

# Daily Tulean Dispatch

TULE LAKE COLONY

Vol. III No. 95

Newell, California

Turs., Nov. 5, 1942

## OPEN HOUSE PLANNED BY COMM. EN'PRISE

An open house tour of the Community Enterprise will take place as soon as a large enough group is organized, it was announced this week.

Tour will be from 7 p.m. to 10:20 p.m. and it will cover the shoe repair shop, radio shop, barber and beauty shop, magazine stand, warehouse 351, and the five canteens.

Transportation will be furnished and those interested in making the trip are asked to leave their names and addresses either with the block co-op representatives or at #1608.

Managers of the respective shops will be on hand to answer any questions. The tour has been arranged through the courtesy of the Community Enterprises.

## PACIFIC CITIZEN

### SUBSCRIPTIONS TAKEN

Subscriptions for the Pacific Citizen, official organ for the JACL, are still being accepted in the colony. The forms are available with the respective Block councilmen, legal aid department, and at the TULEAN DISPATCH office.

Rates are \$2 for members and \$2.50 for non-members per year.

## HEART MT. PAPER

### IS PRINTED ISSUE

Heart Mountain, Topaz, and Granada have simultaneously, by coincident, established its newspaper on a permanent basis, after putting out bulletins for a few weeks. The first mentioned paper has come out with a neat 8 pages linotyped weekly.

## RUMORS

Rumor-mongers are at work again.

Again it is rumored that the Colonists will be removed to Arkansas. 40 pigs shipped out to be slaughtered was one basis for the rumor and another, that a carload of crutches came in for wounded soldiers and that the Project is to be transformed into an army hospital.

"Absolutely silly and unfounded," Project Director Shirrell dismissed any basis for such rumor.

## THANKS

The members of the Harvest Festival prize committee wish to take this opportunity to extend their gratitude to the Community Enterprises for the donation of the numerous prizes that were awarded to parade and masquerade ball contests winners.

In addition, the committee wishes to thank those members of the Project Caucasian staff who voluntarily contributed to the prize fund and enabled additional prizes to be awarded the various winners.

Sincerely yours,  
Harvest Festival Prize Committee.

## EYE, EAR, NOSE, THROAT CLINIC WILL BE OPEN

Correcting the previous announcement by the Base hospital, appointments will be kept for Thursday, Nov. 5.

Only those patients with special appointments will be seen in the Eye, Ear, Nose and Throat Clinic on Nov. 6, 7 and 8th.

## CITY CHARTER AVAILABLE AT BLOCK MGR.

Proposed City Charter is now available in each block in both Japanese and English. A general election is slated in the near future, and the colonists may study the document before the election date.

If any questions should arise regarding the charter, the councilmen will answer them.

## COOP BOARD OF DIRECTORS ELECTION TONIGHT

Election of the Board of Director for the Tule Lake Project's Cooperative will take place tonight at the respective ward meetings of all the co-op representatives.

On Friday the newly elected directors will have a special meeting at #1608 with Kendall Smith, Community Enterprise supervisor, to discuss various phases of community enterprises in order that the Board may become familiar with the working of these stores.

At this meeting the by-laws will be approved by the Board of Directors.

## LOST AND FOUND

### FOUND:

...near 69 block a baseball mit----"Joe Gordon-personal model". Name of "Kern Kono" on strap. Will be returned to owner at Block 69 manager's office.

### LOST:

...Nov. 3 on Project, government check no. 15,992 in favor of Tsuno Sato. Finder please return to Agriculture Division at the Administration building or TULEAN DISPATCH at 1608.

When the air loses its sultry, hot feeling and the sensation of its touch on your skin is one of briskness, King Casaba is on his way in.

One of the most popular winter sports in the country and certainly occupying No. 1 spot in nisei athletic circles, basketball has done much toward cementing friendship between communities and sections in our world.

Being a Sacramento boy my thoughts naturally turn back to the maple court days of the Sacramento Valley competition. Intruding in on my trend of thoughts is the birth of the NCVCA, the valley athletic conference. Jimmy Hashimoto, now working in No. 1 Canteen, together with Pop Suzuki of Stockton, was the founder of the organization.

Inescapable in the mind of any sport loving Sacramentan is the annual feud between the Wakabas and the Mikados. In these bitterly contested games a ten point lead was far from an assurance of victory--it was a dog-fight to the last whistle.

Also prominent in the memories are the yearly Bussei basketball tournaments that decided the championship of the Northern California district. Florin, led by their famed "Gold Dust Twins" Wilbur Kurima and Ben Oda, dominated the scene for quite a while until the Wakabas took over for a couple of years. Marysville followed them into the winners' circle in 1940 in an upset win over the Waks, only to have a young Wakaba squad come back to dethrone them in the 1941 "war year" tourney.

