Wooden Barrels Needed for Pickling Vegetables

The harvesting of daikon and other pickling vegetables in the very near future necessitates the creation of a pickle industry. There are innumerable wooden barrels scattered over the entire project which could be utilized for the making of "takuan" and other "otsukamono". Therefore, all extraneous wooden barrels must be turned in immediately to the mess hall chefs of the respective blocks. Unless several hundred barrels are salvaged from the residential area it will be impossible to secure the amount of pickles desired.

7,000 Fewer Flies to Pester Residents

As of this morning Heart Mountain has 7,000 fewer flies to pester nappers, fall into food, buzz along the windows and breed new flies for next season. Dozens of little boys are going about swatting them down in Zootsuo's fly-killing drive and getting paid 10 cents in war stamps for every hundred dead flies brought in.

Zootsuo urges everyone to join the drive and exterminate the pests, and make a nice start toward filling a war savings stamp book at the same time. The Sentinel Trust has put up \$50 to be paid out in bounty for the flies.

General Information

The Rev. Ronald Lane Latimer, who arrived Sunday from Albany, N.Y., will deliver a lecture 7:30 p.m. tonight at the Heart Mountain Buddhist church, 17-25. A round table discussion will follow. The public is invited.

Former Tule Lake Boy Scouts are invited to join the local organization. Ed. Matsuda, director here, asked them to register with him at scout headquarters, 17-26-N. Volunteer leaders are also needed, according to Matsuda.

The executive board of the local Red Cross chapter will hold its regular monthly meeting 7:30 tonight at the USO lounge, 23-25, Victor Yamakawa, chairman, announced. All block representatives must be present.

Arrivals from Tule Lake who formerly taught elementary or pre-school grades are asked to contact Edward W. Teare, principal, at 25-7-B as soon as possible.

A mass meeting of camp fire girls will be held 6:30 p.m. Wednesday at 15-26-S, Janice Shirota, supervisor, announced.

First practice of an all-scout tumbling team will be held 7 p.m. tonight at the high school auditorium. Team members are to bring their own gym suits and tennis shoes.

Former Tule Lake residents were asked not to change apartments without first obtaining approval of the housing department.

Effective immediately, all private cars owned by evacuees returning from seasonal or short term leaves will be impounded at the gate for the duration of owners' stay here, Marc L. Campbell, chief of internal security, announced. The ruling also applies to visitors.

Paychecks for ex-Tuleans who came on the first train and who were employed September 1-20, will be distributed tomorrow morning at the cashier's desk in the administration building, James M. Grace, fiscal accountant, announced. Those calling for checks should present work orders or other identifications.

Sports Announcements

A football league is being contemplated for boys out of high school. Interested persons are to contact Tats-Aoki or Tosh Asano at the block 16 office.

Girls out of high school who desire to form volleyball and badminton leagues are asked to see Marian Mimaki, girls' athletic director, at the high school, or at the recreation office at block 16. The high school gym will be open on Tuesday and Thursday nights for the leagues.
