## Clarifies the Issue

The following is from "Between the Lines" in reference to an article from the June 2 issue of The Courier, which also is reprinted in the second column:

### A SHARP REBUKE

In Los Angeles a resolution by the Japanese-American Citizens' League called for the organization to act as an individual without tying itself up with any so-called nationalistic Japanese organization, community project, or enterprise.

In another column this week, Tooru Kanazawa points out the question at hand and the essentialities of the situation regarding Japanese-American Citizens' League chapters and the second generation, who are American citizens by birth, have, indeed, a responsible role to play in American life that cannot be given a hypenated interpretation as so easily wont to be given. There is nothing against Japanese Association and other organizations of a Japanese character, in spite of charges laid at their doors by biased and bigoted Americans. But in facing reality the second generation must conduct themselves as good citizens in order to offset any charges of hypenation. The Los Angeles chapter is American in character and loyalty.

While their resolution may not sound just right to their parent generation, the resolution is a sharp rebuke to the jingoes of America.

### Impressive Moment

One of the most impressive moments of the third biennial Japanese-American Citizens' League convention slated for San Francisco on August 31, September 1, 2, 3, and 4, to come when the Pioneers' Night is held to honor the first generation parents on the opening evening.

What these parents have had to suffer in the face of insurmountable difficulties is a heroic page in the epic history of the first generation. What they have had to overcome in establishing homes for their families and in educating their young ones to live up to American standards is truly a story of the deepest human interest and emotions.

### Future Looks Bright

Last week a local Japanese youth, the first of his race to become the president of his high school class, was awarded a scholarship on his character, scholarship, school service and on his general capacity and promise.

### Protests Default

Joining with other European nations Great Britain, this week, defaulted payment on her June 15 note to the United States.

Over in Europe, war debts and reparations are made the ingredients of the same hash but Uncle Sam is not willing to consider eating the same menu annually without registering protest at default.

## THE WEEK At A Glance

- June 8, TOKIO—Japan refuses to join the League of Nations, sponsored embargo on Chaco arms.
- June 9, GENEVA—Soviet recognized by Rumania and Czechoslovakia.
- June 10, VIENNA—Government jails 150 leaders to stem tide of Nazi Terrorism.
- June 11, SHANGHAI—2 Japanese warships go to China in consul case.
- June 12, WASHINGTON, D.C.—5,000 families in Drought to get new farms.
- June 13, NANKING—Missing Japanese consul found seeking death at tomb.
- June 14, VENICE—Hitler and Mussolini meet for peace talk.

## 2 ARTICLES REPRINTED TO CLEAR MISUNDERSTANDING ON VIEWPOINTS

Writer Made No Local Issue But Made Expository Suggestion to Whole Second Generation Group of Pacific Coast

### ITEMS SHOULD SPEAK FOR THEMSELVES

(The article by Tooru Kanazawa in the June 2 issue of The Courier seems to have caused misunderstanding in some quarters. The seed of the whole article lay in this item from the Japan-California of Los Angeles for Friday, May 25, 1934, column 4: "Attacks on the League by American factions, purporting the alliance of the second generation civic organization with the Japanese Association and similar Japanese nationalistic bodies, engendered the move".

### Desultory Thoughts

The acts of some second generation youths who have affiliated themselves with Japanese Associations and similar bodies, considered nationalistic (Japanese) by Americans, have drawn the attack of American factions to the whole group of American citizens of Japanese ancestry.

The charges imply that these young Americans are not loyal to the United States, to her institutions, Constitution, and laws, that they are hypenated beings, drawn between the United States and Japan; that they are not true Americans, at heart, clear to the core.

Such an attitude, unfortunate as it may be, exists. The Los Angeles chapter of the Japanese-American Citizens' League faced such an attitude on the part of certain American factions. It called for a change in its plans. The situation, briefly stated, was this:

The Los Angeles Japanese community planned what it called a "Second Generation Week", a business enterprise on the order of "Buy in your own community". The idea itself has been used countless times by other American communities throughout the nation, and copied by the Japanese.

In this case the sponsorship was unknown. Endorsement by the league seemed assured. On second thought however, the league leaders reflected that if it were a Japanese Association affair, and were to be endorsed by the Citizens' League, it would place the league in an awkward position.

The charge, of course, would not be true, and is not true anywhere on the Pacific Coast or in the United States. But to escape such a possible charge the Los Angeles chapter, under the leadership of President Kay Sugahara, who is a Northwest product by the way, withheld its endorsement. Citizens' league leaders in other parts of the Coast have lauded the step taken by President Sugahara.

At this time the Los Angeles league stated that it took this action in order to reserve the individuality and identity of the Japanese-American Citizens' League as a truly American organization. Its leaders did not wish it to be painted with the tar-brush of Japan-ism.

The Japanese-American Citizens' League was established for the purpose of developing the character of the American citizens of Japanese ancestry to become better citizens of the American Commonwealth. This meant and means today a love of the flag, loyalty to the Constitution, and a sense of their own country.

Because of their ancestry, all American citizens of Japanese lineage are open to suspicion. Particularly to that of those Caucasians who believe that the Orientals are unassimilable to citizenship. Acts and words can be misinterpreted, even distorted, into unfavorable light by those so disposed.

For this reason, the Japanese press should use discretion and care that its news reports are not such as can be misunderstood or misinterpreted. For after all the printed word is unassailable evidence when it presents facts.

Now these bodies have done good work for Japanese communities and are doing good work now, but they are regarded with suspicion in some quarters. Whether or not they should be allowed to die with sensibility is not pertinent. What is pertinent is that American citizens of Japanese ancestry should not give cause to draw attacks of un-Americanism.

## SOLUTION SOUGHT FOR VEXING WAR DEBTS PROBLEM

Roosevelt Signs Tariff Bill Giving Him Wide Powers

### STEEL STRIKE MENACE

WASHINGTON—And still Congress has not adjourned. For more than a month now forecasters have been setting a date for adjournment, but in every instance Congress has foiled them. However, President Roosevelt is rumored planning to start his vacation cruise on June 19. If so then adjournment is imminent.

