farm produce is sold to other projects at the prevailing marketing price less freight, and all profits realized are turned over to the community fund. Those consumed here are charged against the project.

Orders from other projects have been received and within a few weeks beets, peas, and spinach will be marketed. The second packing shed is expected to be completed soon.

## ISSEI MAY HOLD APPOINTIVE OFFICES

Although issei residents in Tule Lake may not hold any elective offices in the Community Council, now in the process of reorganization under a permanent system of self-government, they may be appointed to sit in any committee the Council creates, it was declared.

The Council has no taxing power, but it may license the community enterprises up to the total maximum of \$1000 a year, according to new WRA rulings.

The issei, however, may be elected on the board of directors or the advisory board of the cooperatives.

## CO-OP SETUP DISCUSSED

The temporary co-op advisory board met for the last time Friday night to discuss technical points of co-op organization.

Reports from block leaders indicated that the consensus was in favor of establishing co-op organization.

Based upon these reports, several recommendations which will later be presented to the people for approval, were drawn up.

Election will be held later to elect the permanent members to the advisory council.

It was announced that an important ward meeting will be held Wednesday.

## CASH GRANTS FOR NEEDY

Residents meeting financial difficulties to provide support for themselves and their dependents may now receive public assistance in the form of cash grants, according to new regulations.

Those eligible for grants are:

1) Single individuals and heads of families unable to work due to illness or incapacity; 2) children under 16 years of age without support; 3) heads of families whose total net income is inadequate to meet their needs. Those refusing to work will not be eligible for grants.

Amounts, subject to change depending on the necessity, are as follows:

Men:	\$4.75 month
Women:	4.25 month
Children:	
13-17:	2.50 month
under 13:	1.50 month

BORN: To John and Fumiko Kurazawa, 1201-B, a 5 lb. 12 oz. girl Aug. 29.

## QUEEN RALLY 7:30 TONIGHT

Appearance of all candidates contending for the honor of being the most popular girl in the Colony will spark off a gigantic rally on the outdoor stage 7:30 o'clock tonight.

Marching band will lead the rally as each group presents its candidate with a stunt.

Queen candidates are requested to report back-stage by 7:15 p.m.

## KRISTOVICH ISSUES MOTOR REGULATIONS

### SPEED LIMITS

1. 20 miles per hour on ward boundaries.

hicles shall proceed at a slow rate of speed.

2. Only hospital cars answering calls and coal trucks delivering coal may drive between the barracks.

### DRIVING ACROSS FIRE BREAKS

No vehicle other than emergency vehicles, i.e., fire trucks, ambulance, and warden car, shall drive across fire breaks and then only when necessity demands it.

PETER M. KRISTOVICH  
 ASS'T CHIEF OF INTERNAL SECURITY.

# SICKNESS PREVENTION WEEK: PUBLIC HEALTH MEET TO CLIMAX ACTIVITIES TONIGHT, 7:45, AT #1720

Intensely aware of the importance of communal health, THE DISPATCH last week wholeheartedly joined in observance of SICKNESS PREVENTION WEEK, Aug. 24 to 31.

The week's activities will be climaxed with a public mass meeting 7:45 o'clock tonight in dining hall #1720.

Dr. A.B. Carson, chief medical officer, will speak on some aspects of tuberculosis, while Dr. George Kambara of the hospital staff has chosen "Public Health and Sanitation" as his topic for the evening.

The Rev. John S. Fujimura, chairman of the public health committee, announced that as an added attraction, two educational sound motion pictures will be shown.

Fujimura's committee included G. T. Watanabe, editor of THE DISPATCH; Frank Miyamoto, in charge of research for Information division; Bernice Himoto, Harriet Nakagawa and Oteji Hagimori.

## MUST FILE FORMS FOR BEET FIELDS

All those interested in working in beet fields are asked to complete their employment forms in #301-D as soon as possible. Those who wait until the last second to complete their forms may not be able to be interviewed for the contracts.

For those unable to complete their employment forms during regular hours, the recruitment office will be open from 7 to 9 p.m. Tuesday.

## SPORTS

### SALEM AWARDED PROTEST GAME

After four days deliberation the Salem Senators were awarded the first Yogore-Salem play-off contest.

Second game is scheduled for tonight but if the Yogores stick to their word—that they would not play any further games unless they were awarded a forfeit victory in the first game—then there won't be any battle tonight and Salem would win the series on a forfeit. Contest is scheduled for field 3, 7 p.m.

Horseshoe dual meet will be held Monday evening at Fire Station No. 1 between the Deadeyes and Fire Station #1 at 7:30 p.m.

### TRUCKERS CAPTURE CLASS A CROWN

Tacoma Truckers won two decisions during last week to gain the Class A softball title.

Friday they defeated Lincoln 5-2 and also was awarded a forfeit victory over Butte because of ineligible players that Butte had used when they defeated the Truckers.

This gives the Truckers five straight wins in the short season and makes it their second title this summer. They also won a softball race while in Pinedale.

Tulcan Mosquitos are still undefeated in the Pee Wee League and beat Marysville 4-3 for their fourth win.

## BE CAREFUL WITH YOUR EYES

In conjunction with "Sickness Prevention Week"—Aug. 24th to Aug. 31st, being carried on in the project—the Optometric Clinic of the Base Hospital advises the following rules be observed:

1. Get sufficient sleep.
2. Avoid exposure to irritating atmosphere, dust, wind, smoke, etc.

3. If a foreign body should get into the eye, do not rub, but go to the hospital immediately.

4. Observe good hygienic rules.

5. Keep in high state of health.

6. Avoid eye strain by over use.

7. Have eyes examined if your eyes trouble you.

## PROPER DENTAL HYGIENE URGED

From the past observation of patients' habits, we must ask the community to come to the clinic for dental care, bear with us for the many inconveniences we have noticed a marked lack of care on the part of the patients. However, in the near future, many improvements are forthcoming such as the new clinic, more equipments and other materials which, we hope, will make available better dental services.

Decays of teeth, pyorrhea, and many other oral manifestations can be traced directly to improper hygiene and lack of care. Such dental conditions may result in many serious systemic disorders such as heart, kidney, eye disease, rheumatism, etc.

At present due to the lack of facilities,

THE DENTAL STAFF
