Near Moley,

Am on my way
to Trinidad, Colorado,
by train. Passed thru
Nevada yesterday. In
Utah now. For hours
we have passed
through miles and
miles of dry barren
land ~~with spots of~~
spotted with sage
brushes. This long
stretch of land is
blended against
rolling mountains.
Enjoying the train
ride very much. Food
is super! Ah! Ah!
Looks as if we come to
a town. Doing to let a
stretch now for the first time.