### New Debt Move

Attempting a new solution of the vexing war debt situation, the state department this week hinted strongly that it would consider Britain's proposal to pay in goods or services. Hitherto, this country has stood out strongly in favor of payment in cash. If the proposal is approved, it is highly probable that deals will be attempted in regard to both raw materials and finished products in large quantities.

France, for the fourth straight time, defaulted on her debt installment. A payment of \$59,000,018 was due yesterday, but France informed this country earlier in the week that she would default.

### Tariff Bill Signed

President Roosevelt this week affixed his signature to the new tariff bill. The bill, which will be in force for three years, gives him the power to raise or lower tariff 50 per cent, and to negotiate new tariff agreements with other nations. It is designed especially to aid in the elimination of excessive tariffs and other trade restrictions.

### New Labor Bill Up

A new labor bill was approved by the president this week and rushed to Congress for passage. It was hoped that it would be passed by today. Under the provisions of the bill President Roosevelt would be granted broad powers to appoint non-partisan boards to arbitrate and conciliate labor disputes.

## Citizens' League in Oakland Organized

OAKLAND—The formal organization of the Japanese-American Citizens' League resulted at the mass meeting of all the local second generation voters at the International Institute held last week. About 45 second generation voters were present. Chitoshi Yanaga was elected the first president of the local chapter in a closely contested election which required two ballots to determine the winner.

## Japanese Praised as Roll Call Closes

The termination of the annual Red Cross campaign yesterday indicated success with a considerable increase in both memberships and subscriptions over last year's figures.

The Japanese who aided by soliciting highly commended for their energetic community service this week by Superior Judge William G. Long, Roll Call chairman, who stated at luncheon that the Japanese have never failed to respond to the call of the Red Cross.

Solicitation in Seattle under the direction of Colonel Seichi Hara was supervised by the Captains Mesdames: Riye Masumoto, Asaji Noritake, Kusu Hiro-nato, Sakai Tsukumo, Hisae Nagayama, Chiyo Nakagawa, Chiyoko Mizuki, Yoshiye Minato, Tokuyo Miyagawa and Toki Shimomura. County solicitation was headed by Captains Saito, Kent; Takeshita, Orillia; Tsukamaki, Renton; Hisayasu, South Park; Kumasaka, Green Lake; Yamamoto, Bellevue; Okubo, Vashon Island, and Tsurui Auburn.

## Two Pupils Receive Citizenship Medals

PHOENIX, ARIZ.—At the graduation exercises held last week at Monroe grammar school Flora Komatsuka and Tetsuo Kajikawa were the only Japanese recipients of the Citizenship medals awarded annually by the Daughters of the American Revolution and the American Legion.

Both have been outstanding in their school work, scholastically and athletically.

status of American citizenship, are they not in better position than the older first generation members in carrying on the vital, essential works which are now being done by the Japanese Association? It is obviously so, and for this reason have they organized the junior boy.

It is hoped that, in the above paragraphs, the position and duties of the Japanese associations have been clarified to our readers. Not only is it improbable that it is impossible for the Japanese associations and other similar bodies to be regarded as nationalistic by Americans.

## CITIZENS' LEAGUE MEETING TONIGHT

A full discussion of the program of the third biennial national convention of the Japanese-American Citizens' League, now but little more than two months away, and a hearing on the details of the Fourth of July dance and the Northwest League officers conference, will be made tonight at the Seattle Progressive Citizens' League members meet at 8 p. m., in the Japanese Chamber of Commerce hall.

A session of the cabinet members Monday was believed to have paved the way for the gathering, Nahoshi Kumagai, general chairman for the dance, is expected to report.

President Takeo Nogaki is to explain the agenda of the national convention. All final business will be cleaned up. Chitoshi Yanaga was elected the first president of the local chapter in a closely contested election which required two ballots to determine the winner.

## Active Program Planned for 4th

Planning the most colossal and impressive Independence Day celebration ever to be held, the Seattle Fourth of July committee, under the chairmanship of Mansel P. Griffiths, are preparing a program including three separate events of note, the most spectacular parade ever presented for the forenoon hours, an impressive Americanization ceremony and sports events in Woodland Park in the afternoon.

## KURAMOTO FOUND NEAR MING TOMB

NANKING—The anxiety caused the Chinese and Japanese authorities by the sudden disappearance of the Japanese vice consul Hideaki Kuramoto recently was relieved when two days ago he was found sitting in meditation in a graveyard beside an ancient tomb of the Ming dynasty.

## HURRICANE HITS CHILE

SANTIAGO, Chile—A hurricane of fierce intensity caused ruin in Southern Chile early this week and moved up the Coast toward Santiago. Several persons were injured and about fifty buildings were destroyed in Concepcion, the largest city in the South.

## GRADS QUALIFIED TO BE GOOD U.S. CITIZENS IN FACING LIFE

KENJI ITO

I thank the sponsor of this highest academic training possible program for giving me this opportunity of addressing the graduating seniors of 1934, in behalf of the Japanese University Students' Club.

Specifically, I want to congratulate the high school graduates for having prepared themselves to live respectably and intelligently in American society as American citizens. One cannot fully appreciate the significance of this achievement without recalling the serious handicaps under which their parents' settlement in America. Their lack of knowledge of the language and customs of the American people has caused misunderstanding and racial prejudice.

Looking forward, the college graduates face a new career; a career which will deal with living men and women in place of textbooks and lectures; a struggle for existence in which the products and by-products of higher learning will be adapted to the need of a living and dynamic society.

Their Japanese parents and the country of their birth and allegiance may feel justly proud of their academic achievement and confident of their future contributions and leadership.

