

# CITY CHARTER COMPLETED

Volume III Number 82

Newell, California

Wednesday, Oct. 21, 1942

## FLEET OF TRUCKS TO ARRIVE SOON

Fifty-one additional trucks are being assigned to this project within the next week according to Mortimer Cooke, chief of Transportation and Supplies. The new additions, mostly of which are being supplied by the United States Forest Equipment Department, will alleviate the truck shortage caused by the drafting of some 18 trucks, several weeks back, by the U. S. Army Engineers.

## FOR HARVEST

With a large farm harvest to be moved, the present transportation facilities have been strained to the utmost. The incoming trucks will assure swift moving of produce and, in general, will stabilize the trucking problem.

## THREE CONVOYS

Three separate convoys of evacuees escorted by the members of the Transportation division, will leave for three different points. Forty-two trucks are located at Missoula, Montana, four at Stockton California and five at Reno, Nevada. Twenty-five of the trucks will be here by the end of the week. The others will be here within two weeks, Cooke added. Another convoy will be dispatched at the time.

Tule Inko's proposed City Charter has been completed and was accepted by the temporary City Council in special meeting held last Saturday, Morris Abe, executive secretary, disclosed.

By a majority vote of a city-wide election to be held in the near future, the charter would go into effect. All eligible members of the Work Corps will be able to vote.

Copies of the charter will be published in both Japanese and English and distributed throughout the Colony before the polling date. A few minor corrections and modifications are currently being made.

Chairman of the committee which drew up the proposed charter was Tom Yogo, with "Coffee" Oshima, Norio Susuki, Roy Miura, Kiyoshi Yumbe and Frank Nakamura assisting. Legal and technical advisers were attorneys Kenji Ito, Henry Takeida and Walter Tsukamoto.

## OFFICE STAFF AIDS HARVEST

Over 650 sacks of potatoes were picked by some 50 volunteer potato pickers last Saturday afternoon, it was reported by Frank D. Fagan, Placement Officer.

Due to the critical farm situation a call was issued last Saturday for volunteer potato pickers, and office staff members from various divisions responded. Placement Officer Fagan expressed his appreciation for the generous response.

## WILD LIFE OFFENDERS SUBJECT TO ARREST

Wild life, which include fish and fowl, dead or alive, are not to be disturbed at any time as persons doing so are committing a federal offense, Peter Kristovich, assistant chief of internal security, reiterated. Already 15 colonists were found violating this regulation and are subject to arrest to be brought to federal courts and tried.

Of those subject to arrest, a party of nine were reported to have prepared two wild geese for barbecue when apprehended. Immediately they were brought back to the project center.

As printed previously in THE DISPATCH, persons without permits or workers are not allowed to visit the farm. Requests for permits may be made with either Kallan and Eastman at the Administration building.

## TEACHING - ASSISTING POSITIONS:

### HIGH SCHOOL ASKS FOR TEACHERS

The high school needs Colonist teachers and assistants in several departments. There are three openings in science, one in mathematics, two in English and social science, one in girls' physical education, and three

in 7th and 8th grade. Requirements for assistants are at least two years of college and for teachers a college degree. Colonists possessing degrees are now able to obtain graduate credit from the University of California

for the teaching they do in the project high school.

Those interested in applying for any of these positions are asked to see Mr. Wilder, principal, or Mr. Ramey, supervisor of Student Teachers in #6815 at once.

## FIRE CHIEF RHOADS HAS LONG RECORD

"He's one of the boys", is the way the firemen speak of Ernest Rhoads, fire protection chief.

This modest but capable member of the personnel has charge of 108 men; 72 firemen and 36 fire inspectors.

## TWENTY YEARS - - -

A brief look at his background reveals he was in the U.S. Navy from 1902 to 1906 and, at the present time, has two sons in the Navy and one in the Army. He was streetcar conductor in New York city for a short time in 1907.

From 1908 to 1928 he was a member of the Los Angeles fire force. Since then he retired until accepting his present job here.

