

### Between the Lines

**THIS DAY IN HISTORY:** Anton Rubenstein, composer, was born in 1829. November 25, 1783, the British Army left the U. S.

**MILK PRICES** boosted another week. This isn't that "milk of human kindness" we have heard about.

**FORT ORD** in California will be beautified by a donation of 3,000 cherry trees from the Fujii nursery in Berkeley.

**MAYOR MILLIKIN** has a plan to turn it into a city of boarding houses to relieve the room shortage. We have not heard from our hotel keepers about this yet. We probably will.

**DRYDOCK** at the Philadelphia Navy Yard has been held up 11 weeks by a strike of ten union plumbers who quit because extra work was cut from double time to time and a half.

**CHRISTMAS SEAL** sale and the call for funds to battle infantile paralysis are two campaigns that everyone should save a little something for out of their budgets.

**SENATOR PEPPER** told a crowd in Boston about Hitler that "We can lick him. We'll see him hanged higher than Haman." Was the Senator one of those who in the last war were going to hang the Kaiser?

**BATTLESHIP INDIANA** was launched at Newport News the other day six months ahead of schedule. Evidently contractors give themselves enough leeway on government jobs. But it goes to show what can be done when there is a call for speed.

**BERNARD BARUCH** is credited with suggesting that clothing styles for men and women be standardized during the emergency. We had presumed that a man so wise as he would know better than to interfere with female fashions.

**CONGRESSMAN MAGNUSON** came home from the capital this week and announced Seattle would have its part in building small boats for the Navy. Was Warren here shortly after the World War when Lake Washington held a big lot of left-over ships?

**DEFENSE STAMPS** are being used in many ways, and found popular, such as tips to waiters and other servants, we are told. Still, we think the Courier hit the nail on the head when it announced defense stamps as a gift for subscribers. Have you got yours?

**RUSH HOLT**, former United States senator from West Virginia, told a Seattle crowd that the men who made the treaty of Versailles are responsible for Hitler. We have heard that before, but we still believe that Satan should be credited with an assist.

**FARMING** by tractor has been going on for some time, but now a Montana rancher reports he used a plane to seed his wheat field. If they can find some way to plow corn with a plane perhaps it will be easier to keep the boys down on the old homestead.

**SEATTLE** had the second highest suicide rate in the country last year, according to an insurance publication. There were 128. This would seem to answer Hamlet's query: "To be or not to be?" Also it goes to show that while a man may have no choice about coming into this world, he can leave it of his own volition.

**WINE PRODUCERS** in this country are having their inning, including those of Washington. Interesting story we learn, is that experts who used to peddle the domestic product because it didn't taste like the European vintage are now saying that perhaps the foreign kind didn't taste so much better—it was only different.

**NINETY-THREE** per cent of second generation college graduates have found employment and are satisfied with their work, according to a report made at a vocational survey meeting in San Francisco. This is a surprising and cheerful note from the white collar field that we had not expected, but it is gratifying.

**GENERAL WHITE DIES** PORTLAND, Ore.—Major, Gen. George A. White, commander of the 41st Division, died at Camp Clackamas Sunday night. A stomach ailment, complicated by an injury received in field maneuvers, was the cause of death. He was long identified with the National Guard.

**TIN FOIL USE** for packaging tobacco, chewing gum, and a lot of other products has been prohibited by the O.P.M. We learn. As for us, we always considered it purely a nuisance, and we're not kicking.

**RESTRICTED RESIDENCE DISTRICT FINALLY WINS OUT IN BERKELEY**

BERKELEY, Calif.—Despite a long and vigorous campaign waged by various groups, including university people, Associated Students officials and many local residents, the proposal to bar non-Caucasians from a residence district here has been carried, it was announced this week.

The residence tract is in the North Berkeley Hills district. By approval of about 90 per cent of the property owners, persons whose blood is not entirely of the white Caucasian race will be barred from living in the area for the next 25 years.

Albert M. Hardie, attorney for the Berkeley Hills Property Owners, Inc., said the agreement was designed to prevent the property from decreasing in value.

Announcement that the large majority of the property owners had signed up was made by H.C. Brokaw who was in charge of circulating the petitions.

It was said that the property owners are within their legal rights in erecting the barrier. However, many prominent white civic leaders and officials opposed the plan.

The Oriental student domestics will not be barred from the district, those in charge said.

## JACL RESOLUTION SAYS GROUP WILL BATTLE SABOTAGE

Northern Council Leads Off With Approval; Action To Be Told President

### FULL SUPPORT NEEDED

SAN FRANCISCO.—Prepared by the national officers of the Japanese American Citizens League, and unanimously adopted by the Northern California District Council in convention at San Mateo, a resolution of national loyalty and support is being submitted to the various chapters.

Fully confident that the resolution will meet with approval by the membership, the national officers are preparing to submit it to President Roosevelt and members of the Congress.

### Must Report Subversion

WHEREAS, It is the express duty and obligation of every citizen of every nationality, creed or color to report unreservedly to the proper authorities any and all persons, groups, or associations actively engaged in, or contemplating, or suspected of activities, policies, enterprises and propaganda, dissemination of which are detrimental to the best interests of the American people and our form of government, which may come to his knowledge or attention; and

WHEREAS, the great majority of American citizens of Japanese ancestry and their resident alien parents, by law, have been denied citizenship, and the opportunities which our republic has granted them, are loyal and devoted to the Stars and Stripes, and the principles for which they stand; and

WHEREAS, these citizens and alien residents of Japanese extraction are desirous of continuing to serve their land to the best of their ability and in carrying their share of responsibility for the common safety and welfare in this period of grave emergency; now, therefore

**Full Support Pledged**

BE IT RESOLVED by the unanimous action of the 55 chapters of the Japanese American Citizens League of the United States of America:

"(1) That we do hereby pledge ourselves and our organization unequivocally and without any reservation whatsoever, to exercise extraordinary vigilance and to report any and all cases of espionage and sabotage which may come to our attention to the proper government authorities; and

"(2) That we do hereby call upon all American citizens of Japanese ancestry and upon all resident alien Japanese in every section of our country to join with us in offering our individual and organizational facilities and co-operation to all government agencies which are entrusted with the difficult and important responsibility of protecting us all from the enemies within our nation; and

"(3) That we do hereby create a special committee in every chapter of the national Japanese American Citizens League which will stand ready at all times to serve our government in any capacity to which we may be called, to the end that we may carry, as effectively as possible our share of responsibility and trust in the civilian as well as the military defense of our country."

