

RELOCATION RULES SET

Vol. III No. 13 TULE LAKE COLONY July 31, 1942

Newell, California

JOBS OPEN FOR THOSE QUALIFIED

Some 5,700 colonists are now gainfully employed in Tule Lake, according to figures released by the Placement bureau.

Officials at the Placement bureau declared that positions in greatest demand were in the maintenance and office divisions. This department employs the most workers to date. At the present time there are only openings in the Construction and Farm Labor classifications.

"Positions are always open for qualified persons", stated receptionist Tokio Mafune. Workers are employed on the basis of experience and education in their particular line. Although there may be too many on the waiting list now, those people who fulfill the two qualifications best will eventually be selected.

Reports about college graduates with Ph. D. degrees working in kitchens were branded as false by the smiling receptionists.

CANTEEN HOURS

From Saturday all canteens in this center will open from 8:00 a.m. to 5:00 p.m. The usual closure from 12 noon to 1:00 p.m. will also be observed.

Kendall Smith, supervisor of Community Enterprises, stated these hours were necessary so that clerks would not exceed 190 hours work.

PROCEDURE REVEALED

ONLY CITIZENS MAY LEAVE WRA CENTERS

Procedures through which individual American citizens of Japanese ancestry and their families may obtain permits to leave Relocation Centers to accept jobs have been announced by Dillon S. Myer, national director of the War Relocation Authority. The procedures were announced through an official instruction sent to the WRA officials.

Permission to leave the Relocation Centers will be granted only to American-born persons who never have lived in Japan or attended school there. A resident of a Relocation Center who has a definite offer of a job outside the Center, and outside the Western Defense Command, which includes Washington, Oregon, California, Arizona, Nevada, Utah, Idaho and Montana, may apply to the director of the Center for a permit.

If there are dependent members of the family, the applicant will state what plans have been made for taking care of those who will accompany him and for those who will remain in the Relocation Center.

Permission to leave the Relocation Center will be granted by the national director of WRA, after obtaining full information as to the loyalty of the person applying and the nature of employment offered. The national director will make necessary arrangements with the prospective employer to issue satisfactory working con-

ditions, and also will communicate with local officials in the community where the applicant will live.

The permit to leave the Relocation Center will be issued by the director of the Center. Under the terms as outlined, the War Relocation Authority will provide transportation to the nearest railroad or bus station, and the traveler will arrange for and pay for all other transportation required.

STUDENT RELOCATION WORKERS HERE

Data for final stages of placement of students who have received acceptances in colleges outside the Western Defense Command were being compiled today.

Jo Anne Russell, secretary of the Portland Student Relocation Council branch, arrived Thursday to gather information from students already accepted by individual schools. (Page 2, Col. 1, Please)

CLAIM PORTLAND CHECKS

Checks for the following persons who worked at Portland Assembly Center during the period April 14 to May 13, 1942, are still at the Administration Building:

Name	ID. NO.
Akagi, Jitsuta	42-A
Fukai, Mason	291-C
Kuroda, T. (Mrs.)	289-B
Mizote, John W.	481-A
Mizote, Yukiko	481-D
Morikawa, George	548-A
Naito, Riyemon	441-A
Okita, Ted	675-A
Oya, Merry	667-B
Takao, Aster	716-C
Tsunoda, Nellie	356-B
Usui, Yoneko	619-D
Nagata, Marion	329-E

Unless they are claimed by August 3, they will be returned to North Portland pursuant to Government regulations.

MORE ON RELOCATION

continued from page 1
cols. This data will be referred by Miss Russell to the National Student Relocation Council at Berkeley for consideration. Institutions require approval of the Army Command in San Francisco before the enrollment can take place.

Up to July 26, 126 persons of the colony have through Tom Okabe of the Student Relocation Committee of Tule Lake applied for immediate release to further their education. Some have applied individually.

Okabe warned that unless student questionnaires are turned in shortly, possibility of enrolling at a college will be lessened.

Only two persons are known to have obtained permits on the Pacific Coast. Harvey Itano, ex-Tulean is now enrolled at St. Louis Medical School, and Julia Goto of Poston, Arizona has received a permit to enroll at the Greeley Teachers' College in Colorado.

