RELOCATION OFFICES, FIELD STATIONS ARE ORGANIZED

SUBSIDIARY BRANCHES WILL BE... ESTABLISHED FROM 5 MAIN CENTERS

A network of relocation offices and field stations through the Middle West and Rocky Mountain region, to aid workers now resident in relocation centers in obtaining outside employment, is rapidly getting organized after a series of conferences in Chicago and Washington, extending from Jan. 14 through Jan. 30. In attendance at the Chicago conferences, which were conducted under the leadership of Employment Chief Thomas Holland, were staff and field members of the WRA employment personnel, officials of the United States Employment Service, and representatives of various citizen committees and organizations cooperating with the WRA in its relocation program.

BRANCHES

Five principal relocation offices have been opened in Salt Lake City, Denver, Kansas City, Chicago, and Cleveland, respectively, and each one is to be responsible for the establishment and operation of from 8 to 12 subsidiary field stations. These offices will have the dual function of seeking employment offers and answering the inquiries of prospective employers, and of aiding the workers to adjust themselves to conditions in the communities where they are placed.

Employment Chief Holland has announced a determination, on the part of the Employment Division, to find acceptable work opportunities for as many relocation center residents as can qualify for them. "The action of the War Department in opening military service for draft-age nisei," he said, "has been our signal to make available to

every loyal person in the country an opportunity to serve the cause of American democracy, either in the Army or on the production front, and to prove his 'fit-to-enjoy all the rights and privileges that America has to offer. We are not planning...

Team competition in barbells will be held this coming Sunday, Feb. 21 from 3:30 p.m. at #1108 when a 5-men team from Klamath Falls invades the city to match weights against Tule Lake's quintet.

Sakae Oshita, Boys' Athletic Director of the Recreation Dept., revealed that the public is invited to witness the matches. The names of the Tule Lake weight-lifters have not been released.

A Volunteer Writes

There is a clean wholesome feeling about volunteering for the Army.

As Japanese Americans we have gone through a great deal. We have faced discrimination, been placed in Relocation Centers and have had many unkind and unwarranted things done and said against us. But in spite of it all, it gives one a great thrill to feel that your country desperately needs your help and you are coming through as an American.

Many nisei live in the past and in addition let some of the rabble rousing issei control their minds, consciences and action. They are befuddled, lost and wishy washy.

The writer felt that way at one time and then he decided to throw off this degrading yoke.

He felt this way. America was his Country. It had given him an education, employment and imbued him with a way of life. He remembered his school years..impressionistic years. Grade school..learning the ABC's of education..the little blond girl with her pig-tails...the hard eyed arithmetic teacher...the subjects he hated. High school...with its spirited football and basketball games...the cokes and hamburgers at Mother's Place, across the street from school...the senior prom...taking soc. and econ...getting an idea of what you'd like to be. College...with its frets and dorms...making the 8 o'clock psych. class...taking part in the football rally...chats with

the pros...hopes and ambitions. Employment..enabling us to put around the coast in a jolopy...giving us an opportunity to bowl...taking in shows sip a scotch and soda...buy Christmas presents...attending the New Year's ball. Where else could you find such a life?

Sure, we've been called Japs, sure we've lost dough and we've even been locked up. But to hell with all that. I'll take the bitter with the sweet. America is my country. I have faith in the American way of life. She is asking for our help.

That's why I volunteered.

Food Crisis In China Is Grave

WASHINGTON (Office of War Information release)—Inadequate food and clothing have created a desperate situation in Shanghai, according to a recent Chungking broadcast. Owing to the acute shortage of flour, bread has become almost a luxury. Long lines of British and Americans form in front of bakeries, waiting for their turn to buy bread. Many have sold their clothes in order to get money to meet the soaring cost of living.

The disastrous rise in living costs has been brought about by the Japanese policy of forcing the Chinese dollar out of circulation. A 100 percent rise in the cost of living has resulted from fixing the exchange rates between the Chinese national dollar and the pu-

I sincerely hope and believe that every man and woman in the relocation centers, who can be properly qualified for outside employment, will cooperate with us in our effort to make this program an outstanding success."

As a step to expedite the program in the relocation centers, every man and woman, 17 years of age or older, will fill out a special WRA questionnaire to be used in clearance procedures and classification for outside employment. This registration will begin about the middle of February, and will be conducted simultaneously with the completing of military questionnaires by draft-age nisei men. Men eligible for military service will not be asked to answer the WRA questionnaire, since the military service will be used in clearing them for outside employment. If they are not inducted into the Army.

Clearances are to be speeded, both at the centers and in Washington, to amplify as rapidly as possible the register of workers qualified for indefinite leaves.

CHAMPS COP 8 STRAIGHT TO PROVE PRE-SEASON DOPESTERS WERE RIGHT

Powerful Sacramento Mikados lived up to pre-season expectations and took the Class A championship of Tule Lake with a 29-22 win over the rangy Placer All-Stars last Sunday in a thrilling ball game.

Although the Placer quintet gave the champs a scare, Miks hung on to an early lead to mark up their eight straight triumph and an undefeated season.

Tsutsui, who proved to be deadly throughout the contest with his unstopable two-handed overhead shots, swished in the opening basket and before S. Goto countered for the All-Stars, the winners led 6-0.

It was a nip-and-tuck the rest of the first half with no more than two points separating the teams and at the half the Mikados held a 13-11 lead -- Tsutsui putting in 9 out of the 13 points.

The hot pace continued in the third quarter and Hada and Miyamura did a good job in keeping the losers in the game. But in the last few minutes the Mik reserves started to toll and the Placer boys were unable to keep it up.

FOUL SHOTS MISSED

According to statistics compiled by Kiyoshi Hoshide of the Roc Sports Dept., both teams hit the bucket 23% of the time from the floor--Miks made 12 out of 52 field goal attempts and Placer made 10 out of 43 tries.

But where the All-Stars fell down was in their foul shots, missing 12 out of 14, while the Sac'to team was sinking 5 out of 13 from the free throw line.

Tsutsui was high man for the game with 14 markers and was well ahead of the rest of the players.

EIGHT STRAIGHT WINS

ZEPHYRS DEFEAT MIK JRS. FOR 'B' PENNANT

Two undefeated squads mixed it up for the Class B title last Sunday afternoon with the classy Sac'to Zephyrs coming through unscathed over the Mik Jrs. by a 25-17 count to take the pennant.

Zephyrs, unbeaten in 8 starts, represented the American League, while the Mik Jrs. was winner of the National League.

With Kint Nishimura, Hitoshi Ota, and Angel Kageyama leading the attack, the Zephyrs led by a comfortable 16-8 margin at the half.

Lou Seto and Tsujisaka found the ringo in the second half for the Mik Jrs., but the steady playing of captain Ota kept the winners in the lead for the 8 point victory.

Nishimura, Ota, and Kageyama, with 6 counters each, led the champs, while Tsujisaka and Seto starred for the losers with 6 and 5 points, respectively.

Zephyrs connected for 9 out of 46 shots and the Mik Jrs. tried 34 shots at the basket with 6 being good.