The Boy Scouts in the City also receive much of his attention and assistance.

## EFFICIENCY - - -

Richard Van Dervort, retired member of the San Francisco Police force and assistant fire protection chief, remarked about the police force when arriving here, "I was surprised with the efficiency of the fire department and in the capabilities of the firemen."

## NURSERY STAFF TRAINED:

## HEALTH RULES TAUGHT

At the regular meeting of the nursery staff held Saturday at 3808, Alice Takagishi and Nobuko Yamada from the hospital spoke to the members on communicable disease, how it starts and the check for it. The seven steps on how to go about inspecting the child as he enters the schoolroom were given them by the two speakers. They were:

1. Take off his coat and out clothing as usual.
2. Sit him down if possible as in normal classroom discussion.
3. Observe the child generally.
4. Look at his face, eyes, and mouth for signs of infection.
5. Feel around his throat to see if there are any signs of swollen glands.
6. Open up his shirt and see both his stomach and back for any sign of rash.
7. Look down his leg and also look under his hair lines to see if there are signs of rash.

Miss Yamada and Miss Takagishi also stressed that parents with handicapped children should take them to the health clinic for a check-up. They stated that should there be a number of such children, it may be possible to call for a specialist.

## ELEMENTARY SCHOOLS NOW CHRISTENED

With "Washington" finally selected as the name for #72 elementary school, all three elementary schools have been named. "Lincoln" has been chosen by #37 school and "Rim Rock" by #50. The elementary school includes from the kindergarten to the sixth grade.

## "Rim Rock" elementary "CAFE" SHOW PREMIERE OCT. 30

Things are humming at a very fast pace in #1908 where the Dance department is in the midst of mad preparation for "Cafe International" show with which they plan to tour the City. The premiere will be held on October 30 at #720 and thereafter will perform two nights in each ward. The opening night will be strictly invitational.

Braving the cold weather, dust, and fatigue, all the participants attend rehearsals nightly directed under the expert supervision of four hard-working dance instructors, namely: Pearl Mayoda, dance chairman and teacher of ballet and toe; Akiko Saito, acrobatics; and Lucille Tanaka and Yukie Shimoda, tap.

"Rim Rock" elementary leads in the enrollment with 594 pupils. There are thirteen assistants, and fourteen classrooms. Bertha Gifford is the vice principal of the "Rim Rock" elementary.

"Washington" comes next in enrollment with 502 pupils of which Mary Durkin is vice principal. There are twelve teachers, twelve assistants, and fourteen classrooms.

"Lincoln" has the smallest attendance of 445, but nevertheless holds the head office with Principal Martin P. Gunderson handling the school affairs. It has two clerks, one health attendant, eleven teachers, eleven assistants, eleven classrooms, an office, nurse's room, and a supply room.

## LIVESTOCK FARMS OFFER OPENINGS

The establishment and enlargement of the hog and poultry farms in the Project open new work and educational opportunities for those following agricultural pursuits. Present plans call for the enlarging of the poultry enterprise to one of the largest in the west, and an equally extensive program for the hog raising enterprise.

Vocational agriculture students and senior 4-H members who were experienced operators of poultry and hog projects have a good chance for a position in either branch of the program. Production of pork and poultry on a large scale provides unusual opportunities for practical experience, as well as gaining technical knowledge under the leadership of experienced men, farm technical staff members indicated today.

THEATER BALLOTS:

FULL RETURNS REVEALED

A shift in votes from the "Yes" column to "No" in Ward 7 by their own correction increased the opposing votes in the theater construction referendum to the total of 6441 and decreased the affirmative ballots to 2487.

THE DISPATCH made no mistake in the report yesterday. Block 74 has no block manager at present and the balloting was done by volunteers in this block.

The complete returns by blocks show the following results.

Table with 3 columns: Block, NO, YES, TOTAL. Rows for Ward 1 blocks 4 through 18.

Table with 3 columns: Block, NO, YES, TOTAL. Rows for Ward 6 blocks 50 through 49.