"Two students out of

Checks for those who were employed at the Portland Assembly Center during the period May 14 to June 13, 1942, are here and ready for distribution. Those entitled to checks are requested to bring some means of identification to the Administration Building where they are now available.

PINEDALE CHECKS

June pay checks are available to the following people from Pinedale Assembly Center upon presentation of proper identification at the Administration building:

YONETARO TAMEBAYASHI, NORIMATSU KAMEMATSU, BETTY NAKATA, EDWARD YAMAGUCHI, AND LEO SHUUGHI.

As block managers were unable to locate these people the checks were returned to the administration building who in turn will return them to the Treasury Department in San Francisco if the checks are not called for immediately.

JUDICIAL BODY TO MEET

Temporary Judicial committee will meet #1420 dining hall at 7 p.m. tonight. Several guests have been invited.

BLOCK V HEADS NAMED

The complete list of Ward 5 block managers and representatives to the Community Council was released today by Don Elbersen, supervisor of Community service. Councilman from Block 45 is yet to be filled. The list for Ward 6 are all elected.

Block 40: Manager, Harry I. Nakaya; Council, Masayuki Yogo, 4019-B.

Block 41: Manager, Clifford M. Yamada; Council,

so many on the Pacific Coast who have obtained their release is not much, but it is better than we recently expected. And indications are for the better," stated Miss Russell.

Miss Russell may be reached at #1908 today until 6 p.m. until noon tomorrow.

DR. ICHIHASHI FINDS HOME HERE

Dr. Yamato Ichihashi, 63, former professor of Oriental history and language at Stanford University, arrived in Tule Lake July 25 from the Santa Anita Assembly center to join his wife and son, Woody Ichihashi.

On settling down at his temporary home for the duration at 7307 -D, the professor, who is in good health, said dryly: "This is heaven."

ANOTHER ARRIVAL

Isamu Yamamoto arrived from the Tulare Assembly Center Thursday.

With Yamamoto's arrival, the population of the city is 15,120.

HOSPITAL LAUNDRY WANTS IRONERS

Eight experienced ironers, men or women, wanted at Base Hospital laundry. Call at Placement Office #1208 immediately.

INNOCULATIONS

All those who still have typhoid shots and small pox vaccinations to be taken, please report to 4008 Friday from 7-9. Bring immunization record cards if you have them.

tom Matsumoto, 4101-D.

Block 42: Manager, Harry Fukushima; Council, Frank Tsukamoto, 4211-C.

Block 43: Manager Hozumi Takaki; Council, Frank M. Sasaki, 4316-F.

Block 44: Manager, Thos. K. Hasegawa; Council, Frank Yamamoto, 4414-A.

Block 45: Manager, Shigeru Yamano; Council, to be elected.

Block 46: Manager, Takeo Okimura; Council, Masao Kawada, 4614-A-B.

Block 47: Manager, James T. Nakagawa; Council, Yoshihimi Shibata, 4716-E.

Block 48: Manager, Noboru Honda; Council, Fred Fukui, 4802-E.

FOUR HEAD BUYERS SUPPLY COLONY NEEDS

Community Stores' wholesale purchases are now made by four head buyers, each experienced in their respective field. These men will spend their time in the warehouse where all supplies for the canteens are ordered.

George Tsunoda, formerly manager of Store #2, is a buyer of all groceries and hardware goods that are sold at the four community stores.

Buyer for dry goods is T. Ichikawa, whose duty is to look for best wholesale price on articles commonly purchased by the residents.

J. Hamai, Sacramento druggist, handles all drug store purchases looking toward essential needs of the people.

Arthur Koizumi, head buyer of fruits and vegetables, will keep the stands filled with fresh fruits and vegetable.

MAY FUNAI TEACHES BATON TWIRLING

With Miss May Funai, who holds the Washington state baton twirling championship, as instructor, a class in baton twirling is being held.

At present 30 girls are enrolled. Registration for the class is being taken at #1908.

BUDDHIST CHOIR

Sacramento Buddhist choir will hold a practice 7 o'clock tonight at #5108.

BIRTH

A 5 pound, 5 ounce boy was born to Mr. and Mrs. Frank Tsukamoto Wednesday at 1:22 p.m.