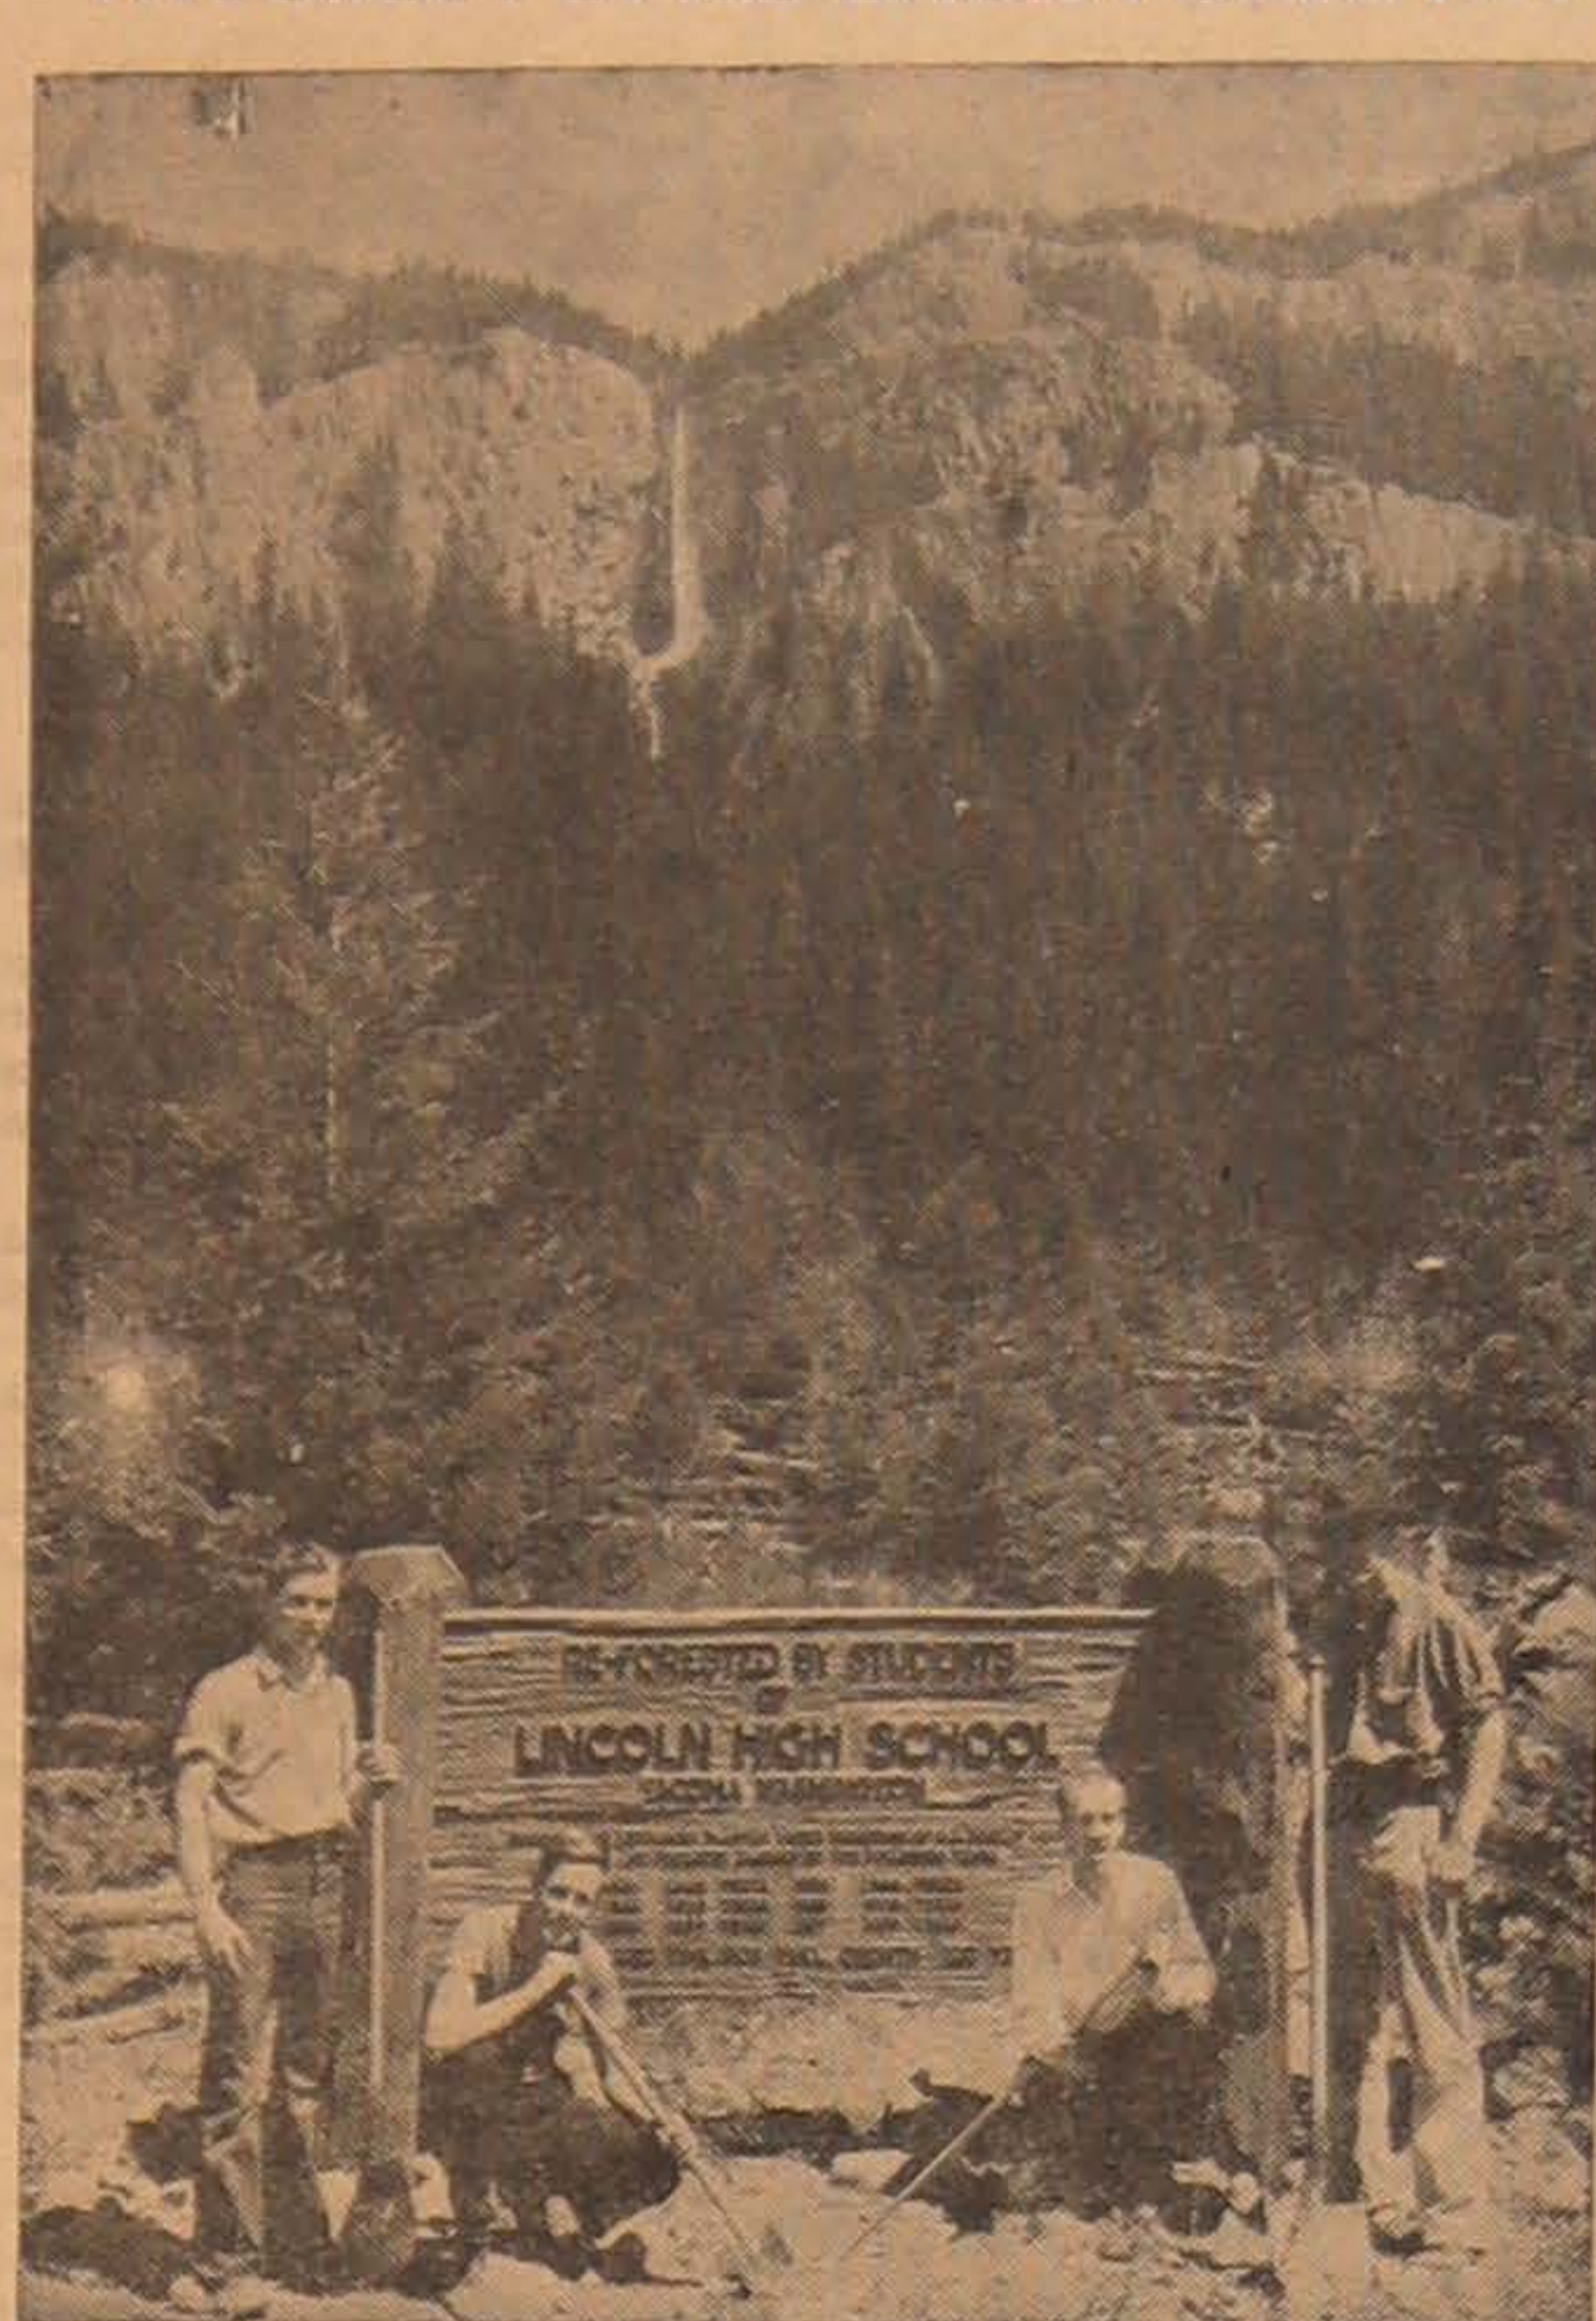

## Legion Commander Calls Act Disgrace

NEW YORK.—It was "a disgrace to the nation and an insult to the American people" that President Roosevelt had to appeal to John L. Lewis to postpone the strike of coal miners in the captive mines, declared Lynn U. Slambaugh, national commander of the American Legion, here recently.

"There should be no repetition of the President of the United States writing three letters to a labor leader asking that a strike be postponed," the commander continued. "The Legion demands that the administration stop strikes in defense industries now."

Pupils of Lincoln High School in Tacoma have joined in the forestry study course launched by the state superintendent of schools, and backed by the American Legion posts of the area.

## VANCOUVER FOLK FAR EXCEED GOAL

Community Goes Well Over Amount Asked; Total Put At \$3,650 For Fund

VANCOUVER, B. C.—Enthusiastic applause greeted the announcement at a meeting of the Vancouver Welfare Federation workers that the Japanese Community had exceeded its quota by \$1,098. Thus the local Japanese have again demonstrated their loyalty and co-operation.

The original quota for the Community was \$2,250. The amount reported at the gathering was \$3,348.

The report was made by Y. Uchida. He said the Community had voluntarily set its quota at \$3,500, despite the smaller amount asked. He said that the Japanese contribution to the fund would total about \$3,650, when sums given through other groups were included.

The Chinese announcement credited that group with 65 per cent of its \$2,000 quota, or \$1,465.

The welfare drive this year was the most successful ever held in this city in spite of war conditions. The goal set was \$400,000 and the amount reported is \$420,083.

## Daughter Of First Governor Passes On

OLYMPIA, Wash.—Mrs. Kate Stevens Bates, 89, daughter of the first governor of the Territory of Washington, and the state's most prominent pioneer, died in this city Monday night. She came here with her father, Gov. Isaac Ingalls Stevens, 87 years ago.

Mrs. Bates was twice married. Her first husband was Edward Wingard Bingham, and the second was James Harvey Simpson Bates, who survives. The family home was at Cloverfields Farm, a donation claim acquired by Governor Stevens, and which has remained in the family.

## Death Has Claimed Princess Dowager

TOKIO.—Princess Dowager, Yoshiko Kaya died here Wednesday at the age of 76 years. She was a descendant of the House of Kaya-No-Miya, and the widow of the late Emperor Prince Kuniaki, who founded the House in 1892. She was the elder daughter of the Marquis Tadayori Daigo.

## HULL HANDS OVER DEMAND TO JAPAN IN NEGOTIATIONS

Secretary Reiterates 1937 Policy, Asking Nippon To Cease "Aggression"

### ESPIONAGE STUDY SET

WASHINGTON—Pacific Basin peace hung in the balance this week-end after Secretary Hull handed to the Japanese representatives this nation's demands in the Far East. These reiterated Hull's pronouncement of 1937.

The Hull program was that Japan end armed expansion in the Far East, withdraw from China and French Indo-China, and adopt peaceful economic policies instead of the "bayonet-backed" New Order.

In the meantime the Senate Foreign Relations Committee authorized a sub-committee to study reported activities of aliens, particularly the Japanese. Americans in Japan were again warned to leave by U. S. consuls.