Recollections of former years of the hundreds of games that were played at the city "Kaikan", the YBA Hall in Sac'to, make me look forward to the day when the WRA will see fit to erect a much needed gymnasium.

## BASKETBALL PLANNED

Plans will be started to form outdoor basketball leagues in the near future and all persons interested are asked to form block teams or other independent clubs. A managers meeting will be held Monday, November 9, at the Recreation Center #1808.

## SENIOR LEAGUE LEADERS FACE TOUGH CONTESTS

League leading Scorpions are slated for another busy week-end as their schedule calls for them to meet the U.C. Bears on Saturday and the Broncos on Sunday in Senior League tilts.

In taking past performances into consideration the Scorps should have little trouble with either team, but the Bears are not as bad as the 40-0 score that the Seagulls pasted against them last week might indicate. A last minute field change caused a confusion among the UC players and many of them didn't show up at the right field.

## JUNIORS ENTER THIRD BIG WEEK

As the Junior Football League enters the third week end of play, only the Octo-puss, Seahawks, and Panthers have managed to keep a clean record.

Of the three undefeated and untied teams, the Octo's face the heaviest schedule as they meet a strong Isleton team on Saturday, and follow up by clashing with Zeros on Sunday. The Octo-puss-Zero clash will probably be the game of the week as neither team has been defeated, although the O's were tied once.

Panthers face the Midgets in another important Saturday game. The catmen have kept their goal uncrossed in two starts, and both of their league wins have been by lone touchdowns.

Marysville Jrs. will be the Seahawks opponent.

### JUNIOR LEAGUE

Saturday, Nov. 7. field	
Isleton - Octo-puss	5
Zero - Clarksburg	8
Blitzers - Hood River	7
Seahawks - Marysville	6
Midgets - Panthers	1
Thunder-bolts - Wash.	4
Sunday, Nov. 8	
Isleton - Clarksburg	7
Zero - Octo-puss	2
Blitzers - Marysville	3

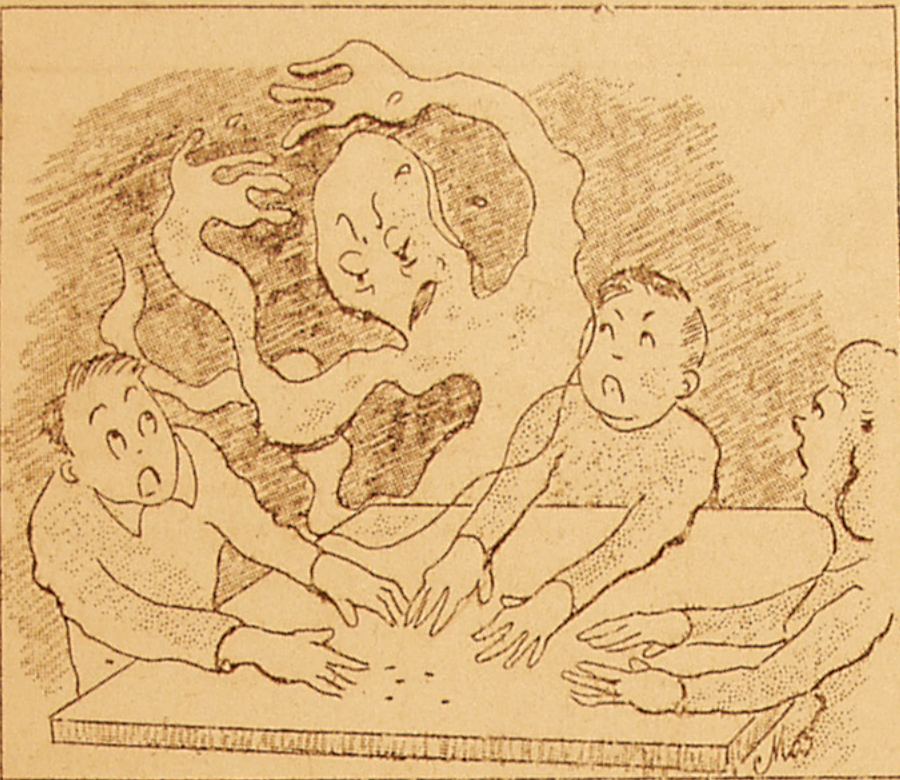

Seagulls, who are only one-half game out of a tie for first place, meet a formidable foe in Marysville, who is undefeated but have only played one game thus far--that a 7-6 win over Riverside.