Tsukamoto, formerly a landscape gardener in Berkeley, California, is a supervisor at the census bureau. He is also the Block 42 representative to the Community Council. The baby boy is their third child.

This is the fourteenth birth to occur in the city.

BOY FAINTS "TOO MUCH SMOKE"

City library's first casualty occurred yesterday when an unidentified boy of 14 or 15 of age fainted near the magazine rack. Librarians Suye Hayashi and Margie Ito administered first aid. Upon gaining consciousness, he muttered, "Too much tobacco!"

EMERICO AREDAS, 53-year-old Filipino husband of a Japanese wife, 2804-C, left yesterday for the Kaiser Shipbuilding Co., at Portland, Ore., where he is to be employed as printer's help.

HOSPITAL WARNS EYE TROUBLES

The Tule Lake Base Hospital issued the following statement regarding the eye conditions of the people here as a preventive measure before serious complication arises.

"No serious eye trouble has developed within the city. However, since we are subject to an excessive amount of dust, eye irritation is bound to occur. Anyone who notices redness or soreness in their eyes, especially should it be accompanied by any discharge, should report to the out patient clinic of the hospital immediately."

PERRY SAITO TO LEAD SONGFEST

Perry Saito will be songleader for the fourth weekly community songfest to be held 7:30 o'clock tonight at the outdoor stage in the main fire-break with Sam Takagishi, last week's songleader, assisting him.

CARD OF THANKS

We wish to convey our sincerest thanks to those residents of Block 45 and close friends who were so kind in extending their sympathies during the recent bereavement on the loss of our beloved father.

Mrs. S. Uyeno and Hiroshi.

SEVEN NURSERIES OPEN

CHILDREN FED CRACKERS AND MILK TWICE A DAY

With seven nursery schools now operating in the different sections of the city, the health and well-being of approximately 1500 children will be adequately cared for.

Parents of children, 2 to 6 years of age, are asked to bring them to the nearest nursery school and register them immediately.

The seven schools are located at 3217, 2917, 4917, 7104, 1417, 4415, and 5816.

Already the schools are in operation throughout the city. Rosy-cheeked youngsters, with pencil and tablets gripped under their arms, may be seen rushing for the school house.

Daily attendance is taken by the teacher. Those with a perfect attendance record are weekly rewarded with a red star pasted on their record sheet, thus stimulating attendance.

The children are

taught the alphabets and later learn how to write their names. Spelling is taught the older group, with tests of 25 words being given later.

Crackers and milk are fed the children twice a day--once at 10 a.m. and again at 3 p.m.

Stressed in the nursery school is the training in social behavior and the ability to get along with one another and development of creative ability.

Page 4 Fri. July 31

TACOMA BUSSEI FACE CALIFORNIA ALL-STARS

In Sunday's Bussei Day specialty the strong Tacoma Bussei softball team will oppose the California All Stars on field 5. In picking the All Stars manager Sakai Oshita has chosen players from Loomis, San Pedro, Isloton, Sacramento and Marysville. The Californians will have a powerhouse in slugging Tom Taketa and a backstop deluxe in Haruo Yamamoto, both of Marysville. Beans Yamamoto, erstwhile Royal Flush righthander, will take over the mound duties for the Californians while Salem Yagawa will face the Californians. The probable starting lineups:

STARTING LINE UPS

Starting lineups for tonight's big game between the Royal Flushes and Riverside has been announced as:

Riverside:

S. Tanaka 3b
M. Honda cf
F. Yamada lf
D. Kawaya ss
B. Ishimoto 2b
H. Kurosaki rf
K. Muramoto 1b
S. Ishida c
Sam Ishida p

Royal Flush:

S. K. wano cf
M. Domen ss
H. Yamamoto p
J. Hayachida lf
S. Takagishi c
F. Kageta rf
C. Hayachida 1b
Hada 2b
M. Yamasaki

BOXING, TUMBLING ON PEP RALLY

Various athletic activities such as boxing, tumbling and weight lifting as well as voice classes and drill teams will be featured at the Pep Rally set for Friday evening August 7. Boxing classes are now under the direction of Punny Naka, former outstanding professional pugilist. They will put on two exhibition bouts.