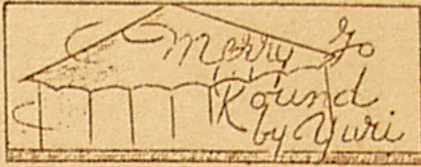

Table with 3 columns: Block, NO, YES, TOTAL. Rows for Ward 2 blocks 25 through 26.

Table with 3 columns: Block, NO, YES, TOTAL. Rows for Ward 7 blocks 71-72 through 68.

Table with 3 columns: Block, NO, YES, TOTAL. Rows for Ward 3 blocks 22 through 34.

Table with 3 columns: Block, NO, YES, TOTAL. Rows for Ward 4 blocks 9 through 11.

Table with 3 columns: Block, NO, YES, TOTAL. Rows for Ward 5 blocks 47 through 40.

UNCLE SAM CALLED

...Ted Waller, Recreation supervisor, who left the City last Thurs. to join the armed forces. A farewell tea was held at the Mukai residence Wed. afternoon for Mr. and Mrs. Waller. Forty-four guests were present including Mr. Elmer Shirrell and Harry Mayeda. Hostesses were the Misses Alice Mukai, Clara Sasaki, Rose Sako, Shiz Nakanishi and Amy Taniguchi. Gifts were presented from members of the recreation staff and the floral arts department. Games and refreshments rounded out the enjoyable afternoon.

LOOKING FORWARD

...to a Halloween party next Sunday are the Christian Youth and Adult Fellowships. Slated to begin after the regular Youth Fellowship meeting, the party will take place at #1520 under the co-chairmanship of Henry Tanaka and Alice Mukai. Decorations will follow the traditional Halloween theme. Games, stunts and refreshments will be the main attractions. Admittance will be by invitationals bids.

WORTH NOTING

NURSE'S AIDE - - ...Classes will start on Mon. Oct. 26. Those who are interested are urged to apply at the Placement office #1208 immediately. Classes will be conducted for both male and female.

NOTARY - - ...will be available at the Legal Aid 1:30 p.m. at the Administration building.

COLLEGE BOUND - - ...is George Inouye, who left Monday for Swarthmore College, Swarthmore, Pennsylvania.

LETTERS FOR - - ...Frank Doi, Tomi Yamamoto, Kenji Fujimoto, Satoishi Hashikuni and Sakusaburo Matsumoto are being held at the local post office.

ALIEN REGISTRATION - - ...card was lost by Masa Fujimoto, 4506-E. He had the card in a pocket of the coat that was lost on a farm truck about a month ago. Fujimoto would appreciate its return.

James Watanabe wishes to thank all his friends for their kindness and assistance in the recent bereavement of his younger sister, Bessie Shizuko Watanabe.

LAST DAY ...for bids to the Bar Bell Hop, set for Thursday night, will be Wed. October 21. All members who have not obtained bids are asked to see either Ed Kuniyoshi or Erick Ishikawa at once.

GRATITUDE ...was expressed to members of Block 34 by Mr. and Mrs. Jack Okumura for kindnesses accorded them on the birth of the first child in the form of a Sunday dinner treat--a bottle of soda pop for everyone! Okumura is block manager.

# Reflections

By  
JOBO NAKAMURA

TAJIRI...

In his column, "Nisei U.S.A.", Larry Tajiri, hard-hitting editor of Pacific Citizen reports a new documentary movie in preparation by the Office of War Information dealing with the mass evacuation of west coast Japanese.

Although the picture justifies the evacuation on pure military necessity because it is the official government story, writes Tajiri but, in general, it "appears to be a fair and objective...Japanese will re... again the hearty... nation, as we... al-izing the p... l.

"Meanwhile...ood continues to... nisei and U.S. Japanese around," he adds. "It does not surprise us that 'Japs' are now the movies' favorite villains but it pains us when the U.S. Japanese, the great majority of whom are loyal to America, are pictured as spies and saboteurs."