Relations between this government and the Free French were suspended as the result of the ousting of General Weyand.

### Big Highway Bill Signed

President Roosevelt has signed the 220-million-dollar highway bill, but said he objected because some of the roads were not needed for national defense. This was one measure that the economic committee suggested might be eliminated.

Senator O'Mahoney this week protested stripping the small business men of supplies to provide excess supplies to defense.

The outlook for food stocks is optimistic as to quantity, but the prices are rising, the Department of Agriculture said. A House committee has abandoned its program for 100 per cent parity.

**Strike Curb Bills Remain**

Despite the settlement of the coal strike it was said that many members of the Congress will insist on anti-strike legislation.

Benefits on old-age pensions out of the national treasury have reached \$131,188,000.

Food and other agricultural products turned over to the British under the lend-lease bill have reached a value of half a billion dollars. Meat, grain and cereals, together with processed vegetables, make up the bulk of the supply.

**Pork Barrel Bill Urged**

The House Rivers and Harbors Committee has filed a bill recommending one billion dollars for such work on the grounds of defense. It includes 200-million dollars for the St. Lawrence Seaway and 197-million dollars for the Florida ship canal, both projects having met objection.

The report said one purpose was to set up a reservoir of public works to provide jobs after the war.

The treasury is planning to mail out bills to an estimated 35-million automobile owners to collect the \$5 use tax. Owners would pay \$2.09 for a sticker good from February 1 to July 1 next year.

Three senators have called on the Navy Department to make public the number of German submarines sunk by American warships. The government has said that such a report would not be in the public interest.

## Country Moving For Peace With Mexicans

WASHINGTON.—The United States and Mexico have reached an agreement to settle the oil controversy, and to sign silver, financing, stabilization and highway agreements, it was announced this week.

There was an immediate protest from a Standard Oil Company official. President Farish wrote Secretary Hull:

"It promises payment over a period of 11 years from the time of expropriation by a government which is already hopelessly in default on its foreign debts and thereby repudiates the principles enunciated by the United States government that a valid expropriation is conditioned on the payment of adequate effective and prompt compensation."

Mexico is to be given a 30-million dollar credit to finance highways at the rate of 10 million a year.

The currency stabilization plan was not detailed. Presumably this country would buy a large amount of Mexican currency.

The silver agreement is a renewal of one abrogated in 1933 when Mexico expropriated foreign oil properties. It is expected Mexicans will sell silver directly to the U. S. treasury instead of through the silver market in New York as has been the custom lately.

Value of the expropriated oil properties in Mexico has been estimated all the way from 10 million to several hundred million dollars.

