## RATIONING HITS COLONY MEATLESS DAYS ARE OBSERVED

With the entire country now purchasing food with ration stamps and observing meatless days, the local mess management is also hit by the food shortages.

Tuesdays and Fridays have been set aside as meatless days in the projects to meet this problem. Coffee, sugar and canned fruit are on the rationed list, although with strict usage, shortages are not noted.

Fish, eggs and cheese are plentiful, with vegetables to be expected to fill a large role in the menus.

Since the opening of the post office on Aug. 14 of last year, other war bond purchases amounted to \$3678.50, and approximately \$500 in stamps have been sold. Feb. sales broke the record, totaling \$2750, and sales are increasing steadily, Ebert said in the Sentinel.

## CO-OP BUYING CENTER PLANNED AT CONFAB PURCHASING BRANCH WOULD RESULT IN SAVING FOR COLONISTS

Possibilities of coordinating the buying power of several relocation centers by establishing a central buying office in Ogden or Salt Lake City was discussed at the Inter-Project Conference held in Salt Lake City last month.

The proposed office is to be a branch office of

the Associated Co-operative of Northern California at Oakland.

The Tule Lake Co-op is already a member of the Oakland organization which is affiliated with the National Cooperatives, Inc.

Such affiliation results in a huge organized purchasing power and is of economic advantage to the residents.

No definite decisions were made at the conference but the respective Project's Board of Directors (cont. on page 3)

## Soldier Sends Letter Here

From the 232nd Engineers Combat Company, Camp Shelby, Miss., came a scolding letter "To whom it may concern."

Writes the soldier, "When they asked us to volunteer for combat service so that we could do our part, we did it 100%. We thought that most of you would do the same.

"You may have been pushed around and sent into relocation camps. How about us in the army? We were put into service units and we had to take all they threw at us. We took it like any loyal soldier would. We bitched and crabbled but deep down in our hearts we still looked upon the U.S.A. as our country."

Asks the fighting man, "Don't you all think America is your country, right or wrong?"

"I believe that it is up to you to show other Americans you can also do your part."

## FOUR BROTHERS VOLUNTEER FOR ARMY FROM MINIDOKA

HUNT, Idaho--Minidoka's sons are rallying to the colors, according to the new linotyped Irrigator.

First it was the three Onodera brothers who answered the army's call by volunteering en masse. Now, it's the Sakura brothers--four of them--who volunteered last week.

The four--Kenny, Ted, Chet and Howard--are the sons of Mrs. Misa Sakura, of Eatonville and Seattle Wash. Chet, the spokesman for the group declared they volunteered because, "they have not lost faith in America and are ready to discharge a responsibility to the USA, to our kids and to all future Japanese Americans. According to Chet their action was not out of impulse but from a deep rooted conviction handed down by their father who has been deceased for 20 years.

"Long before dad died, Chet explained, "he told us that if Japan and America should ever engage in war, there would be only one thing for us to do--live and fight to up-

## GALEN FISHER ASKS ALL NISEI TO CO-OPERATE WITH ARMY

"Let me say right off, that all friends of the nisei, without exception, feel it would be a serious mistake for you not to register and to co-operate whole-heartedly with the War Department and the WRA in forming the combat unit, as well as in applying for release for free resettlement, unless family conditions prevent." These are the words of Galen Fisher, prominent humanitarian, who wrote an open letter to all nisei through the DISPATCH.

Fisher stated they recognized the hardships faced by the nisei and they have worked persistently to bring about a change in government policy and in the public mind. He said he marveled at their courage and their spirit. He added, "but all this makes me and your steadfast friends all the more anxious that you do not now let objections to the manner of the registration or pent-up resentment over past treatment make you flout the government offer.

## M. TANAKA WINS MAHJONG MEET

At a Block 26-sponsored mahjong tournament, M. Tanaka of Block 58 won first place out of a field of 20 contestants, according to Sachihiko Yamamoto, Adult Recreation leader.

The meet was held last Sunday, March 7 at #2616.

The results are as follows:

Tanaka 4130 pts; Yamasaki 4040 pts; Koniyama 2100; Itami 1570 pts; and Suekawa 950 pts.

"As to the combat unit, high officials labored for months to bring it about. Those who now refuse to cooperate with the War Department will be throwing-down not only liberal army officials, but also the president."