JUDO CLASSES START MONDAY AT 608

Under the tutelage of Matsuo Sakagami, San-dan rated judoist, there will be judo classes at recreation hall 608. These classes will start on Monday August 3. Those interested are asked to sign up at their mess hall bulletin boards.

MANAGERS

Specially prepared score sheets put out by the Dispatch sport page are now ready. All managers desiring individual writeups for their teams are asked to come to the Dispatch office 1608 for their blanks.

FIRST WIN PLACER WINS 6-5

After being blanked by Riverside last week, the Placer team came back to nose out the fighting Cal All Stars 6-5. Lefty Kodama again struck out 8 batters in his six inning victory.

The All Stars muffed a chance to at least tie the count in the last inning when they scored three runs and failed to bring in the important tally which died on third. With but one away, hard hitting Larry Hoshiko was stranded on third as two All Star batters were called out on strikes.

Omoto, Kodama and Ura-tsu each had 2 hits for Placer.

HAVE INFORMATION READY FIRE DEPT.

The Housing department desires the following information in connection with Friday night's census:

- 1) Names, both American and Japanese.
- 2) Family number.
- 3) Date of arrival to Tule Lake.

It is imperative that

every member in each apartment be at his place of residence when the census is taken between 12 midnight and 1:30 a.m.

"If the information is ready for the interviewers," states Samuel Friedman, housing superintendent, "the interview should not last more than two or three minutes."

VOL. III No. 13 TULE LAKE COLONY July 31, 1942

DINING HALLS:

TULEANS PREFER AMERICAN FOOD

Proving that majority Tule Lake residents are thoroughly Americanized, the preference for American food prevails throughout the city.

Luther Stults, chief steward of the dining halls here, finds that over 65 per cent of the people prefer American food to Japanese food. Stults makes up the menus, three of them a day which are uniform through out the center.

To feed the Tulean population of 15,018, \$6000 worth of food stuff is required daily. Sixteen warehouses and four refrigerated warehouses, each of them 20 by 100 feet, are required to store the food which is delivered weekly and furnished by the army quartermaster. Some of the food stuff is bought through local dealers in Klamath Falls. Perishables are delivered once a week; staples monthly and milk is delivered daily. A 10-day staple food supply is always on

hand.

Of the 63 dining halls in the colony, 56 are now in operation. Two thousand one hundred workers constitute the dining hall personnel. Employed are 800 waitresses and 300 cooks. Each block dining hall takes care of approximately 255 people.

Stults stated that he hoped to have the balance of the kitchens open within a week.

WRA PICTURES ON DISPLAY

Pictures of Tule Lake and other relocation centers will be on display at the DISPATCH office, #1608, for an indefinite period beginning tomorrow.

Francis Stewart, official project photographer took the pictures which represent varied aspects at the relocation centers.

The display will be open to the public.

DISTRIBUTES EQUIPMENT

The Fire department is distributing equipments to be placed in each washroom in the city for use of residents in case of fire. These equipments consists of water buckets, axes, shovels, and alarm whistles.

The alarm whistle is to be used only in case of actual fire or serious accident when immediate assistance is needed.

"Do not abuse the equipment that are placed for your safety," Fire Chief Rhodes declared.

TEMPO SHELVED INDEFINITELY

Due to unforeseen circumstances, "The Tempo" monthly magazine will be shelved indefinitely.

Full 15 cents will be duly refunded to all subscribers as soon as the books are straightened.

ROTARIANS FETED BY SHIRRELL

Members of the Rotary club of Tule Lake town and Klamath Falls were entertained at a luncheon given by Project Director Elmer L. Shirrell Wednesday noon, at the Administration dining hall.

Harry Mayoda acted as chairman. Greeting was extended by Robert Ota.

With Sam Takagishi as song leader, the guests participated in group singing.

The Rotarians were entertained by several musical selections.

With Helen Mayoda as accompanist, Fumiko Yabe sang "Il Bacio" and a "New Moon" solo.

A piano solo was given by Haruko Sato. For her solo she played "Etude in B flat Major" by Chopin.

A violin solo "Meditation from Thais" was given by Kay Nakamura. She was accompanied by Helen Nitta.

