HEART MOUNTAIN, WYOMING

Dear Mollie:

I'm really sorry I did not write sooner. You see I've been working outside of camp, in Powell, Wyo. 24 hrs around 11 miles from Heart Mt.

I worked as a domestic helper. There were three in the family. Their names were. Mrs. Nelson, Mrs. Nelson and son, Dickie, He'll be 3 yrs. old in Christmas. I cleaned house in the morning washed, kishes every meal.

There's quite a few Japanese boys out there, so we all get together and have a jim picnic, or go to show and other things. I've worked

out there, for 5 months,
but now I'm back in camp.

My sister (Chiyoko)'s out side
in Kansas City, mission working
too. She's only been out 2
months now, but she's
planning to stay out for
ever. She's very happy there.

Bob, Mollie I quit
school. And here you are
graduated already. Did you
have sweaters and rings,
pins? I haven't got any
graduation pictures or
programs, but I'll send
you picture later on. Tell
any news out there? I am
working at the Property Control
Office now. Tell I guess I'll
close as I am very busy.

Let I hear from you

Ever
Miyu