## PRO CON...

THE COLORADO TIMES, a Denver Japanese paper carried this article:

TUCSON, ARIZ.,--Requests of WRA that the University of Arizona provide extension courses, library books and faculty lectures for Japanese in relocation center of the state have been denied because "we are at war, and these people are our enemies," Pres. Alfred Atkinson reported.

"It is fine to be idealistic and helpful during times of peace," he said, "but these people stabbed us in the back while their representatives were negotiating for peace in Washington."

## AND THEN...

THE UNIVERSITY OF CALIF. meanwhile, has inaugurated a study of the evacuation and resettlement of Japanese evacuees with a grant totaling \$30,000, revealed Pacific Citizen.

## TOUCH FOOTBALL TO START THIS WEEK

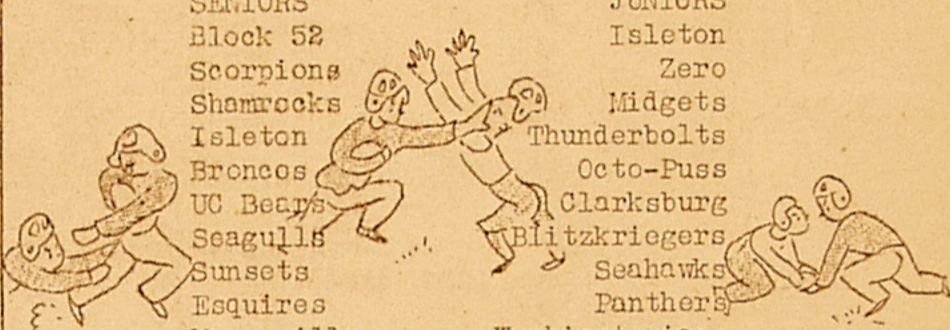

Touch football will make its official debut this week as twenty three enthusiastic squads go into action for their first league games.

Pre-season prognostications on the outcome of the loops are virtually impossible because the calibre of the squads in action are comparatively unknown.

Games are to be played on Saturday and Sunday afternoons. The schedule will be released shortly on this page.

The complete signups for the two leagues have been released as:

SENIORS	JUNIORS
Block 52	Isleton
Scorpions	Zero
Shamrocks	Midgets
Isleton	Thunderbolts
Broncos	Octo-Puss
UC Bears	Clarksburg
Seagulls	Blitzkriegers
Sunsets	Seahawks
Esquires	Panthers
Marysville	Washingtonians
Riverside	Hood River
	Marysville Jrs.

## TOUCH FOOTBALL RULES AND REGULATIONS DISCLOSED

- Name of the leagues will be the Tule Lake Senior and Junior League.
  - Senior League teams will be composed of boys 18 and over.
  - Juniors 17 and under.
- Each team will consist of 8 players; 2 ends, 2 guards, a center, a quarterback, a halfback and a fullback.
- Players may play on only one team.
- Each team will be responsible to have one official and one score keeper at each game.
- Games will be played on Sat. and Sun. afternoons, time is 2 p.m. A grace of 15 min. will be allowed for each team. The team must field a full team of 8 players at the time of the game.
- League games will consist of 4 quarters of 15 min. running time each.

(cont. tomorrow)

## WAREHOUSE DOWN FIREMEN 2-0

In a fast snappy exhibition ball game the powerful Warehouse baseball nine defeated the fighting Firemen 2-0 Sunday on field #1. Bill (I doed it) Matsumoto, late season pitching discovery, quenched the Firemen by hurling a no hit, no run four inning game.

Matsumoto was given sensational infield support from Jackson Tajiro, Tak Ikeda and Yongi Ichikawa while dependable Saike Muracka played errorless ball in the outfield.

	Run	Hits	Error
Firemen	0	0	1
Warehouse	2	8	0

Batteries: Yamashita and Hitomi  
Matsumoto and Tashiro

## "C" PING PONG

Class C singles ping pong tournament for men will be held on Wednesday October 21, at 7 p.m. in #1408.

The Class D players will compete at the same time and place on Thursday.