## HOSOKAWA NAMED ON HIGH BOARD

Honors were heaped upon Robert "Rube" Hosokawa, Garfield high school sophomore class president, this year, climaxed with the latest announcement that he had been appointed to the Boys' Advisory Board, a signal honor to a student who will only be a junior next year.

This body is usually composed of seniors, but he has shown such exceptional ability that he was chosen by the other Board members. The Board has charge of the student discipline in the school.

Bob Hosokawa was the third Japanese to be named to the Board, following in the footsteps of his brother, Bill Hosokawa, and Harry Yanagimachi. Yanagimachi was one of two elected to the Board by the student body this year.

As a result there will be two Japanese boys on the Board next year, Yanagimachi a senior and Hosokawa, a junior.

Four Students Present Talks at Commencement Exercises

---Garfield Messenger Harry Yanagimachi

### FRANKLIN PASSES 37

One hundred and four young American citizens of Japanese ancestry completed their high school careers here in Seattle this week by participating in graduation exercises.

Of this group seven were chosen to take special parts in the commencement exercises. Fumio Yagi of Broadway high school delivered the valedictorian address for his school on the subject, "Results and Outcomes".

Both Shizuko Kesamuru and Katsuko Nakata of the same school took part in the home economics demonstration, while Teru Watanabe was a member of the girls' chorus that sang "Love and Music, These I Have Lived For", by Puccini.

### Lincoln Girl III

Miss Makiko Kumasaka of Lincoln high was scheduled to deliver the salutatorian's address, but illness prevented her from doing so.

At Franklin high Nobutaka Ike, the faculty choice for commencement speaker, delivered an address on "Balancing Franklin's Budget".

At Cleveland high Daizo Itami brought to a close a brilliant high school record as a fine athlete and an honor student by delivering a commencement address on "International Relations". He was students' choice for commencement speaker.

### Statistics

The numbers of Japanese students graduated from each high school are as follows: Broadway—12 boys and 9 girls; Cleveland—3 boys and 3 girls; Edison Vocational—2 boys; Franklin—24 boys and 13 girls; Garfield—11 boys and 17 girls; Immaculate Conception—1 girl; Lincoln—1 boy and 2 girls; Queen Anne—1 girl; Roosevelt—1 boy and 4 girls.

Yagi Delivers Valedictory Address at Broadway Exercises

By Fumio Yagi

Our work is now clearly in your minds, since demonstration and explanation have shown what is accomplished by high school students. I need only to offer a summary of what has been given.

The history courses prepare the students for the study of current events which often proved difficult to the preceding generation since they could not solve the problems arising, thus lessening their ability to cope with them in later life.

The foreign language work serves two purposes: Latin is the very foundation of our language; while French, Spanish, and German each furnish the means of securing commercial relations with foreign countries. This work is closely linked with that of the commercial department.

Home economics is an aid as has been seen to the comfort and pleasure of the individual, since our clothing must conform to line and style. It also affords training in home management and in catering to the needs of the family; while it may also pave the way to financial independence as has been seen in the cases of girls who have gained success in tea-rooms and as food experts.

Music not only serves as a recreation and amusement for those interested in it, but is also a means of securing culture in a type of fine arts which is a very desirable asset to one's life. Music, language, without words, enables human intelligence to communicate with one another in the highest form of culture.

Science is linked with every department for through science, other departments have been able to attain an efficiency that would not otherwise have been approached. House management has greatly increased in efficiency while commerce has been increased a hundred-fold and the standard of living greatly raised.

The foregoing summary will show that our high school courses have a far-reaching influence on all phases of life. Through the preparation offered in high school, you can equip yourselves either for college or for an industrial career so that the good start may be continued with success through whatever field you choose.

Since it is most fitting that we should express our gratitude to those who have given us this wonderful opportunity, on behalf of the graduating class of 1934, I wish to thank the school board, the superintendent, and all others who have contributed to this cause, not forgetting those who out of scanty means have provided no inconsiderable part of the funds necessary to forward the cause of education.

It will be our joy to prove that your investment in us is a worthy one and to hope that your untiring work and sacrifice will be carried on for the benefit of future students.

MEDIATION AND LABOR

For the past few months labor troubles have been flaring up all over the nation. We on the coast know what the longshoremen's strike has done to business.

The Wagner labor bill has been up before Congress for action, but it did little more than to call out bitter opposition on the part of the employers.

The country now is coming out of one of its worst depressions or so facts seem to indicate, and is entering into a period of general recovery and reconstruction.

For fifty years labor's position in the national scheme has been a source of almost constant trouble to the nation. Bloodshed, loss, suffering have featured the struggle that labor has been putting up for its rights.

It has been truthfully said that if we really knew what our neighbors think about us, we would be a very unhappy lot of people.

Occasionally we all become more or less curious and we are tempted to look over the other fellow's shoulder or to peek over the transom window.

And then again we would pay the price of a ring side seat if we could sit on the side lines and listen to the conversations of some of the world's most prominent men.

Certainly, while the nation is on the road to recovery, neither labor nor employers should take advantage of the situation by attempting to gain advantages for its interests.

Cooperation is the keynote of the times and it is in a cooperative spirit that labor and employers should get together to attempt to establish some means for settling all future disputes amicably.

MORE HISTORY

Thursday was to have seen the meeting of two European diplomats which might well make startling additions to the history of contemporary Europe.

On that day Chancellor Adolf Hitler of Germany and Premier Benito Mussolini of Italy were to meet in conference in a secluded Italian villa on the outskirts of Padua.

Although a high Italian official asserted that there would be no secret negotiations at the meeting it might well be one of the most important of recent years.

What the two men actually will discuss is more of a matter of guess work than anything else, but if there is one subject certain to come up for discussion it is that of Austria.

Disarmament is another probable topic for discussion. It is believed that Mussolini will attempt to get Hitler to yield in his demands for approximate armaments equality for Germany.

Still another group of political observers seems to think that Mussolini will possibly attempt to act as an intermediary between Germany and the League of Nations in an attempt to get Germany to reconsider her announced withdrawal.

