#### Help in Unloading Coal Asked

Help for a few days is seriously needed in the unloading of coal, John A. Nelson, senior administrative officer, announced.

Prior to the coal mine shutdown approximately 35 cars of coal were received within a period of two days, and the present coal crew is able to handle only one-seventh of this amount. In addition demurrage is accumulating, and in order to release the cars as rapidly as possible for movement in this critical period additional help is badly needed. Any residents who can help are requested to report to the employment division immediately.