NEW ARRIVALS

Mrs. Mary Shizu Kudo and her 13-year-old daughter, Jo Ann, arrived here Wednesday from Palerma, California. This brings the population to 15,018.

TO OUR DOCTORS

The hardest working group of enlistees in the Tule Lake Colony is doctors in the Base hospital who put in 70 to 80 hours a week. Our hats off to them.

Of all things that demoralize anybody in a group life in the Colony are the complaints that arise from physical suffering due to sickness.

For that the Base hospital here holds an important spot in the smooth management of our city. It is fortunate that Tule Lake has a staff of competent physicians and surgeons whose professional standing has been unquestionably above average. It is also fortunate that the Base hospital is now equipped with everything to take care of medical needs of the colonists here and to perform even major brain operations.

It is well that the colonists remember the gruelling hours that the doctors are going through in their effort to minister the physical suffering of the people so that they may never have the occasion to abuse the facilities offered here.

We are in the same boat: doctors, lawyers, ministers, students, farmers, merchants, all of us. Let's never forget that!

H.M.I.

WHEN SUN GOES DOWN

Long about the time, the evening sun droops over Tule Lake, a sing spiration will commence at the outdoor stage. There's something about a songfest--perhaps an escape for pent up emotions--that is relaxing.

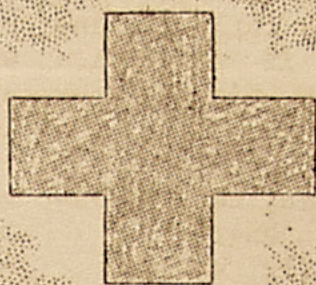

It reminds me of a little ditty that went something like this: "Singing is a fine thing...it brightens everything when dark and dreary...it helps you on the road when you have a heavy load...singing is the thing to make you cheery...".

Perhaps, it may do none of these things. It may be, it only brings a certain amount of pleasantness through fellowship and association with other singers, or perhaps just mere pleasure in singing to be singing. To those who may attend only to listen--isn't there something about a community sing that is inspiring, that lends wings to blues, and quiets disturbing thoughts? If it does all these things and more, then attend tonight's sing spiration.

Long about the time, the pale yellow moon makes its way upwards from the eastern horizon, you'll go home knowing that tomorrow is a lovely day. F.S.T.

TULELAKE NEIGHBORS

Director Elmer L. Shirrell is to be commended for taking the initiative in honoring members of Rotary Club of Tulelake with a Wednesday luncheon here. Tulelake residents are neighbors off Tule Lake colonists. We certainly wish to get along well with our neighbors for the duration of our temporary domi-

OUR APPRECIATION

ANSWERS IN PAMPHLET

Editor, Tulean Dispatch: With regards to our "residence" here, in the Tule Lake Relocation Center, is it possible to have published in the Tulean Dispatch at the very earliest conveniences, the following:

1. The responsibilities of the W.R.A. to the "residents".
 - a. such as food, shelter, and clothing.
 - b. education, medical aid, and supplies.
2. What is being done by the local authorities to create work for everyone able to work.
3. What are the plans for the community. Are we to be self-supporting, or is that a mere idea or is it the order from W.R.A.

Let's have some action. Find out things definitely and quiet down a lot of rumors.

Tak Kato

Editor's note: (complete information regarding these subjects is contained in the Work Corps pamphlet and Questions and Answers for evacuees. Should the writer not have a copy of these he may obtain them from the Placement Officer.)

LUMBER IN CANTEEN

Editor, Dispatch,

What is this thing coming to? Now they want to buy lumber!

When I passed the canteen this afternoon there were 2x4's and ply wood for sale. The wood wasn't even decent. More likely they were rejected pieces. Is it implied that we must purchase our own wood if our rooms are to be furnished.

t.k.

(The answer is simple. Some of the canteen workers wished to partition their apartments and build furnitures, therefore they bought lumber through the canteen. The excess lumber is being sold--partly as a benefit to the residents who want lumber and partly to defray expenses of the original buyers. Editor)

cile here. It is hoped that the Tulelake Rotarians brought back with them an impression that would go far in correcting some of the rumors that are reported raging furiously outside. HMI