Whatever could occur at this meeting of two Europe's foremost dictators will undoubtedly win more than its share of the front pages of the world's newspapers and cause diplomatic wires to hum with messages.

AN ARTIST RETURNS

Next Wednesday evening the local Japanese community will welcome home one of its most distinguished ex-members, Seijiro Tatsoumi, noted baritone.

It was eleven years ago that the noted singer got his start here. Since that time he has circumnavigated the globe, both in pursuit of musical training and on concert tours.

Mr. Tatsoumi's career is well-illustrative of how a determined young member of the second generation can win for himself a real position in the world.

It is up to the local community to pay all homage to Mr. Tatsoumi, not only because of his talents, but also the determination that led him on to the heights he has now attained.

GOOD WORK WELL DONE

President Roosevelt recently affixed his signature to the Dickstein bill, thus completing a good piece of legislation well done.

Representative Dickstein, Democrat of New York, sponsored a naturalization bill which would clear up the status of foreign-born children of parents of American citizenship, by definitely bestowing citizenship upon them.

A significant feature of the debate concerning the bill was an attempt to insert a clause that would definitely discriminate against children of American citizens of Oriental racial stocks.

The Cable law with the Dickstein law has done much to clear up many of the inconsistencies which were an unfortunate feature of the old naturalization law.

It was a hot day, one of those 80-degree kind, so Kaz Tamura decided to go for a boat ride on Lake Washington.

So he hired an outboard motor boat and headed for the other side of the lake. When he was quite a ways out the engine broke down.

He spent the rest of the afternoon rowing back to the boathouse.

By way of mention, the Rambler wasn't aware that George Mori Shigaki had a nickname and a reputation even when he was young for his fast rate of walking.

Rumors about ugly things to begin with. When they actually cause harm, the results are much worse than the one who started the rumor realizes.

Such a thing happened last summer. Luckily everything turned out well. It was rumored about that a young man had been crushed to death by the machine that chops up ice at one of the packing sheds, out in the valley.

Word circulated into the city. Some friends bore the wondering mother out to the shed at mid-

Random Rambles

Apparently some nose 'I shouldn't tell you - this but' busybody had seen a piece of red paper in the crushed ice and thought it was blood.

Last Saturday, the Japanese Students' Club of the University of Washington held an open house for this year's crop of high school graduates.

They asked the Rambler to come up and explain the workings of the Journalism department. Not being affiliated with the organization and not being thoroughly in a position to explain the subject, the Rambler declined, but finally consented to do what he could when the request was pressed.

Upon arrival, the Rambler was informed that due to lack of time, the Rambler's part had been cut out. That was all right. It saved the Rambler from making an unaccommodated speech.

A whole hour was shot, and nothing accomplished. It's just thoughtless discourtesies like this that get people and organizations a bad name.

Women are becoming enlightened and we find that they are turning with joy to these new thoughts and ideas on skin management.

Some girls are not afraid of mice; other girls have pretty legs.

One: Who is that dame I saw you with the other night. Deux: She's a World's Fair girl.

Harassed Father: My son's expense at college are terrible. And the worst of all are the languages.

Friend: Language! How's that? Harassed Father: Here's one item on his account which says, "For Scotch, \$250!"

In the field of medicine but a few years ago a useful but brilliant, highly trained and highly skilled Doctor Banting, found what the greatest scientists for generations past had failed to find, namely, "insulin".

Today's Narrow Escape

(Appearing here each week will be a narrow escape experienced by some local man or woman. Contributions will be welcome. --Ed. note.)

Those who have played with these electrical dooiekeys in which you grab a couple of handles and somebody turns on the juice will appreciate the "shocking" experience Jiro Aoki went through when he was at electrical school.

He was fixing a dynamo, when a couple of wires came loose. He grabbed one to put it back and reached for the other wire to do the same.

That the electrical business is not all roses is seen when he almost lost the fingers of one hand just the other day.

When he returned to the shop, the instructor told him he shouldn't risk his fingers for the sake of a dynamo.

Hang-Overs

By Bill Hosokawa

Old "King Sol" beams his brightest nowadays and thoughts wander to the good old water sport, swimming.

There's an old song that goes something like, "Oh mother dear, may I go swimming?"

Just hang your clothes on a hickory limb, But don't go near the water."

Sung with its various variations, it makes quite an interesting song, especially with the kind of suits that the daughters wear now.

And now with the city fathers allowing trunks on public beaches for men's wear, our hirsute brethren may display their chest-plates to the best advantage.

Among the swimmers I've observed at the beach ever since Japanese started to patronize the place in any great numbers, I have gained the following impressions:

George Sawada, Taiyo Club gridster, has the prettiest style in sliding through the water.

Taft Torihara skips over the surface with the most speed. "Hippo" Kawahara has a tireless breaststroke.

Rose Hamada is about the most accomplished mermaid. But let me tell you about Akio "Fat" Ite.

Yamauchi led the artillery attack with two triples and a single in five trips to the rubber.

George Honda relieved Harry Honda in the fourth canto. Together the brothers limited Outlook to but six hits.

Outlook scored on Wapato errors. Schuter and Schultz formed the loser's battery.

Wapato Has Chance at Mt. Adams Title

WAPATO—The Wapato Nippons, winners of the first round in the lower valley division of the Mt. Adams league, and at present in second place in the second round, were slated to play the Reservation Indians here tomorrow in the last game of the second round.

The Wapato Nippons, as winners of the first round, are to play the winners of the second round, for the right to represent the lower valley division against the champions of the upper valley division for the championship of the Mt. Adams league.

Displaying lots of hitting power and receiving good hitting, the Nippons loom as one of the strongest Japanese teams of the Northwest, with a good chance at the Mt. Adams league title.

Jumping into a four-run lead in the opening canto, never to be headed, the local lads trounced Outlook in a circuit tilt, 15 to 4, Sunday on the local grounds.

