

Issued for the information of the residents of Tulo Lake March 2, 1944

TIME OF DAILY SIREN BLASTS ANNOUNCED

The siren at the police station now gives seven second blasts daily at 7 a.m., 12 noon Monday through Friday and at 12:15 on Saturday, and at 6 p.m. daily except Sunday. No signals are given on Sunday. Because of the short blasts they are not to be confused with the fire siren.

POPULATION SWELLS TO 16,797 WITH ARRIVAL OF MANZANITES

After the arrival of the people from Manzanar the total population of the center reached 16,797. There are 1976 people who came here from Manzanar.

While the eventual total population of the Tulo Lake center cannot be determined until the process of leave clearance has been completed at the Relocation centers, it appears now that the figure will be smaller than had generally been expected. The present population is less than many people both here and outside the center had believed.

The number employed has been growing steadily. The total employment on December 10, was 3051; January 31, 3854; February 22, 4305. These figures do not include the workers employed by the Co-operative Enterprises, which has also been growing.

CAMERAMAN HERE FROM LIFE MAG.

Carl Mydans, photographer for Life magazine, was here to photograph Tulo Lake Center and its every day life, last week.

His pictures are expected to appear in a future issue of Life magazine.

Mydans has been with the magazine for past seven years. Interned for 22 months in the Forgot, he returned to the United States on the exchange ship, Gripsholm, on December 8, 1943.

New Colonists Occupy 5 1/2 Blocks In New Area

Four trainloads of people arrived from Manzanar during the week and have been housed mostly in five and a half blocks of the new area. The advance arrangements for processing and for handling of baggage, and work assignment, which was done at Manzanar before they left, proved of value in speed-

ing the work of settling the new people here.

The guides who worked in the new area aided greatly in getting emergency mess hall crews to furnish the first meals and then the crews organized at Manzanar to take over the task.

During the time the new people were getting settled none of the Tulo Lake residents, except the guides, were permitted to go into the new area to visit their friends. This restriction has been lifted, since Monday morning.

WARRANTS GIVEN TO FIVE NISEI GRANADA BOYS

Warrants have been issued for the arrest of five Nisei boys at Granada, who refused to report for pre-induction physical examinations, when called by their local draft boards. The warrants were issued by the United States Attorney at Denver, and WRA is co-operating with the authorities.

1st MOVIE SHOWING IS "IT HAPPENED IN FLAT BUSH"

Movie showings began last night in ward 4 and it will be on a 24 night tour throughout the center. "It Happened in Flatbush" starring Lloyd Nolan and Carole Lombard is featured as the main picture and "Arctic Giant", "Johnny Scots Lewis and his Orchestra" and "Basketball" by Dr. Carlson as the shorts.

For the benefit of new arrivals the method of operation is herewith explained. According to Bob Sawada, head of Motion Picture department of the Community Activities section, the method of operating the movies in this center is slightly different than it is in other centers. It is managed by the Recreation Department and not by the Co-op as it is in other centers.

The department is planning to show three different latest movies each week. However, that will depend upon the arrival of the films.

For each night's showing residents of three adjoining blocks will see the movie in one of the mess halls. Announcements of the date of the movies will be made with posters in the respective block manager's office.

Tickets are sold for five cents at block manager's office a day or so before the block showing. Admission will be used for rental of films and maintenance of the equipment and will be no profit to the department.

Showgoers are asked to cooperate by attending only in their respective blocks.

UNION CHURCH INVITES ALL TO THEIR SERVICES

The Rev. Shozo Hashimoto, Pastor of Tule Lake Church with the help of Rev. and Mrs. McLaughlin of Tule Lake is carrying on the bulk of the Christian movement within the Center.

As the saying goes, deep down within every human heart is a longing for freedom. Each man wishes to live his own life, to think and to speak his own thoughts, to read what he please and to worship God according to the dictates of his own conscience. Like all human qualities, the germ of it all is deeply implanted in every human soul.

So be it that our invitation to you is made. We wish to welcome you, not just to our circle of activities, but to be one of us.

To coordinate the activities of the Christians within the community, the Tule Lake Union Church maintains an office at 30 Ol-D and invites everyone interested in the activities of the movement to contact the office secretary between the hours of 9 a.m. to 5 p.m.

The above is in reply to a letter sent by Miss May Nakagawa, executive secretary of the local Red Cross unit, in which she asked that this matter pertaining to the discharge from the U. S. Army of Japanese-American citizens who were drafted be investigated.

Therefore, colonists are asked to refrain from going to the Red Cross unit at 3001-A to see if their sons who were drafted can be discharged.

RECEPTION

Community Activities section wishes to express to the early segregoes that they have not forgotten nor neglected them for not sponsoring a welcome reception. The reception was planned about five months ago, but due to unavoidable circumstances Community Activities section was forced to postpone three times.

However, the date for the center-wide reception program is tentatively set for March 18, 19 and 20.

FIRE PERMIT

"It is necessary whenever there is a gathering of any sort of 50 or more persons that the Community Activities section notify the Fire Protection officer of the date, time, and purpose of the assembly, location, and name of the person responsible for the gathering, and obtain a permit from the officer," states Kametichiro Uo, asst. supervisor of Community Activities section.

Community Activities will be in charge of issuing the permits and the block managers or any group sponsoring the assembly of 50 or more persons must notify Community Activities section few days before the meeting.

