

Permits Required for Public Gatherings

Entertainment for the people of Heart Mountain is important, but guarding the lives of these people is more important in the opinion of the fire, police, and community activities departments,

Since last fall, these departments have been cooperating with the objective in mind, of providing the best possible entertainment to the largest number of people under safe conditions. In doing this, they have stipulated that permits for all public gatherings be obtained at community activities headquarters. Regulations established stipulate that no more than 400 people congregate in mess halls, proper aisles and exits, unlocked doors and "no smoking" be maintained. Decorations, if any are to meet fire inspection. In most instances, the public has been very cooperative. However, there have been occasions of negligence or misunderstanding on the part of persons using these public facilities.

The support of the people of the community in carrying out the rules and regulations explained to them at the time of obtaining permits at community activities headquarters in block 16 is expected. All entertainments and meetings are to be checked by the police department for permits and to determine whether or not regulations are being followed. Permits for entertainments are to be obtained at least three or more days in advance.

No final plans for entertainment shall be made until the permit has been approved.

Jess Mason
Fire Protection officer

"Rosie" Matsui
Chief of Police

Marlin T. Kurtz
Director, Community Activities

Additional Employment Offers Received

Additional offers of employment have been added to the list now on file at the outside employment division, according to Susan Downer, placement officer. Residents interested in any of the following positions are urged to contact Mrs. Downer at 21-25:

- Four men workers. Preferably draft exempt. \$25 per week. Dr. Pepper Bottling Plant. Indianapolis, Ind.

Seek Fund for Hirabayashi Test Case

Church goers will contribute to the Gordon Hirabayashi Supreme Court Fund this Sunday, May 9. Hirabayashi is testing the constitutionality of the evacuation and his case will be tried by the Supreme Court of the United States in Washington D.C., beginning May 10.

Both youth and adult services of the Christian Community church are cooperating with the drives. The Catholics, Buddhists, and Seventh Day Adventists will also contribute.

Physicians to Certify Sick Leave Certificates

Absence from work in excess of three days because of illness requires a sick leave certificate obtained from a physician, John A. Nelson, senior administrative officer, declared in a statement issued today. The statement is as follows:

"Timekeeping instructions require that, in the case of absence from work in excess of three days, a sick leave certificate be obtained from a physician indicating that the worker was unable to work due to illness.

"Due to the shortage of physicians in the hospital, it is impossible that all sick calls be answered. Therefore, when a worker is too ill to report for work at the end of three days' period but not so ill as to require hospitalization, it is requested that the hospital be advised so that a record can be made of the illness, thereby enabling the physician to certify the sick leave certificate when the worker is able to report back to work."

Victory Garden Area To Be Cleared

Thirty volunteers are needed immediately by the agricultural department to clear sagebrush Sunday and Monday on 13 acres of land on the western end of the project area to be used for private victory gardens, Kamezo Hatchimonji, agricultural foreman, announced today.

As soon as the sagebrush has been cleared, the agricultural department will plow, level, make irrigation ditches and later parcel out units of land to those who wish to have their own victory gardens for growing vegetables.

Hatchimonji advised that residents buy flower seeds now available at the local stores and plant them by the barracks for beautification purposes but he urged that vegetables and melons be planted on the units to be provided by the administration. Soil in this area has been analyzed and found to be more adaptable to growing vegetables than soil around the barracks, Hatchimonji said. He also revealed that abundant water from the canal will be provided for victory gardens. Units of 20x20 or larger will be allotted to orch gardening enthusiasts, he added.

Residents willing to volunteer to clear sagebrush are urged to contact Frank M. Hirohata, chairman of block 12, immediately.

Hatchimonji also revealed that K. Kawano and J. Ino, local pioneer farmers who have contributed invaluable aid to the local agricultural department, have been secured to speak in the near future to residents interested in gardening and farming. Further information concerning their visit will be given through block managers, according to Hatchimonji.

Issue Special Grants, Clothing Allowances

Special grants as well as miscellaneous clothing allowance payments will be made today at the cashier's desk, according to Victor J. Ryan. Residents who have not called for their January and February clothing allowances are urged to do so immediately.

Dry Cleaning Service Accepts Clothes Again

Dry cleaning service at 24-25S will again accept clothes starting Monday, May 10. Center's dry cleaning service is maintained by Klindt's and Loo's both of Powell. The Klindt's offers a six-day service, while Leo's gives a four-day service but charged a slightly higher rate.

Discontinue Bookkeeping, Spanish, Shorthand-Typing Classes

Because of the shortage of teachers, night school bookkeeping, Spanish and shorthand -typing classes will be discontinued, Harold R. Bottrell, director of adult education, announced. Shorthand classes will be resumed as soon teachers are secured, and those who enrolled will be notified at that time.

Two WRA Policemen's Badges Lost

Two WRA six-point star policemen's badges, number 42 and 71, were reported lost. Any individual finding either badge is requested to return it to the police station at 21-26. Any unauthorized person found wearing the above badges will be subject to arrest.

Experienced Landscape Gardeners Wanted

With the project landscaping and beautification program getting under way soon, the agricultural department today issued a call for experienced gardeners. Those interested are asked to contact the agricultural department immediately.

Softball Managers Meet Monday

There will be an important meeting of all managers of the class C softball team Monday after school at community activities in block 16. All entries and rosters are to be presented at this meeting.

Entries for the Old Timers league are still being taken, it was announced by the athletic department.

Lack of Equipment holds Up Nursery School Opening

Lack of equipment is delaying the opening of nursery schools, according to Bernadine Schunk, curriculum adviser and director of pre-schools. As soon as the equipment ordered arrives, the parents of the children will be notified as to the opening of schools which will be located at 25-26 and 6-26.