## Germans Hear About Catholic Opposition

LONDON.—Broadcasting an appeal to "our illegal comrades" in Germany to unite with the Catholic Church to organize public opposition to the Nazis, the so-called German freedom radio was heard one night recently.

Catholic churches are crowded as never before in Germany and are the center of opposition to the Nazis, the radio said, reporting that Premier Benito Mussolini had intervened with Hitler to prevent arrest of Archbishop Count von Gallen, the bishop of Munster, who protested in sermons and a letter to Hitler against Gestapo activities. The station reported that Mussolini said Pope Pius XII was prepared to issue an encyclical condemning the Nazis if the bishop had been arrested.

(The British Broadcasting Corporation, heard by the Columbia Broadcasting System in New York, said the Catholic bishops of Holland in a pastoral letter some time ago protested the Nazi subjugation of Catholic organizations and condemned "the injustices and morals of the Nazi authorities." The protest included charges that a Nazi commission named to control the Catholic Workmen's Association sought to pervert it to the service of the Nazis and stole the organization's funds. "We raise our voices against the injustice done to these people and the unheard-of violence of trying to impose convictions on them," the letter said, according to B.B.C.)

## COLLEGIANS HAVE JOBS THESE DAYS

Survey Report Tells About Happy Conditions In San Francisco District

SAN FRANCISCO.—The somewhat surprising, as well as pleasant, information that from 93 to 95 per cent of second generation college graduates in this area have found employment and are satisfied with their work was made in an alumni vocational survey report at a meeting at the Japanese YMCA last Sunday.

Considering the fact that for the past several years there have been reports that white-collar workers have not been able to place themselves, this is regarded as cheering. Perhaps it is due to defense work, but it is also pointed out that many second generation have found employment through civil service activities.

There were about 70 present at the meeting, representing the university, Armstrong J. C. S. F. State, S. F. J. C., Healds, U. C. Pharmacy and U. C. Dental College.

The survey report was made by Fred Hoshiyama. A partial report was made on the JACL by Henry Tani.

Frank Sakata of Watsonville spoke on "Farming As A Future." He thought that of all the activities from commerce to chemistry, the young people will find the best opportunities in some line connected with agriculture.

Dave Tatsuno spoke on "Continuity and Vocations," while Ariaki Inouye told about "Landscape Gardening As A Vocation."

MONTEREY, Calif.—Four large events are being planned by the Peninsula chapter of the JACL. On December 7, the chapter plans a party for trainees from Fort Ord and the President. A Christmas party, a New Year's ball and a joint inaugural ball are also on the program. The nominating committee was to present its report at a meeting this week-end.

LOS ANGELES.—The project considered by the Southern District Council of entering a float in the Tournament of Roses parade at Pasadena on New Year's Day has been abandoned. Information received from the committee was that entries are limited, and it will not be until December 1 that it would know whether there would be room. In addition, there were no funds with which to proceed.

HAYWARD, Calif.—The Eden Township JACL chapter has prepared a stage benefit program for December 20. There will be two Japanese plays, as well as other entertainment.

SANTA ANA, Calif.—A proposed constitution for the Orange County Inter-Club Co-ordinating Council has been prepared and will be submitted to the membership at the next meeting, December 4. Yoshiki Yoshida will be the chairman, and the constitution draft will be presented by Henry Kanegae. The JACL is a member of the Council.

WASHINGTON.—Sales of Defense Savings Stamps for October reached a total of \$5,935,934, establishing the highest monthly total since stamps were placed on sale last May 1, the Treasury Department announced.

This figure, compared with the \$4,978,000 worth of Defense Stamps sold in September, shows an increase of 19.2 per cent. It marks the fourth straight month that the sale of Defense Stamps has risen.

Figures for Defense Bond sales for October, which were announced by the Treasury, also jumped sharply over September figures with an increase of 16.5 per cent.

## ASSERTS JAPANESE LACKING WAR NEWS

Situation In China Never Made Clear To People, Says Observer; Nippon Press Blamed, And American, Also

### LEADERS FACING DIFFICULT TASK

By BILL HOSOKAWA

(This is the fourth of a series regarding the situation in the Orient and Japanese-American relations.—The Editor.)

Many observers have pointed out from time to time that a growing war-weariness is to be seen in Japan resulting from a fruitless four and a half years of conflict in China. I have heard many individuals in Japan, as well as Japanese nationals in occupied China, admit that "China can never be conquered."

But it is wrong from this to surmise that Japan can be persuaded to give up the gains she has made on the mainland except by force.

## ANOTHER CHAPTER ADDED TO LEAGUE

Ventura County Group Will Apply For Membership In California Area

OXNARD, Calif.—The Ventura County American Japanese Civic League has voted unanimously to apply for a charter as a chapter of the Japanese American Citizens League. Formal installation is scheduled at the next district board meeting Akira Kurinara is president.

SAN LUIS OBISPO, Calif.—Mayor F. C. Kimball has sent to Karl Taku, president of the local JACL chapter, a letter expressing appreciation for the recent Soldiers' Entertainment Program given here for boys from Camp San Luis Obispo and Camp Roberts. It was the finest party yet given the boys here, the mayor said.

SAN JOSE, Calif.—The San Jose division of the United Citizens League and the American Legion held an enjoyable joint meeting here at the Eagles Hall. John Sansone spoke for the Legion, and Mas Kanemoto for the chapter. Phil Matsumura was master of ceremonies.

HANFORD, Calif.—Tom Fujita has been elected president of the local JACL chapter. Other officers are Chiyu Kuriyama, vice-president; Mary Kuriyama, corresponding secretary; Anne Cho-no, recording secretary, and Jiro Omata, treasurer.

SANTA ANA, Calif.—A proposed constitution for the Orange County Inter-Club Co-ordinating Council has been prepared and will be submitted to the membership at the next meeting, December 4. THEY STRIVE FOR PEACE

Possibly the most complicated problem that any group of diplomats ever set down to face is confronting top flight experts in Washington these days.

Hence it is that the American people and their leaders, as well as those of Japan, should accord the utmost consideration to Secretary Hull, Envoy Kurosu and Ambassador Nomura.

The wide field to be covered is suggested by the fact that the State Department is conferring with representatives of Great Britain, The Netherlands, China and Australia.

Jay Franklin, a Washington columnist, points out this week that one of the aces Mr. Roosevelt has up his sleeve is "the knowledge that Japanese and Japanese Americans on the West Coast and in Hawaii are thoroughly loyal to the United States."

The League is at this time preparing to send a resolution to Washington pledging its efforts toward combating any effort for espionage.

There is a more sober attitude toward the Pacific problem these days all over the country, we think, and certainly so on the West Coast than formerly was manifested. Further, while this now more intimately concerns us here than it does people on the Atlantic Coast, yet those back there should remember that it would be a matter of very grave concern to them should the negotiations, unhappily, fail.

At this time there are grounds for optimism, yet it must be realized that the problem is a difficult one and that many angles are involved.

AGAINST NON-DEFENSE ECONOMY

As a rule the people of this state have been led to believe that the public school system has been fairly well provided for in a financial way, but apparently that is not the idea of the Washington Educational Association.

Meeting in Seattle last week the educators took steps toward interfering with the taxation question at a time when national defense is taking a high toll of the family budget, and is likely to ask for more.

The convention adopted a report of its committee on taxation, presented by Zeno Katterle of Tappanish seeking:

- 1. Liberalization of the 40-mill law, provision for a 3-mill levy for capital outlays, and enabling adoption of special levies by a three-fifths majority;
2. Active support of the income tax amendment to be voted on at the 1942 election, and
3. Studies of the advisability of asking the Legislature for supplementary legislation to provide during the emergency at least 5 cents a day per pupil in addition to the present 25 cents per day.

As for the 40-mill property tax limitations, that has been several times approved by the voters of this state. Likewise, the income tax has been voted down heavily. In a time of emergency there does not seem to be any justification for reviving these projects on which the people have spoken so emphatically.

