Near Crisis Averted As Coal Reported on the Way

The near crisis in the coal situation has been averted and according to information received, there is sufficient coal on the way to permit the development of some reserve stock, Lundgren T. Main, supply section head, announced.

If deliveries are slower than anticipated during the weekends, it is requested that residents cooperate in sharing the coal on hand as there will be enough to meet all requirements, Main said.

Basin Bobcats Will Invade Heart Mountain Friday

The fast and powerful Basin Bobcats will play the Heart Mountain Eagles in a basketball game 8 p.m. Friday in the high school gym. According to J. K.