Marysville showed a big rugged ball team with a better than average backfield last week and they should give the Gulls plenty to worry about. If the Riverside game is any indication, the Marymen will have a band of loyal supporters whooping it up on sidelines to add a little color to the contest.

Only other undefeated and untied Senior team, the Esquires, will meet the once defeated Isleton outfit. After a defeat in their first game, the Cowboys have won two straight.

The complete schedule and field numbers are as follows:

SENIOR LEAGUE	
Saturday, Nov. 7 field	
Block 52 - Broncos	3
Scorpions - Bears	2
Sunday, Nov. 8	
Block 52 - Bears	6
Scorpions - Broncos	4
Sunsets - Riverside	8
Isleton - Esquires	1
Seagulls - Marysville	5

"STOP! STOP ASKING SILLY QUESTIONS, AND LET ME GET SOME REST!!!"

## OUIJA BOARD QUERIES RECEIVE VARIED REPLIES

Survey the scope of the "ouija board", effect on victims, damages, etc. What an assignment! What next?—I thought; but nevertheless, reluctantly—ye scribe took to the trail.

Milling through the throngs of Canteen #1, I approached Kimi Kurahara....she solemnly swore to the integrity of the "living board". "It predicts all sorts of things to come and one by one they come true!" she said—wide-eyed.

Two hustling engineers entered the conversation. Yes, they tore the thing down. Kay Hada said "It's purely beyond logic!" Roy Kaneko pointed out that it was contrary to the law of practical science. Adult educator Pearl Masuda claimed she blindfolded the participants, with an appalling result--no dice!

Tomi Oto, hospital worker, said "With lots of concentration it works fine!" Timekeeper Sab Okamoto indicated that it was "something trashy!" Rosalind Igarashi, High School student thought that many of the predictions that have come true were coincidental. Fireman Jerry Mizuri soberly stated "I think its a matter of faith....something like religion.

Ambulance drivers, George Sakashita and Jim Nakashima said "The genuine board should be given a 50-50 chance." Asked about the three legged affair, they immediately tagged it with a lot of skepticism. Marian Ishii...cashier, said "It's swell entertainment!"

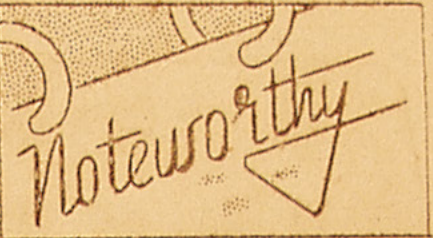

Mrs. Billigmeier, school teacher stated "It can be a great moral sup-

### FEW PERSONS WILL BE ADMITTED TO CAFE SANS DUCATS

Although tickets for the Cafe Internationale, the Colony's traveling night club, have been sold out in many wards, a limited number of persons other than those with advance ducats can be accommodated, Yukio Shinoda disclosed.

They will be admitted by paying at the gate, he added.

porter to pet problems." Toshioko Dairiki, block manager's secretary voiced "Ouija doesn't call in our block..it's jinxed!" What is the mediumistic message apparatus or the block? Well, let's leave it up in the air...better there! by B. Mayeda

#### LOST

...diamond wedding ring, four or five diamond set, gold ring. Return to beauty shop, Tulean Dispatch or 7314-B. Reward. Lost near Canteen #1.

#### A MARRIAGE LICENSE

...for Nobuko Nakayama and Masao Takahashi has been found and is at the Administration building in care of Pete Kristovich, assistant chief of internal security. The owner may claim it there.

#### A STENOGRAPHER

...for special assignment in the Education department is needed, Frank Fagan, Placement officer revealed today. Applicants with at least two years of college are preferred, Fagan added. Report to Placement office.

#### THE INTERMEDIATE

...Fellowship will meet at 2:00 p.m. instead of 6:30 p.m. at #5108 from this Sunday on, it was disclosed by Sumi Haji, advisor.

#### THE FOLLOWING

...individuals are requested to come to the post office for mail being held for them: James Tamotsu Abe, Soichi Nakatani, Mack Kiguchi, Bill Domen, Eishin Oki, and Masato Kinura.

#### THERE IS

...a telegram for K. Okubo and family.

#### A SUCCESSFUL CELEBRATION

...was held by the Adult Education sewing school on its first graduation party. Over five hundred people witnessed the 102 graduates accept their certificates. Honor guests present were Harry Mayeda, and Mr. and Mrs. Kenneth Harkness.

Chairman Mary Sakai was assisted by Mary Arima, Alice Tsukuno, Penelope Yabe, Doris Yagi, Yukie Takata, Yukie Kondo and Chiyo Sato.
