Eleven enlisted reservists from Heart Mountain who were called for active duty in the U. S. Army left for processing at Ft. Logan, Colo., Monday morning, it was announced by center draft officials. Those called were Pvt. Katsumi Arakawa, 15-1-A; Pvt. Takeo Fukuda, 15-17-B; Pvt. Yoneichi Fukui, 8-21-D; Pvt. Joe Hamashita, 27-9-A; Pvt. Takayoshi Kawahara, 22-11-B; Pvt. Okumura, 30-6-C; and Pvt. Akira Washio, 20-20-D.

As the three residents who were called previously for active duty, the group will report to the Infantry replacement training center, Camp Blanding, Fla.

To honor twenty-five inductees leaving for induction into the army at Ft. Logan, a farewell ceremony will be held 8:30 a.m. Thursday by the flag pole in front of the administration building. Victor Ryan, assistant project director, will make the main address while Saburo Nakashima, chairman of the community council will speak on behalf of the evacuees. Dave Yamakawa, assistant supervisor of community activities, will be chairman. Music will be furnished by the Boy Scout drum and bugle corps.

Eleven residents who failed to report for their pre-induction physical examinations were taken into custody by U. S. Marshalls Saturday afternoon, project officials said.

125 Residents Scheduled to Leave for Tule Lake Tomorrow

A group of 125 Heart Mountain residents are scheduled to leave tomorrow for the Tule Lake center as one of the final steps of the WRA's segregation program which was started last fall.

Since there will be no central meeting place, Virgil Payne, social welfare director, asked friends to say their farewell at the residence of those departing to avoid unnecessary confusion at entrainment time.

Only Servicemen and Inductees to be Admitted to USO Socials

Only inductees who present their guest cards at the door will be admitted to the USO Wednesday evening socials, according to Kay Kushino, senior hostess chairman. Visiting inductees who have not yet received their guest cards will be admitted upon presentation of certificates of fitness. Those who have not yet applied for cards should contact Alice Oshiro, USO secretary, or Miss Hirashiki, supervisor. This ruling does not apply to servicemen on furlough who are always welcome.

Services Available for Aliens

E. R. Ducker, inspector for the Immigration and Naturalization Service from Denver, will be at the Guest office in the Sentinel Building all week to take applications for alien registration, reissue registration cards that have been lost, clarify status of aliens, and to answer any questions which the residents may have, it was announced.

Opportunity for two girls, a boy and a girl, or a couple to work in Lochland school in Geneva, N. Y. is available, according to Virginia Lynn, vocational counselor. The school is for retarded or maladjusted children. Educational opportunity is obtainable at a nearby college if persons want to work part-time. Further information concerning the school may be obtained from Natalie Perry, 7-16-A, who has taught there.

Residents were cautioned by Glenn B. Rumley, fire protection officer, not to use the garden hose placed in the laundry rooms for wetting down ball diamonds or for irrigating victory gardens. The hose have been put in the laundry rooms for use in case of fire only, Rumley said.

Second tick shots will be given to intermediate and senior Girl Scouts 8 a.m. Thursday at the main entrance of the hospital.

Both theaters will be open this week and movies will be shown as per schedule, Ed Morihiro, technical department supervisor, announced.