P. A. SYSTEM

The P. A. Department would appreciate if owners of private public address systems would register their equipment at Recreation Center, 901.

Since the P. A. system of Community Activities is limited, the department will refer the sponsor to the registered owner for the service in case of need.

EXHIBIT

The Floral Arts and Crafts exhibit scheduled for this week and has been postponed, according to the Community Activities Section.

"Everything is just running along fine in the elementary school," reports Miss Mary C. Durkin, principal of the colony elementary school.

Sixteen instructors, 17 Caucasians and one avocade, are teaching the three R's to 907 school children on a double schedule. The school is now operating on a part-time basis. The school children living near attend in the morning while children living in distant

blocks go in the afternoon.

Progress report cards will be sent to the parents on March 31. Elementary school children will be given a spring vacation during the week of April 3 to 7; the school will reopen on April 10 at the usual time, according to Miss Durkin.

MUSTANGS TRIMMED BY OKOLE HOUSE, 26-17

In the lone Class A cage tilt of the week-end, the powerful Okole House quintet continued their winning ways as they trimmed a hard-fighting Mustang five, 26 to 17.

Held to a 13 to 13 tie at the intermission, Okole House outscored the Mustangs, 13 to 4, in the second half.

Cold weather held down the point makers, but winners' Kint Mishimura managed to tank 10 digits to lead the other scorers.

Other class A games

were postponed because of bad playing conditions.

One team is sure to be tumbled from the unbeaten ranks this Sunday when the schedule finds the Okole House pitted against the Zephyrs at court 27. In the other 'A' games the Huskies meet the Mustangs at court 29, while the untried Zeros tackle the Clippers at court 25.

6 CLASS B CAGE TEAMS STILL REMAIN IN UNDEFEATED RANKS

Six class B hoop teams escaped unscathed in the second week of play which was hampered by bad playing conditions.

In the National League, the Pacers continued their sizzling pace as they added two more triumphs at the expense of the Zebres and the Skippers. By virtue of a 35 to 13 win over the Skippers, Loafers Inn strove on the heels of the Pacers. A postponement and a bye kept the Block 54 quintet unoccupied over the week-end. One National League

インターニーの 家族同居に就いて

國務省発表

米國國務省は去る二月七日附の覚書を以て、日本人インターン家族同居に關する米國政府の方針を明かにし、スペイン大使館を通じて、日本政府及一般在米日本人に之が傳達を依頼した。左は其要旨の抄譯である。

(一)本年一月廿八日の調査に依れば同居を請願したる者八百四十一家族にして、其の内昨年十月一日迄に同居の目的

を達し得ざりし者は三百六家族であつた。(二)米國政府の方針は今後も能く限り多數のインターニーを其の家族と同居せしめんとするもの、目下のルーレキヤセンターに家族を有する者はソールニーキに赴きて家族と同居するに勸告した次第である。併し中には司法省管下の家族キヤンブクリスタルシティーに行きたいとの理由で此の告を辞退した人々もある。

(三)米國國務省は過渡サキヤンブに臨時期間を以て家族との同居を許可すべきや、又はキヤンブより監視附に家族として隨處隨所家族の同居を許可すべきやの點に就き個別的に審議を完了したので、近く再吟味の上、其の結果を發表する役取となつてゐる。

鶴嶺湖に於て他の轉任所に於て轉任せしめらるる事が出来ず、さればとて釋放も監視附解放も許可し難き事情あるインターニーに對しては速に司法省管下の家族キヤンブに送つて家族と同居せしめたい方針で実施を急いでゐる。而し何方にも建築材料を入手する事が困難な爲に急務の如く急遽に運ばない様みがある。

(四)日本政府が交換船運の交渉に即應すれば、家族同居問題の困難がたいに緩和され、かゝると懸望し、スペイン大使館を通じて日本政府に此の懸望傳達を依頼して居る。

轉任局内務省への移管は 行政事務の單一化に依る

ルースウェルト大統領は二月十七日戰時轉任局を内務省管内へ編入したので、白亜館より左

の如き聲明書が發表された。

ルースウェルト大統領は當日訓令を發して、WRAを内務省管下に編入した。WRAは一九四二年の初期、太平洋沿岸地方より撤退した日本人の扶養及び再転任を圖る職責を有するものであるが、ルースウェルト大統領が屢々発表した如く若し、その実施が可能を場合独立した機關の数を減少し行政事務の單一化を圖る爲に今回テイコンマイヤー氏を局長とする機關を内務省に移管を断行したのである。

右發表に當つて大統領は、WRAは正当な原則に基いて計劃を樹立し、その成し遂げた事業は満足に足るものであると言明した。

WRAは忠誠と徹された市民及び米國に忠順なる日本人の爲に一收容所を管理してゐる。現在十收容所には九万二千人の日本人が居り、約二十万人はWRAの計畫に依つて外部に再転任してゐる。

轉任局移管後の
マイヤー氏の職掌

WRAが内務省の管下に置かれた事は既報の通りであるが、是に關してマイヤー局長は左の如き電報を寄せてゐる。

内務長官イキス氏は大統領の行政訓令に基いてマイヤー局長に親の職掌を司る権限を附與するに至つたと、但し現在まで施行された政策、規則、手續等は何等の變化もななくして継続されるのである。右に關する行政布告は追つて正當な手續を経て發表される筈である。