Yamauchi led the artillery attack with two triples and a single in five trips to the rubber.

George Honda relieved Harry Honda in the fourth canto. Together the brothers limited Outlook to but six hits.

Outlook scored on Wapato errors. Schuter and Schultz formed the loser's battery.

Nippons Will Open 2nd Round Sunday

After two Sundays of practice tilts against tough opponents, the Nippon tossers open their second round offensive tomorrow afternoon at Garfield 2 o'clock, against Rainier Beach, in a City League game.

Rainier Beach is tied for third place, one step above the Nippons, who have a good chance to rise. The local boys took an 8 to 1 drubbing in the season's opener, but since then have got their batting eyes, promising to do better in the six tilts to come.

The young bloods have taken on experience and confidence with every game, and are rounding into the shape Saki Arai expected of them.

swam all the way back. That's one way out of it at least. But if you want to see the swimmers, just trot out to the Salvation Army "Fresh Air Camp" near Auburn this summer.

Booming them here, booming them there, and booming them everywhere, the Fife Jrs. pounded out a 16 to 6 win over their hosts at Bellevue last Sunday.

Tamura blasted out 2 homers and a single in six, Yaguchi 2 singles and a triple in six, Kondo 2 singles in four, Ohashi 2 singles in five and Sameshima 2 singles in six for the winners.

Trojans, Cougars Clash in "Natural" for Class B Title

With the Class B championship and the right to climb into the Class A division at stake, the Trojan warhorse and the Waseda Cougars will come to grips tomorrow afternoon on Columbia playfield at 4 p. m.

The late hour was chosen in order that the teams might be given time in which to finish nine full frames. Each team has won nine and lost one, and it was only the way of the draw which placed their game at the end of the schedule.

The Trojans are without the services of their star hurler, Tobe Matsuzaki, who has gone to Alaska, but they still seem to pack the necessary punch to win games. They were tipped by the Cadets, while the Cougars dropped a decision to Market A. C.

Only by the narrowest of margins, the Lotus Trojans defeated the Tacoma Nippons 6 to 5 last Sunday at Columbia to remain in a leadership tie with the Waseda Cougars.

Going into the last of the ninth with the count tied, Suyama started things for the Trojans with a single. Yagi gained a life on an error and Yoshitake sacrificed them along.

Suyama walked to fill the bags and then Taka Ono smashed out a single to score the winning counter.

Pitcher Tazuma hurling in place of Matsuzaki who is Alaska bound, kept the Trojans fairly well in check but could not fool Wing who slashed out a brace of singles and a double which scored the tying run in the ninth. Tsuboi who collected a homer and double in five and Uyeda who got 2 singles in 5.

For the winners, Ono smacked 3 singles in 5, Inouye a double and homer in four and Suyama and Yagi 2 singles each in four.

COUGARS OUTCLASS GINSEI BALL PLAYERS Behind the 3-hit pitching of Mike Hirahara, the Cougars took the Ginsei nine in stride, 4 to 1 at Jefferson last Sunday morning to go into the final round of games with but a single defeat.

Hirahara fanned 9 Ginsei batters in seven innings, setting down the opposition in 1-2-3 order in all but two cantos, and walked nary a man.

The Cougars were busy again at the plate with Hokari breezing through for a perfect day with 3 singles and a double. Kawaguchi had 2 singles in four and Tai a double in three. Bepu collected 2 of Ginsei's three bingles.

HORNETS DOWN LOTUS JUNIORS Experimenting with a juggled lineup against the weak Lotus Seimens, the Waseda Hornets had a hard time winning 12 to 8 at Jefferson last Sunday. Lotus errors accounted for most of the Hornet counters.

Tom Kubota had a great day for the winners with a triple and single in four while Hiroshi Teshirogi slashed a line drive homer. For the Seimens, Furuta smashed out a pair of singles and a triple in four and Ai Masuda pushed out 3 long singles.

FIFE SWAMPS BELLEVUE JRS. Booming them here, booming them there, and booming them everywhere, the Fife Jrs. pounded out a 16 to 6 win over their hosts at Bellevue last Sunday.

Tamura blasted out 2 homers and a single in six, Yaguchi 2 singles and a triple in six, Kondo 2 singles in four, Ohashi 2 singles in five and Sameshima 2 singles in six for the winners.

Kitahara, Hayashida and Aramaki were those to collect for Bellevue.

Yamaguchi is Best "A" League Hitter

No exceptionally high averages but a galaxy of consistent batters characterized the league this year. Number one honors went to Takeo Yamaguchi, stookey slugger catcher and captain for the Bellevue nine, who went through the season with a .514 average in nine contests.

It must be noticed that Green Lake, Lotus and the Taiyo Cubs played in but six contests while the others went for nine games.

CADETS GIVE CARDINALS BAD SCARING

Showing they were not to be trifled with, the Maryknoll Cadets frightened the Cardinals badly before going down to defeat 11 to 10. The Cards started out strongly to push over 5 tallies in the second but the pesky Cadets continued to peck away at the score to tie it in the fifth.

Big hitters were the trend of the afternoon with Paul Sakai jamming 3 singles and a homer for an 800 day. Kozu, another Cadet had 2 singles in four. Tsubimoto of the Cardinals also had a full time with 4 singles in five official trips while Masuda had 3 singles in five, Hayashi 2 in four.

MARKET BOBBLES LOSE TO TACOMA BUSSEIS

Sixteen runs on 7 hits. That was the performance that the Tacoma Bussels turned in, taking advantage of 9 Market errors and 8 free passes in a wild contest at Columbia last Sunday.

On the other hand, Market jumped on four Tacoma hurlers for 18 hits led by Morimatsu's pair of triples. Yokoyama had a triple, double and single while Matsuda and Shiomi snared 3 singles apiece. Hitters for Tacoma were Yoshihara and Nomura with 2 singles each.

