# KLAMATH FALLS ELKS PLAYS LOCAL ALL-STARS ON MAY 30

## HAND IN SCORE SHEETS

All softball managers both girls' and boys' are requested to hand in the scoresheets at once.

A history making event in Tule Lake sports will take place in May 30, as plans have definitely been arranged to have the powerful semi-pro Klamath Falls Elks to play a picked team of local ball players, it was announced by the Recreation Department.

This game was made possible through the efforts of Jiggs Yamada, well-known sports enthusiast, and Mr. Melhorn of the Internal Security, who lives in Klamath Falls and has connections with the Elks team. Harvey M. Coverley, Project Director, has given his okay to hold the contest.

If the game turns out to be a success, it is hoped that more outside teams of the same caliber can be lined up.

First practice session for the project team has been called for this coming Saturday afternoon, May 22, from 2 p.m. on the field opposite Block 9. Coaches Shig Tamai and Yamada have issued an open invitation for players from any camp team to try-out.

In all fairness to everyone, it was reported that the squad will be selected from the persons who turn out regularly. Just because a player was an all-star last year does not mean that he is on the squad, it was added. Those making the best showing in practice will get the starting posts in the line-up.

Turn-outs will be held every Tuesday and Thursday evenings at 7:00 and on Saturday afternoons at 2:00 p.m. when there is no game on Sunday.

Since the hope of having future games with outside teams rests on this first game, everyone's cooperation is requested in making it a success.
