

Miss Molly Wilson
3039 Boulder St.
Los Angeles, 32
California

November 27, 1943

Dear Molly,

Close your eyes +
guess who this is!
? ? ? ? ? ? ?

Well, I guess you recog-
nize this sloppy hand
writin' so gettin' down
to brass tacks - here

Oh is - chize! I'm
really sorry that I held
up the answering line
so long but - I guess
you've heard all the
dibbie & excuses, huh?

Oh, well, I better confess
& say - that my delay
was purely business!
Yep, slow-motion

Chiya is it hitched onto
me, for nothin' I guess.
How ya all feelin'?
Hope in the best of health
& spirits. As for me
here, couldn't be found in
better condition!

How's things with ya? Man,
camp life is really kick-
butt, see how I'm enjoying
it! It's so stale, in
other words! Goin' to
college now? School's keepin'
me busy as —

Man, is it torture!
My sr. sweater is finally
here, I heard, & it's about
time! It's navy-blue

(2)

x on the emblem has
my name on it. Not
bad, what - say? Gee,
I hope it's worth it.
Tell me about your
college life!

The club I'm in,
here in camp, is going
to give a social Dec. 11
a man — is it going
to be a flop. Wow!!
I don't want to go because
I know how it'll be but
as long as I'm a member,
I figure I better go!
The refreshment were
going to have potato
chips, deviled - egged sand-

wiches, jello & Cocoa
with marshmallows 'cuz
it's so cold at night
here. Imagine ~~the~~ ^{cocoa} ~~(hot)~~
~~the~~ ^{jello} ~~(cold)~~! Man do they
go together! Boy, I predict
that it's going to be a
fail - sure! Deen!

Boy, the Spanish
teacher here at school
is some nut. He's
from New York & man,
what a jerk! He looks
like a Greek or an Armenian
& gads, what a man!
Every Wednesday night
there's folk-dancing &
he always go! Boy,

(3)

I go — but not
to dance! Yep — I
go to see him dance
wound a man, if
you want a good
laugh, you had it
there! Really, he's
the "It"! And his
nose is like a Jew's
at a profile! Boy,
but ain't he cute?
No!

Finally got my
pictures from the
Gphoto studio which I
am enclosing over!
It's shot, shot, shot,
but can I help it!

if my face is so (censored!)
just the idea of it is (censored)
but you understand,
Ah's hope!

Well, I'll close
here until I hear
from you again
so long & don't
study too hard

Always,
Chiyeko

P.S. Hello to everyone!

P.P.S. My best regards to your
mom & dad

P.P.P.S - Bowl Boris & Mary
out for me! Haven't
heard from 'em so
long - wonder if they've
forgotten me! Chiyeko