Superintendent Pearl Wanamaker announced only last week that the schools are assured of getting the statutory 25 cents per pupil day. This state has always been liberal with its public schools, and under the circumstances there seems to be no need of the action for which the educators have asked.

SOCIALISM FAILS AGAIN

The administration probably feels that it has accomplished a master stroke by its announced pact with Mexico looking toward the settlement of several vexing questions, some of them of long standing.

In cultivating his Good Neighbor policy with the republics to the south, Mr. Roosevelt has not made altogether satisfactory progress with the Mexican government.

One of the most troublesome points is the expropriation of foreign-owned oil properties. Expropriation means, usually, that the government will pay a fair price for the property taken.

This is but another link in the chain of events that started 30 years ago when Diaz was overthrown by Madero. The new era was to raise the fortunes of the lower classes and give Mexico command of her own destinies.

However, all will hope that the new pact will bring about better relations. It is to the interest of both countries that they should live in peace and harmony.

MR. HOOVER WARNS AMERICA

Herbert Hoover, as a former president, has a right to speak on public affairs, and has done so recently. Evidently he does not think this country should, or could, send another expedition to Europe.

As to the question of public information there are two sides. There is well-founded suspicion among our people that the events in the Atlantic are not all being made public.

Mr. Hoover raised the serious question as to whether this country could land a force on European soil sufficient to turn the tide. As he says, we transported an expedition safely before.

The former president further points to the terrible struggle that Russia, fighting on her own soil, is having with the Nazis. He concludes that it would be a futile waste of American life to attempt to send an army overseas.

RELIEF IS NATIONAL PROBLEM

The decision of the Supreme Court of the United States this week in holding unconstitutional a California law prohibiting the transportation of indigents not that state raises a knotty problem, and one that is bound to have far-reaching effect.

Briefly, a citizen of Marysville was convicted of transporting a jobless relative into the state, in a justice court. A Superior Court upheld the conviction, and the case was appealed.

Associate Justice Byrnes, in rendering his first decision, placed the case under the interstate commerce law, and at the same time enunciated the principle that relief of the needy has become a national question.

Justice Douglas and Jackson wrote concurring opinions, and Justices Black and Murphy subscribed to the Douglas opinion. But all four, it seems, placed their decisions on different grounds from that taken by Justice Byrnes.

Justice Douglas held that the movement of human beings should be more free than the movement of cattle or commercial articles.

In this feature the justice apparently took note of the fact that some states do have quarantine laws to protect them from diseased plants or animals.

A special House committee previously has held that such laws as California has would interfere with reconstruction after the emergency. The State of California has urged that an unusually large number of jobless persons were lured to the state by more attractive relief benefits and old-age pensions.

The Qualifications for a Nun. . .

Father Tibesar Explains

(When the acceptance of Helen Nakagawa, Seattle second generation, as a Postulant at the Maryknoll Convent in New York state was announced early this fall, many uninformed non-Catholics were curious as to just into what sort of life Miss Nakagawa had chosen to enter.

It is to society, it is a life that can be chosen by the exceptional few. What qualifications are looked for in candidates to that form of life?

Candidates for the religious life must be not less than 18 years of age and not more than 30, unmarried, of good family and of good repute.

Once the application has been acted upon favorably, the young lady enters the Convent as a Postulant on six-months trial. This period of time enables her to know pretty well whether or not she is suited to the life.

Profession day has been long in mind, its arrival eagerly awaited and the ceremonies of that occasion are calculated to dwell long in memory, the anniversary kept faithfully throughout life.

The long-delayed letter on the Idaho community of both parent and second generation Japanese finally sees print today. Writer Yamaguchi is now safely ensconced within the halls of Oberlin College.

But why the strange garb, you might ask now. One might answer by saying do women ever wear any but strange garb? Only in this case, the answer would not be adequate.

Frequently, it is the ordinary decent dress of the period and adapted to the type of work and life of the nun who wears it.

CINEMATOGRAPHS

PARAMOUNT—Claudette Colbert, Ray Mill, and Brian Aherne are presenting "Skywalk" at this house of entertainment.

ORPHEUM—Held over for a second big laugh week is "It Started With Eve," featuring Deanna Durbin and Charles Laughton.

FIFTH AVENUE—Quite naturally this house is holding over William Powell and Myrna Loy in "Shadow of the Thin Man" which has proven so popular with the customers.

WASHINGTON—Series "E" Defense Savings Bond sales during five months of 1941 are 116 per cent ahead of sales in the corresponding 1940 period of Series "D" or "Baby" bonds.

She was accompanied by Miss Teruko Hirashiki, Juilliard fellow ship winner from Los Angeles, who also played the professional and recreational Miss Kazuko Tajima, talented violinist from Seattle, played "Bach-Gounod's 'Ave Maria.'"

Mr. Charles Kambe, University of Pennsylvania medical student, was best man. Twenty-seven young people from the Pacific Northwest were among the large number of friends who attended the wedding and the reception, which was held at the exclusive Nippon Club.

Among others present were the following Northwest people: The Misses Ruth Ikeda, Margaret Ngai, Dorothy Onata, Chizu Okazaki, Yurino Takayoshi, Alice Tsakaka, and Mrs. Lincoln Kanazaki (nee Nellie Sakura).

These vows are taken for a period of one year, after which the nun is permitted to return home should she desire to do so. This seldom happens, we might add. Final vows are then made for life.

By the first of these, the right to own property in one's own name is renounced. By the second, any uncleanness in thought, word, or deed is excluded. The last, obedience, binds the nun to accept willingly the occupation assigned to her as well as guidance of her superiors in all that is not sin.

But why the strange garb, you might ask now. One might answer by saying do women ever wear any but strange garb? Only in this case, the answer would not be adequate. There are many different communities in the Catholic Church. The garb of each differs from the others.

The Benedictine order is the oldest of these. The Franciscan and Dominican orders trace their origins to the 13th century. Some of the orders are Italian in origin, others, French, German, Spanish, Portuguese, Polish, Hungarian, etc.

Seattleites Wed in N.Y. Ceremony

Oak leaves, white lilies and candle light softly decorated the Japanese Methodist Church in New York City Saturday evening, November 22, for the marriage of Miss Mitsuo Fukujie, daughter of Mr. and Mrs. T. T. Fukujie of Wapato, and Mr. Toge Fujihira, son of Mr. and Mrs. Chu Fujihira of Seattle.

The bride wore a chalk-white moire taffeta gown, with a full skirt and short train and a sweetheart neckline. Her fingertip veil fell from a tiara bordered with orange blossoms.

Her maid of honor, Miss Mariko Mukai, wore an ivory moire taffeta gown, and carried a bouquet of yellow chrysanthemums.

Mr. Charles Kambe, University of Pennsylvania medical student, was best man. Twenty-seven young people from the Pacific Northwest were among the large number of friends who attended the wedding and the reception, which was held at the exclusive Nippon Club.

Among others present were the following Northwest people: The Misses Ruth Ikeda, Margaret Ngai, Dorothy Onata, Chizu Okazaki, Yurino Takayoshi, Alice Tsakaka, and Mrs. Lincoln Kanazaki (nee Nellie Sakura).

These vows are taken for a period of one year, after which the nun is permitted to return home should she desire to do so. This seldom happens, we might add. Final vows are then made for life.

Frequently, it is the ordinary decent dress of the period and adapted to the type of work and life of the nun who wears it.

Fujita was announced to relatives and close friends at a dinner at the Manchu Low Cafe in Tacoma on Wednesday. Mr. Yamada, a former resident of Seattle, is the son of Mr. Arthur Y. Yamada, Sr., of Tacoma.

Dinner Party. . . Miss Helen Nakagawa was the guest of honor at a lovely dinner given by Miss Chizuko Ikeda on Sunday. Other guests were the Misses Margaret Nakagawa, Dorothy Suguro, Joanne Oyabe, Marie Kawamura, Grace Hara, Sachiyo Kodama, Mary Jane and Imelda Kinoshita.