Deadline June 20 for Players' Lists

The "Biggest and Best Yet" looms as the trade mark on this year's Northwest Japanese Baseball tournament on the Fourth of July, sponsored annually by the Japanese Association and Chamber of Commerce.

Player's lists of the 22 teams entered this year must be in by Wednesday, June 20, it has been announced, with each nine allowed 18 players. Horseholders now playing in Class B competition are eligible. The tournament committee is to rule on the eligibility of other players.

To Draw The managers and captains of all the teams must gather on June 30, at 8 p. m., at the Japanese Chamber of Commerce offices to draw up the schedule of play, and to complete the final details. Play will be on Sunday, July 1, and Wednesday, July 4, according to the tentative arrangements now made.

On Sunday the eight Class A teams will play, the winners to enter the upper division, and the losers to go to the lower division. Because there are 14 nines in Class B, the straight elimination plan will be used.

Taiyo to Close 1st Half Against Langa

Closing their first half schedule, the Taiyo A. C. horseholders are booked to take on Long Stove tomorrow afternoon at 2 o'clock on the Broadway diamond.

With the close of The Courier leagues, the Taiyo boys are expected to take on more strength, and make a climb in the second round of play.

Last Sunday they could not get to the hurling of Lasley at Auburn, and went down to defeat, 5 to 2, but not before they staged a rally in the ninth canto that gave them their two runs.

George Okada stepped in as pinch hitter, slapping out a single. Yukio Kuniyuki advanced him with another. Sae singled to score Okada, and Tad Kuniyuki sacrificed his brother home. Jimmy Oyama kept the Auburn hits scattered, but a couple of errors hurt his effectiveness.

Hashiguchi, Saito Win U. W. Letters

Shugo Hashiguchi will get a major W for his work as a member of the Varsity tennis team at the University of Washington, it was reported recently, as a result of a ruling that tennis should be considered a major sport. An effort was being made to make tennis a minor W sport.

It was also announced that Frank Saito, a high hurdle place man on the frosh track squad, considered the best in years, had also been awarded his sweater and numerals.

Bellevue Tossers Take White River Champs in Last Go

Just to show that champions, though they be of the four-year-in succession type, can be spilled, the Bellevue nine in its first year in "A" competition rose to the heights to do what other teams could not do in 8 previous games, downing the champion White River team 11 to 6 at Columbia last Sunday.

White River, with the title safely stowed away and tired from a Saturday game with the Kent Merchants, did not show their customary snap and drive while the Bellevue lads were rarin' to topple the exalted. The losers felt the absence of Kay Okimoto.

Bellevue started right out to garner 3 in the first and 6 in the second. The big inning saw Hiro-taka start with a walk. Aramaki was safe on his sacrifice bunt and Yamaguchi and Ito singled in order. Shimogaki walked, Yamagiwa fanned, Matsuzawa a single and Matsushita sacrificed. Hiro-taka on his second trip singled.

White River distributed 14 hits with every man getting at least one. J. Okimoto led the parade with a duo of doubles while Takeshita, M. Nakanishi, Sadamori and Marutani singled twice each. Doi and Frank Okimoto had triples.

Bellevue concentrated her hitting strength with Ito in the fifth slot slugging a homer and 2 singles in five. Yamaguchi batting fourth had 3 singles for his day's total while Matsushita singled and doubled in three trips.

FIVE POUNDS WIN OVER AUBURN

Unleashing their batting strength with a vengeance, Fife pounded her way to a 19 to 2 landslide over Auburn in the last "A" contest of the year at Columbia. The game was stopped in the eighth when Asahara was rendered unconscious as he caught a sharp grounder squarely in the face.

Homers were blasted out for Fife by Hamanishi, Ben Yoshida, Nobu Yoshida and Y. Asahara. Asahara also had 3 singles for a perfect day while M. Asahara came up with 2 singles and a double in six. D. Yoshioka had 2 for 2, Hamanishi 2 for 4, B. Yoshida 2 for 4 and N. Yoshida 2 for 4.

B.C. Tanaka Holds Mark of 2 Dodos Sunk in 1 Round

When you can take a mid-iron and clout the pill 210 yards for a hole-in-one, that is something unusual in the way of dodos.

But when you can sink another tee shot in the same round of play, meaning 18 holes, then you have something approaching the phenomenal.

Yet that is what Tanaka, who played against the Seattle golfers Sunday, did over the Langara course at one time, setting a record which has yet to be duplicated. Two dodos in one round.

Golfers to Tackle B. C. Boys on July 1

Determined to "take 'em" on the home greens, the local young divot diggers are planning two weeks of intensive practice in preparation for the return match with the Vancouver, B. C. golfers slated at Tacoma's Meadow Park on July 1.

Meadow Park is to be the scene of the Japanese Northwest Open Golf championships in the autumn, so the Canadian divot diggers wish to get in a little practice. July 1 is Dominion Day, so they will have two free days for their trip here.

Vancouver's 11 best golfers proved to be too much for the local invaders who three-and-four-putted on the young meadows which pass for the Langara putting greens Sunday. The final score was 47½ to 18½, the first time the Seattleites have lost in inter-city matches.

The point score was: Vancouver Seattle Isogai 6 Ogawa 0 Ode 5 Nagamine 1 Katsukawa 4 Shimizu 1 1/2 Hisaoka 3 Nakamura 3 Arakawa 3 Hashiguchi 3 Tsurumi 5 1/2 Kono 1/2 Uchiyama 6 Ishikawa 0 Kitagawa 4 1/2 Umino 1 1/2 Niimi 3 1/2 Kashiwagi 2 1/2 Tanaka 3 1/2 Hoshide 2 1/2 Ito 3 Seko 3

Golf Front Quiet, Featured by S. B. Match at Tacoma

Outside of individual play, of which there is a great deal each week-end with more than a 100 taking part, the golfing front was all quiet.

