Dear Mollie,

Thank you so much for the stationery. It really comes in handy since my correspondence list has doubled since leaving L.A.

I'm still working at Bertiz. Will quit at the end of the month and head Wright in February.

Had a swell Xmas vacation. What about you? Went to a dance on Xmas Eve, to the Ice Revue with Bonnie Henis on Xmas night, and to another dance on New Year's eve. Came home at 4:30 A.M. on ~~the~~ New Year's day. I'm planning to go bowling this Saturday.

Had some kids over the few days before Xmas. Kids from B.A. were Jim and Yoshigai, Violet Batts, and Bud Mordike. I met gangs of former Rooseveltians at the dance.

By the way, Bunchi Fujika is now in New York, Blue Boo is in Fort Snelling, Minn.; Tate is in Blanding, Fla. (I think), and Joe Takahashi is now in Hawaii. He's an M.P.

Space is small so I'll plant you now and dig you later. Love, Baudie