Second Daughter. . . A second daughter was born to Mr. and Mrs. Henry Tatsumi last Tuesday at the Maynard Hospital. The little girl weighed six pounds and eight ounces, and has been named Bertha Shizue.

In and Out of the City. . . Miss Katsu Oikawa, a University of Washington student is resuming her studies after an enjoyable visit at home in Yakima during the Thanksgiving holidays.

Mr. and Mrs. K. Tanabe and their children, Lois, Thomas and Henry, moved permanently from Montana, with the help of their son, Shin Tanabe.

Church Wedding. . . One of the season's loveliest weddings was that of Miss Michiko Alice Takagi and Mr. William Toshio Maebori.

The long-delayed letter on the Idaho community of both parent and second generation Japanese finally sees print today. Writer Yamaguchi is now safely ensconced within the halls of Oberlin College.

But why the strange garb, you might ask now. One might answer by saying do women ever wear any but strange garb? Only in this case, the answer would not be adequate.

Her long illusion veil bordered in chantilly lace was caught to a pearl tiara with orange blossoms.

Myioko Takagi, the maid of honor, was gowned in gold moire taffeta with sweetheart neckline, a long torso with a full-gathered skirt and three-quarter length sleeves.

Little Sachiko Tsujikawa, niece of the bridegroom, was attired in pink taffeta with full-tiers skirt and a tiny bodice tied with a large bow.

Miss Martha Fukami of Kent sang "I Love You Truly" and "At Dawning" preceding the ceremony, and Mr. Peter Hallock, church organist, played the wedding march and during the entire ceremony on the pipe organ.

After the ceremony, the newlyweds greeted their many friends in the church parlor. The bridal table was centered with a large bouquet of white and gold chrysanthemums and crystal candelabra with white tapers.

Mrs. George Yasunura was in charge of the reception arrangements. Miss Ayako Kurimoto served the bride's wedding cake, which was shaped in a Maltese cross.

Entertained at a turkey dinner were Corporals Peter Fujikawa and Akira Kawai of Fort Lewis by Mr. and Mrs. Robert Y. Kawamura on Thanksgiving Day.

Mr. and Mrs. Richard Nomura enjoyed a family dinner with members of their immediate families.

Happy Birthday To You. . . Guests of Miss Marjorie Hatsumi Kawamoto expressed their wish as she celebrated her eighth birthday at a party given at her home last Friday afternoon.

Departing for Ellay. In honor of her sister, Miss Sunita Yoshitomi, who is leaving for Los Angeles this Sunday, Mrs. Saki Arai will entertain with tea in the afternoon before Miss Yoshitomi's departure on that day.

### CRUSADERS BACK IN 'AA' BATTLE FOR WEEK'S SCHEDULE

The return of Tacoma Crusaders to the Double-Ae battlefront highlights the coming week's schedule in The Courier basketball leagues. After several weeks of indecision, the Tacoma have decided to stick it out for the remainder of the season despite a terrific lacing at the hands of Uncle Sam. The Crusaders play the Comets in their first game in 3 weeks from 9 o'clock, Wednesday night at Cleveland.

Other games at Cleveland pits the Savidge five against the Cadets in the opener and the Celtics and Lotus engaging in the top game of the night at 8 o'clock. Five plays the Hornets on their home floor Saturday night.

With Collins temporarily set for the stage for most of the top "A" games a week from Saturday, the Johnson Drug Bombers and the Tacoma Clippers engage in the best tussle of the intermediate loop. Another hot game is the Tacoma Busset-Polka Dots fracas on the same floor.

At Knights of Columbus, the Maryknoll and Gaels battle in one game while Kashiwagi's and 12th Ave. Foods hold the other spotlight. Alderton and White River Bruins are slated to meet in the second game at Kent. The final game in the "A" league is at Auburn where Enumclaw entertains the Rams.

Rishos and White River Buses open the Kent card Tuesday for the "B" slate. Auburn will come into town to meet the strong Johnson Drug five Tuesday night at K. C. in the 8 o'clock game.

Monday night at Plymouth, Puget Sound will be entertained by the Yellowjackets. Friday, the Bruin Jrs. and Tacoma Busset Jrs. tangle in an out-of-town affair at Tacoma.

On Saturday, December 6, Fife will play Mercury on their floor while the Ramblers and Main Bowl are slated for Collins.

The week's schedule follows:

### Cadets Card Game With Arlington High

The Langendorf Cadets will head north tonight to tackle the strong Arlington High School basketball team at the Arlington High School gymnasium. The game is the first in a series of games with nearby high schools contacted by Coach Hiroshi Kanazawa's men. The Cadets play at 8:30 o'clock while the Maryknoll five will play the Arlington seconds in a preliminary at 7:30 p. m.

### Bowling Scores

Favorites collected slim-margin victories over their rivals Wednesday night at Main Bowl and the Merchants' League went through its paces.

Last night's results: Western Sales 1; Jim's Cafe 2. West Coast 2; Jackson Cafe 1. Asahi Garage 2; Washington Beer 1.  
Atlas Cafe 1; Kashiwagi 2. Gyokko-ken 2; Main Drug 1.

### "JARRIN" BILL

One of the stars who will appear in the charity football games this Saturday at the University of Washington Stadium is Bill Jarrin (above) Garfield High halfback. Jarrin and his teammates will meet Ballard in the feature game at 2 o'clock. The opening game will start at 12:30 with Queen Anne meeting West Seattle. Tickets for the games are available at the Bailey Gatzert school at 35 cents for children and 65 cents for adults. Tickets will cost 89 cents if bought at the Stadium.

### JOHNSON DRUG 'B' CAGERS CLIMB UP TO LOOP LEADERS

Kaz Kimura again paced the Johnson Drug Steamrollers to a victory Monday night when his 15 points high-lighted the Drug-gists' 20 to 16 win over the Yellowjackets at the Plymouth gymnasium.

Trailing by one point at the half, the Steamrollers managed to get used to the smaller floor and outscore the Wasps in the last half. Score at the half was 10-9, Yellowjackets.

**JOHNSON DRUG (20)**—Suyama 3, Kojima, Kimura 15, Sumimoto 2, Kozu, Tanabe, F. Yamanauchi, Y. Yamauchi.  
**YELLOWJACKETS (16)**—Shimada 2, Tsujimoto 2, Suzuki, Yagi 6, Kawase, Ashida, Yoritaka 6.

### Trojans Stay on "B" Loop Pile

The Fife Trojans retained their place in the "B" division lead with a 22 to 9 victory at the expense of the Puget Sound Packers Saturday at Fife High School.

**FIFE (22)**—Kubo 5, Kuroda 2, Mizukami 2, Uchida 4, Hamanishi 7, Morisaki 2, Tamura.  
**PUGET SOUND (9)**—Semba 3, Ogasawara 2, Watanabe, Asahara 1, Nomura, Shigeno, G. Kubo, Joe Asahara.

### Auburn Wins in Two Overtimes

It took Auburn's "B" Orioles two overtime periods before they could put the Rishos away, but in the second extra period, two baskets spelled doom for the Seattle five, 20 to 16. The regular game ended 14 all.

In the first overtime, Hirata scored a bucket for the Orioles only to have Suzuki tie the count for the Rishos with a field goal. In the final canto, goals by Hirata and Fujii turned the tide for the out-of-towners.

**AUBURN (20)**—Hirata 4, Morimoto 4, Okura, Kano 1, Tsurui, Fujii 4, Hirabayashi 7.  
**RISHOS (16)**—Shimokuni 3, Suzuki 2, Nakagawa, Hiyaama 4, Sakai, Oka, Kawako 1, Imai, Onoda 6.

### Steamrollers Ring Up 36-8 Victory

The Johnson Drug Steamrollers continued to live up to their name Tuesday night at Kent when they powered their way to a 36 to 8 decision over the White River Buses.