The biggest affair is the final double round of the Sumitomo Bank branch tournament, which is to be played over the Fircrest course in Tacoma tomorrow.

At that time 36 holes of play will complete the 108-hole match which is being sponsored by Kikuro Murata, manager of the bank, who is offering a handsome trophy.

"HOME COMING CONCERT" IS SLATED BY SEIJIRO TATSOUMI WEDNESDAY

Suzuko Tatsoumi to be Assisting Artist at Nippon Kan; Repertoire Presents Varied Fare of Music; Program To Start At 8 P. M.

JAPANESE NUMBERS FOR FIRST GENERATION

Seijiro Tatsoumi, lyric baritone, will appear in a "Home-Coming Concert" Wednesday at 8 p. m., at the Nippon Kan, before the people who started him off on the musical trail that was to lead around the world.

As assisting artist will be his wife, Mme. Suzuko Tatsoumi, who will also present solo numbers on the piano, besides accompanying Mr. Tatsoumi in his songs.

The program will furnish a varied fare of both European and Japanese music, which should appeal to both the first and second generation music lovers.

Mr. Tatsoumi has appeared in concert in France, London, New York, Tokio, Los Angeles, San Francisco and other parts of the world, and has been well received. He is the first full-blooded Japanese to become such a noted baritone. He is also a second generation, for he was born in San Francisco.

His repertoire Wednesday will include:

- 1. (a) "Caro Mio Ben" by Giuseppe Giordani; (d) "Gia il sole dal gange" by Alessandro Scarlatti; (c) "Lolita" by A. Buzzi-pecca. 2. (a) "Panis An gelicus" and "La Procession" by Cesar Franck. 3. (a) "Pelerine de la Mecque" by Cristoforo Gluck; (b) "Mennet d'Exaudet" and "Bergere Legreire" by J. B. Massenet.

INTERMISSION

- 4. Piano solo by Suzuko Tatsoumi—"Children's Corner" by Claude Debussy, including "Doctor Gradus ad Parnassum", "Jimbo's Lullaby", "Golhwigg's Cake Walk". 5. (a) "Princasta" by J. Padilla; (b) "Noche Serena" by Eleanor Hage and Edward Kilenyi. 6. (a) "Hoshino tobu yowa" or "Falling Star", "Sendo Uta" or "Boatman's Song", and "Ushiro Sugata" or "Forslorn Figure", all by Heigoro Komatsu; and "Oshima Bushi" or Folklore of Oshima" by Seijiro Tatsoumi. 7. (a) "Kashmiri Song" by Amy Woodforde Finden; (b) "Pale Moon by Frederick Knight Logan; (c) "The House of Dream" by James G. MacDermid.

Mr. and Mme. Seijiro Tatsoumi gave concerts on Wednesday and Thursday in Portland as a feature of the annual Rose Festival.

Salvation Army Fresh Air Camp Slates Eleventh Annual Opening Program Sunday

There will be many a little boy that won't be able to sleep tonight for anticipation of the opening of the Salvation Army Fresh Air Camp this Sunday. The Camp, run by the Japanese Corps of Seattle, is slated to hold its eleventh annual opening day ceremony on the camp grounds, just outside of Auburn on Green River, this Sunday starting at 2 p. m.

Under the chairmanship of T. Kambe, the program will consist of group songs, flag-raising, short informal addresses by outstanding personalities, talks by the leaders, Toge Fujihira and Rube Hosokawa, and addresses by Captain and Mrs. Hirahara, directors.

- The complete program is as follows: 1. Army Song. 2. Flag raising ceremony by the leaders. 3. Prayer and Scripture. 4. Salutation-T. Kambe. 5. Address by J. Y. Sakamoto. 6. Address by representative of the Great Northern Daily. 7. Representative of the North American Times. 8. Representative of the Japanese Chamber of Commerce. 9. Representative from the Salvation Army Divisional Headquarters. 10. Representative from the Japanese Consulate. 11. Benediction.

The summer season is divided into five periods of two weeks duration each, starting this Sunday, June 17 and ending Sunday, August 26. Despite rumors that there would be only three periods this season in order to provide a session for girls, the camp will run the customary five periods.

SEIJIRO TATSOUMI'S FATHER NATURALIZED AS U. S. CITIZEN

The father of Seijiro Tatsoumi, who came to the United States in 1887, when the Northwest was still the Oregon Territory, became the first Japanese national to become a citizen of the United States and the first to vote, it was revealed here this week.

He cast his first vote in 1889. In 1890 he went to Hawaii, where he served as adviser for King Kalakau, together with Ichiro Katsura. He returned to the mainland to San Francisco in 1895, when he married.

SASAKI, TAMURA WIN NOTE IN RESEARCH AT U. OF CINCINNATI

Yasuo Sasaki, who received his M. S. degree at the University of Cincinnati, Ohio, this June, left for San Francisco Thursday morning.

The editor of the Reimel, second generation literary journal, rode back to the Pacific Coast, via Chicago's World Fair and Yellowstone Park, with Joseph Tamura, of The Dalles. Tamura is also attending the same university.

Tamura, who is majoring in bacteriology, has been working on the lymphogranuloma inguinale disease, and the results of his research which he explained in two papers are to be published soon in the Journal of the American Medical Association and the Journal of Clinical Investigation, it has been reported.

Sasaki, who plans to return in the fall to work for his Ph. D., is specializing in biochemistry, especially on nervous tissues. He has done research work at The Christ hospital in Cincinnati, and was recently elected as associate member of Sigma Xi, scientific honorary.

He is a graduate of the University of Utah.

Wapato Graduation Fete Outstanding

By Sono Kikuchi

WAPATO—With a crowded house the graduates of high schools and the Japanese language school and instructors and parents of the graduates were honored at the banquet held at the Wapato Japanese Hall last Sunday evening.

The principal speaker of the evening was Mr. J. J. Crawford, vice president at the Yakima Chamber of Commerce and influential business man, who welcomed and urged the second generation to the community and participation in political life.