Fisher rationalized that refusal to cooperate will also poison the public mind against all evacuees, for the anti-Oriental reactionaries could say, "We told you so; they were disloyal all along, and now their true colors have come out." The west coast leader, who spoke here a few months ago, further declared that bucking the government would hamstring all organizations fighting for the nisei cause and would seriously imperil the government's war effort.

"I feel sure you won't let us down, but will continue to hold fast to the ideal America, even though the real America, under wartime pressure, has fallen far short of her ideals" Fisher declared.

We wish to express our sincerest appreciation and thanks to all our friends for the kindness extended us during our recent bereavement.

Saku Watanabe & family

hold the U.S.A."

All four were prominent in Northwest activities and were active members of the Seattle Japanese Baptist Church.

Concluded the Irrigator, "Patriotism in the Sakura family, by the way, is not a purely masculine virtue. A sister, Grayce, wants to join the WAAAC's."

Ed. note--The Sakura's have relatives and many friends in Tule Lake.

"Although the time has elapsed for filing such reports, it is extremely unlikely that any penalty will be imposed if the reports are filed within a reasonable time, Robinson stated in the memo.

For further advice and assistance, those guardians of minor land owners should consult the legal department in the administration building.

## TENNIS MATCH:

# VETS BEAT YOUNGSTERS

Ye olde veterans of the ex-Sac'to Tennis Club played a steady game of tennis to whip the Younger Men in 2 out of 3 matches at the factory site last Sunday.

It marked the opening of the racket season for the year, but since it was the first turnout for most of the competitors only single, set-double matches were played.

Results were as follows: Yoneo Suzuki-Key Okamoto (V) beat James Sakamoto-Shig Imura (YM) 6-3, Peter Osuga-Howard Hida (v) beat James Osuga-William Osuga (YM) 7-6, and M. Kuwada-Mas Matsushina (V) lost to George Kato-Los Matsumoto 6-8.

Because players wish to get into better condition, no matches will be slated for a few weeks.

## Spot LITE TOKO FUJII

One of the most enjoyable gatherings in a long while was the recent, oft postponed UC Club's Big O Rally. Chairmanned by Versatile George Nakamura, prexy of the organization connected with the great Berkeley institution, the two hour show went off smoothly and satisfactorily.

In the formative stages of the rally, the 1941 Big Game between the California Bears and the Stanford Indian was hailed as the main attraction. However, when the complete program was assembled such talents as Fumiko Yabe, Shig Okada's Shower Room Serenaders and the Student Hep-cat Band more than shared the spotlight with the technicolor picture of Cal's greatest victory in 1941.

The most surprising performance was the satin smooth, subtle encoeing of the talented Roc supervisor Harry Mayoda. From the opening minutes of the gathering Harry

## MIDGETS, BLOCK 29, DEVILS WIN CENTRAL LOOP, OPENING FRAYS

## Blk. Teams Mgr. Meeting Called

## BOXING CLASSES RESUME NIGHT SKED.

Night boxing classes which were discontinued recently will resume again in 608 as per schedule, Rec. Dept. stated today.

Further information at 1808 or 608.

kept the crowd interested in the program and engineered its continuity with the deftness of a professional MC.

Hats off to Shig Okada and his singing group for their well arranged, much practiced and nonchalant offerings of My Cal Sal and a medley of Jungle Town and China Town. Fumiko Yabe's offering of the over popular Roses of Picardy was well received. Mickey Tanaka's student band showed much promise.

The Tulean String Ensemble's rendition on the more classical side of music was a welcome interlude in the evening's hilarity.

Boar's 14-0 victory over the Trojans in the same year was also shown.

Having one of the tallest squads in the league, the "29'ers" from Ward 2 showed themselves as a strong favorite for the championship with an easy 45-21 triumph over the Junior Angels. The score at halftime favored the winners' 19-9. Scoring honors went to Jiro Higaki, Block 13 center, with 13.

In a slow tight contest the Block 16 Red Devils held on to the lead from the start to beat the Zero's 14-12. Devils led by an unusual 4-0 count at the half. Harasa of the winners and Kase, Zero forward, made 6 points apiece.

One game was unplayed.

That together with the win over Stanford probably were the only two wins for that year--do I hear any Californian cheering at me?

Jobc's "unprejudiced" and accurate play by play description of the games was a revelation. We didn't know he could rattle off the names of both Stanford and Cal men with such ease and apparent confidence.

(After all, we wouldn't know it if he included names not even on the rosters of the respective teams.)

More such gatherings, informal and enjoyable, wouldn't do any harm to the tottering morale of the younger colonists. More power to the pioneering UC Club.