**JOHNSON DRUG (36)**—Kimura 12, Kojima 4, Yamanashi 4, N. Suyama 8, Kozu 2, Sumimoto 6.  
**W. R. BUSES (8)**—Hamada, D. Murata, Kuramisli, Hattori, Kano 4, Kobayashi, Yamada 2, M. Murata, Iseri, Arai 2.

### Main Bowl Strikes Auburn, 39-13

Main Bowl's classically-clad basketball team hit the jackpot Saturday at Auburn when their scorers turned loose the scoring faucet to drown the Orioles 39 to 13 in a "B" contest. Everyone scored freely for the Seattle five.

The score:  
**MAIN BOWL (39)**—Nakagawa 4, Yasuda 6, Kozu 4, Yoshida, Katsuyama 5, Morita 4, Fujimoto 3, F. Isefuku 6, T. Isefuku 1, Kubo 1.

### POLKA DOTS UPSET BY MARYKNOLL AS BELLEVUE TOPS 'A'

Pride goeth before a fall but nobody told the proud Polka Dots that epigram and this week, they were a sadder but wiser lot after Tuesday night's manhandling by a Maryknoll team at the Knights of Columbus.

The "A" division threat was neatly slapped by the Catholics 28 to 26 in the top game of the round for the intermediates. Score at half time was 20-12, Maryknoll.

Other games at the same floor saw two record-scoring games turned in during the night.  
**MARYKNOLL (28)**—Ito 8, H. Uyehara 7, Fujino 6, Kobayashi 6, Yamauchi 1, J. Uyehara.  
**POLKA DOTS (26)**—Hata 6, Okazaki 4, Akiyama 3, Uchimura, Hidaka 6, Nomura 2, Katsuyama 3, Kiritu 2, Yagi, Watanabe.

### Bombers Swamp Collegians Team

Chastened by the Polka Dots, the Johnson Drug Bombers took their spite out on the University Students Tuesday and walloped the Collegians, 58 to 25.

**JOHNSON DRUG (58)**—R. Tanagi 8, Kamakura 5, Hiyaama 22, Suguro 6, Ito, Uchida 8, Yokoyama, Rick Tanagi 5, G. Tanagi 4.

### HORNETS COLLECT EASY FORFEIT WIN TO TOP 'AA' LOOP

The surprising Hornets in the Double-Ae league took a short lead in the senior loop this week when they collected an easy forfeit victory over the draft-riddled Savidge team Wednesday to show four victories and no defeats.

It marked the second consecutive week that Mac Kaneko's men were forced to forfeit their game. Last week, Fife collected the plum.

Both games at Cleveland Wednesday were free-scoring affairs with the Troys collecting a 48-34 Comets pelt and the Celtics skinning the Cadets 40 to 25.

The Irish were placed by Katsuyama's 12 and Shig Murao's 10 points in their victory. Aratani and Yoshino sparked the losers with 8 pointers each.

### CEE CAGERS OPEN CAMPAIGNS HERE WITH FIVE GAMES

Delayed almost one month by lack of floors, the Courier "C" basketball league opens next week with five games slightly jumbled because of the scarcity of floors.

Local fans get their first glimpse of the juniors in action Thursday night at Plymouth Church when the Chinese open against the Lynx at 8 o'clock. In the second game, the Satellites play Highline.

Saturday from 6 p. m., the Lotus and Falcons teams open play on the Collins floor.

Two local teams will travel out of town this week. Maryknoll goes to Auburn for the first game of the night on Saturday. The Lions were to have played at home but because of conflict in hours, they will travel to Tacoma to play the Tacoma Cees at McCarver High School.

**ROOSEVELT BASES FINAL ACTION ON JAPANESE FEALTY**

First And Second Generation Spurn Advances For Spy Work On Coast

**YOUNG OBTAIN LESSON**

One of the acts Mr. Roosevelt has up his sleeve in dealing with the Japanese situation is the knowledge that the Japanese of both generations on the West Coast and in Hawaii are loyal to the United States.

Coming at a time when critical negotiations are going forward, the article is unusually significant. No doubt it will reach hundreds of thousands of persons in this country who had not previously been informed.

**Says Their Effort Failed**

Japanese strategy and propaganda has tried to use these citizens and residents as the basis for Fifth Column operations, says Franklin, and the result has been quite disappointing.

Referring to the first generation, and continuing, the writer says: "Their substantial loyalty to a country which does not admit them to citizenship is one of the most touching phases of American-Japanese social relations."

"Their children the so-called Nisei (or American Japanese) are American citizens by virtue of having been born in the United States. This group is enthusiastically loyal to America, proud of the role they have played in supplying recruits to the Army, and resentful that they are, unlike American Negroes, denied employment in defense industries."

**Tried To Court Young**  
"It was from this group that the Japanese spy-service and consular agents hoped to recruit a Japanese 'Fifth Column' on American soil for mass-sabotage in the event of war with the United States."

"For this reason, at considerable trouble and expense, arrangements were made to have large numbers of the Nisei educated in Japan, in hope that thus their loyalty to the Emperor might offset their natural loyalty to the land of their birth."

"It didn't work out that way. Exposure to life and ideas in Japan was a great shock to the vast majority of American-born Japanese. Not only were living conditions far harder in Japan than in America but the Japanese themselves had such hatred for 'dangerous thoughts' (that is, foreign ways and ideas) that they took it out on the Nisei."

"So the result was that, with only a tiny number of exceptions, the Nisei who saw what Japan was like lost their illusions and returned to America fired with new loyalty for the land of liberty."

Cultivation of tobacco has been extended to every state in Brazil.

**WILL SEEK SISTERHOOD**

Helen Nakagawa leaves Sunday to enter Maryknoll convent in New York.

**YOUNG CHRISTIAN EVENT DRAWS 400**

Splendid Program Given At Baptist Church; Music Enjoyable Feature

After a successful 3-day session the Northwest Young People's Christian Association elected officers for the coming year, and they were installed with appropriate ceremonies.

George Kakehashi was chosen general chairman for the next meeting, and Shizui Yamada, president.

On Sunday there was a joint worship service at the First Baptist Church, with the Rev. Harold V. Jensen delivering the sermon.

Discussion groups brought out many interesting points and much valuable information.

One of the main addresses of the program was given by Dr. J. Warren Hastings, pastor of the University Christian Church, who took for his topic, "Youth on the March for Christ."

Two luncheon meetings and two banquets afforded the opportunity for social enjoyment. The music by choirs was also well received.

**NEW YORK**—A threatened strike of 15,000 long-distance telephone workers has been averted by the usual method of pay increases, the government conciliator announces.

The agreement calls for wage raises ranging from \$1 to \$3 weekly for all workers who, under the old agreement, received \$18 to \$66 for men and \$13 to \$31 for women.

**MARYKNOLL GIRL FIRST FROM HERE TO JOIN CONVENT**

Helen Nakagawa Will Leave Sunday Night; Educated In Local Schools

**THIRD 2ND GENERATION**

There's always a first time. And Seattle's second generation community will see one of their own girls board a night train for New York this Sunday evening to prepare for the Catholic Sisterhood as a Postulant.

Some 13 years ago, as a child of 6 years, Helen Nakagawa was baptized a Catholic at Maryknoll by the Rev. Father John C. Murrett—April 8, 1928, to be exact. Born in Seattle, Helen was graduated from Maryknoll and the Immaculate Conception High School in 1940. This fall, her application for candidacy as Postulant at the Maryknoll Convent was accepted.

Miss Nakagawa becomes the first Maryknoll-educated girl to be accepted as a candidate for the Sisterhood since the founding of Maryknoll in 1911 by Father Price and Bishop Walsh. She speaks both Japanese and English.

Helen is the second daughter of Mr. and Mrs. Stephen Fukuya Nakagawa of 549 19th Avenue. Her sister, Margaret, is a junior in the music education department at the University of Washington, while her brother, Francis, is a student at Seattle Prep. Margaret also graduated from Immaculate Conception High School.

Mrs. Nakagawa is a Japanese teacher at Maryknoll School while Mr. Nakagawa operates a grocery and flower shop.