The banquet which honored about seventy guests was under the supervision of Roy Nishimura who acted in the capacity of the toastmaster, assisted by Chairman Kay Moringa. Following the introduction of the guests and the presentation of the corsage gifts to the graduates, speeches were given by the representatives of the following organizations: J. M. Sakimura, Japanese Association; K. Ono, Fubokai; S. Yama, Doshikai; Roy Nishimura, Citizens' League; Arthur Kikuchi, Young Men's Association; and Sono Kikuchi, Wapato Girls' Club.

Receiving special mention and awards from the Japanese Association were: Mary Kita, valedictorian of the Toppenshigh school, Aiko Kikuchi, salutatorian of Wapato, and Mitsu Fukiage first place winner of the Japanese Language school.

Mary Kita and Masaru Fukuda, representing the high school and the Language school graduates, respectively, responded in speech to the honors accorded their groups.

To provide diversion, music and song interspersed the program. Among the numbers enjoyed were violin solos, "Meditation" and "Moonlight on the Ruined Castle" by Frank Mizuta, piano solo by Hisayo Moringa and vocal solos "Play to Me Gypsy" and "The Little Dutch Mill" by Harry Honda, accompanied at the piano by Amy Matsushita.

The receivers of the high school diplomas and honor guests of the occasion were: Mary Sakimura and Kiyu Kamihira of Yakima, Kingo Ichida, Mary and Sarai Kita of Toppenshigh, Jesse and Yae Nishi of Granger, and Jimmy Umemoto, Joe Inaba, George Inada, Kazuo Fukuda, Mitsu Fukiage, Martha Suzuki, Aiko Kikuchi, Suzue Matsumura, Kara Matsushita and Sue Yamamoto.

Vashon Graduates Feted at Banquet

By Pauline Tanaka

VASHON—The Vashon grammar and high school graduates were honored by the local Japanese association last Sunday evening. Later in the evening Mr. Kea Yorioka, secretary of the Japanese association, tendered them a banquet at his home.

Among the guests present were Dr. and Mrs. Kurata of Tacoma, prominent among the older and younger groups here.

Immediately following the banquet a party was held at the Island Club at which Dr. Kurata showed motion pictures of the Island people which he took at an affair held here a few years ago. The speakers for the affair were: Mr. T. Okubo, Mr. Nishiyari, Dr. Kurata, Mr. Takaoka, and Mr. H. Miyoshi.

The high school graduates honored on this occasion were: Gretel Tanimura, Dorothy Hoshi, Yukio Fujioaka, Haud Miyoshi, and Bob Matsumoto, who received their diplomas on Friday evening, May 25.

Those from the various Island grammar schools were: Martha Fujioaka, Martha Matsumoto, August Takatsuka, Masaru Miyoshi, and Kazuo Kumugi, who graduated on Tuesday evening, May 22.

Spokane Youths to Hold Church Picnic By Kazuo Okamoto SPOKANE—With Kazuko Okamoto as chairman the annual Sunday school picnic is to be held at the Manito Park playgrounds this afternoon. Various games and contests are planned for the outing. Refreshments are to be served.

Mr. Valiant, noted artist, was the guest speaker at the Mission last Sunday morning. He presented a chalk talk emphasizing the power of God in His creation of all beautiful things.

The funeral services for Jack Nakai who passed away at the local sanatorium last week were held at the Smith Funeral Home on June 12. He is survived by his parents, brothers Jim and Tad and sister Atsuko.

Nine Japanese students of Lewis and Clark high school were on the honor list at the end of the spring term with grades of 90 or better were: Sumiko Yoshida, Jirov Numata, George Numata, Tami Nozaki, Kimi Nishibue, and Harry Iwata. Those with 85 to 90 were: Chiyu Takami, Esther Yonago, and Saji Nishibue.

A Tribute to Parents In the rush and excitement of graduation, those who made possible for most boys and girls to matriculate are forgotten. These are the parents. They will sacrifice, often beyond their means, especially Japanese mothers and fathers, to see that their children get the right start in life. A tribute will be paid to them Tuesday over the Weekly Courier Broadcast by Ruth F. Hamada, Franklin high school graduate, who will address a few words to both parents and graduates. Again, by popular demand, Terumitsu Kano will deliver news dispatches in Japanese from the Great Northern Daily News. Tura Nakamura, gifted second generation actor and Graham McNamee of the mike, will do the announcing chores, over Station KXA, 760 kilocycles, on Tuesday, 8 to 8:30 p. m. The entertainment is as follows: John Funai, singing hauta number. Molly Fukutani, presenting vocal solo, accompanied by May Uyeminami. Takeyoshi Handa, and Sato, playing shakuhachi duet. Taro Aoki, only second generation jazz pianist, giving a popular selection. The Japanese-American COURIER

Fife to Honor 40 Graduates June 23

By Shigeo Wakamatsu

FIFE—Honoring 40 1934 Japanese high school and college graduates from Orting, Puyallup, and Fife, the annual banquet is to be held at the Fife Auditorium on June 23.

Capt. A. T. Delplain will be the principal speaker of the evening. His selection is befitting due to his and Mrs. Delplain's constant association with the Japanese graduates in connection with the Sea Scout work or girls' club activities.

A charge of seventy-five cents will be made for each person and tickets will be in charge of Mr. Yasuo Sakahara. Invitation is extended to everyone.

Yakima Citizens' 2 Delegates Chosen

By Sono Kikuchi

WAPATO—Roy Nishimura, president of the Yakima Valley Citizens' League, and Harry Honda, delegate-at-large, were chosen to attend the Labor Day convention in San Francisco at a meeting held at the Japanese Hall last Sunday.

Harry Masto, vice-president, was named alternate. In the recent year book planned by the Narcissa Whitman Chapter of the D. A. R. for the year 1935, the local Citizens' League is slated to present a program during the early part of the year.