Miss Nakagawa is actually the third second generation girl to enter the convent. Hanako Mary Sakamoto of Texas entered the Maryknoll Convent this June, while Mary Magdalen Nishimuta of Oklahoma is now Sister M. Jeanette stationed at Maui, Territory of Hawaii.

Sunday night, friends and well-wishers of Helen Nakagawa are expected to bid her good traveling on her happy venture. She will leave the King Street Station by the Northern Pacific at 9:45 p. m.

**Latest Dates Given For Christmas Mail**

General Christmas mails for the Far East have been closed. Postmaster George E. Starr announces, but Hawaii may be reached if letters are posted by December 15. Parcel post for Hawaii may be sent by December 13, and air mail December 22.

There is still time to reach the Far East by air mail with the exceptions of Japan, Korea and Manchuria.

All of Alaska may be reached by all services next month. Letter mail for Dawson should be deposited by December 6, and air mail December 19. For the Atlantic seaboard the latest date is December 19, but it is desirable that earlier mailing is desirable.

**Community Store Coupon Plan Will Feature Holidays**

When Seattle's Japanese Community went over the top with a bang in the recent Defense Chest drive, a new and charitable spirit seemed to have been created in it. The first group to fall in line with the spirit is the Seattle's Japanese Merchants Association.

Starting next Monday, the association will issue coupons with purchases which may be applied toward valuable gifts. This is a feature of holiday shopping.

**Mary Amano Winner In Chicago Contest**

As one of the two young artists to receive a rating of better than 95 in a one-week examination contest, Miss Mary Amano, well-known local pianist, was awarded a scholarship by the Chicago Conservatory of Music last week.

The examination which was held at the Chicago Conservatory, where Miss Amano is studying at present, was taken by some 45 artists from all over the country. No scholarships are awarded, it is understood, unless a rating better than 95 points is made. Miss Amano's rating is said to have been 97. She is the daughter of Mr. and Mrs. J. M. Amano of 3208 35th South.

**BOARD GATHERING AND JACL VOTING WILL CLOSE YEAR**

Important Session Set For Summer On Sunday; Will Wind Up Business

**BALLOTS WILL GO OUT**

With the Northwest District Council board of the Japanese American Citizens League meeting this Sunday, and plans for the chapter election going ahead, the local group is preparing to close out the 1941 activities.

The board has been called to meet in Summer at 10 o'clock at My Wife's Cafe. Thomas Iseri of White River, board chairman, will preside, and a general review of the year is expected. It was thought probable that this will be the last board meeting of 1941.

**Board Invited To Fete**

Board delegates are invited to be honor guests at the annual carnival-bazaar of the Puyallup Valley chapter to be held Saturday night at Fife in the High School Auditorium. A considerable delegation from the local chapter is expected to attend the Fife festivities.

The Northwest board will consider district matters. Among them is the campaign for raising funds by presentation of a moving picture show in various cities in the Northwest.

**National Matters Are Due**  
A final review of the district convention is expected to be made, according to Chairman Iseri. The chairman also said there is a large number of communications from national headquarters to be considered. Some of these are national in scope, and a report is to be made to the national officers on several projects.

Plans for the local chapter election are going ahead, with ballots to be sent the membership. It is urged that the ballots be returned promptly in order that a check may be had and a report made at the next chapter meeting. The cabinet is giving final consideration to the list of nominees for chapter officers the coming year.

Consideration is being given to the program for the annual chapter entertainment, scheduled for January 3 and 4 at Nippon Kan. This show, always popular and a benefit performance, will be marked by the appearance of many local prominent second generation in all walks of life, and by appearance of the cream of artistic talent in the community.

**JAPANESE MOURN SPENCER'S DEATH**

Advertising Executive And Civic Leader Was Friend Of Young People

The sudden passing last week-end of Lloyd Spencer came as a shock to many persons in the Japanese Community where he had long been a familiar figure.

Many Japanese Americans knew him well, as a civic leader, as an able advertising executive, as an unrivaled story-teller and entertainer, but more than that, as a sound and honest adviser on personal and community problems.

His door was never closed to those who went to him for counsel. He has helped many of the younger generation find a place in the economic and business life of the Northwest. The promising young artist, Shozo Kaneko, had many commissions from him.

Indicative of the esteem in which he is held in the Japanese community is the fact that James Hara, druggist, named a son for him: Lloyd. And to that child Lloyd Spencer passed on the silver drinking cup which he himself had used as a babe, a family heirloom, to young Lloyd Hara.

Mr. Spencer suffered a stroke at the football game last Saturday. He never regained consciousness, death came Saturday night.

**Shipping Firm Will Retain Small Staff**

While business operations have become almost completely restricted the local N.Y.K. office will not entirely close its doors. Starting next week smaller quarters will be occupied on the second floor of the Great Northern Railroad Building. The office will be managed by E. M. Gall of the freight department, and George Shimizu as his assistant.

The present manager, T. Hasegawa, K. Takahashi, cashier, and E. Takahashi of the supplies department are expected to leave for Nippon aboard the first available ship next month.

Others on the present staff who will no longer be identified with the N.Y.K. are: Paul McClelland, general passenger agent; F. F. Huckell, assistant general passenger agent; F. J. Whims and S. P. Denhof, freight department; Capt. R. H. Elliott, port captain; Ayako Morita and Helen Sandvig, secretaries.

**GIRLS CLUB TO MEET**

Midori Shimano, president of the Japanese Presbyterian Girls Club, has called a meeting this Friday, November 28. The meeting will be held at Chiyo Yamaura's residence, 712 27th Ave., from 8 p. m. Election of officers, and discussions on plans will be held.

**Big Carnival Ready In Puyallup Valley**

By TADAKO TAMURA

**FIFE, Wash.**—A colorful program featuring trainees from Fort Lewis has been arranged for the Puyallup Valley JACL's fifth annual carnival-bazaar to be held tomorrow at the Fife High School auditorium. George Egusa will act as master of ceremonies.

The complete program as released by a committee headed by Lefty Sasaki, Betty Sato and Sumie Itami follows:

Vocal solo—Hiroshi Sakahara, accompanied by Kazuko Sakahara. Group odori—"Hino-maru Sakura."  
Clarinet solo—Bob Sasaki.

Odori—Yoshioka sisters (third generation).  
Eaton twirling—Toshie Wakamatsu, accompanied by Fife Grade School Pep Band.

Vocal solo—Chiyo Iwakiri. Judo exhibition—Fife dojo. Koto number—Mrs. Nakatsuka. Tap number—Naomi Mithke and Himeko Kawabata.

Nisei soldier's quartet—Pvt. Stanley Takeishi, soloist, with Pvt. Pat Nakamura, accompanist on harmonica.

Fort Lewis' One-Man Band—Private Levy.

Odori—Kaoryu Kimura. Tap dance—Muriel Hall. Odori—Dorothy Fujimoto. Private Levy, personable, and a clever performer, has a long list of stage and radio achievements to his credit.

Singing servicemen from Fort Lewis will entertain during the program. . . a crooner of merit, Stanley Takeishi, and his buddy, Private Nakamura, who gets fine music from a harmonica, are only two of the six soldiers who will sing.

Lovely odori dancers, tiny tots on parade, and a vivacious baton twirler, Toshie Wakamatsu, and a grade school Pep Band composed of youngsters who have rhythm and style all their own. . . these members and many others will high-light the program.

Miss Dorothy Fujimoto of Tacoma is coaching the young odori dancers in several new routines. Snappy exhibition matches will be performed by the capable members of the Fife Dojo Club.

Delicious food and refreshments will be attractively placed on sale, while the carnival plans are rapidly shaping up.

The Mikados of Swing, those rapidly rising stars of tomorrow, have been engaged to play favorite tunes for the dance. Don't forget to join the cosmopolitan crowd on Saturday, the 29th of this month!

**Portland Leaguers To Meet Candidates**

PORTLAND, Ore.—The Portland JACL will hold its monthly business meeting on November 29. Candidates for next year's officers are expected to be introduced to the membership.
