Dear Molly,

Hi! Hope this letter finds you all in the best of health! Seemed as if they're (I.R.A.) going to start relocating the Japanese back to California. I don't think many will go back though. Most of the Nisei's are sick of the state of California, and are planning to stay out in the midwest and east permanently.

These people out in the east are really swell. The Japanese people have really scattered throughout the United States.

Some of the kids you used to know and where they are.

Nancy Karakawa - Chicago, Ill.
Mary Murakami - St. Paul, Minn.
Seichi Fujioka - " " "
Pfc. Joe Takahashi - Camp Savage, Minn.
Albert Ito - St. Paul, Minn.
Natsuyo Oka - Cincinnati, Ohio
Jete Kojima - Philadelphia, Penn.
(I think)

Juno Ozawa - Philadelphia or Cincinnati
 Michiko Igasaki - Chicago, Ill.
 Michio Nagao - Garland, Utah
 Yoneko Tachiro - New York City (I think)
 Juno Yoshizai - Chicago, Ill.
 Violet Hairo - " "
 Chiyoko Imamura - Missouri
 Shizuko Sakamoto - Pennsylvania
 Temple Univ.

That's all I can think of now.

I'm now attending the Y.M.C.A. College, School of Music. Staying with my dad now and keeping house for him. My mom and sis are still in Canada.

The Roosevelt kids really went to town in school politics back in camp. Ito Kojima was A.B. Presy, Kaich Kusada Senior class presy (is in Chicago), Edith Pitkin A.B. Vice Presy, Ikuo Nishida A.B. Sec., Kazuko Masuda Senior class vice presy (I think). How Molly, did you run for anything back in Roosevelt? If you didn't, you sure will disappoint me cuz I thought for sure you'd be elected in anything you'd endeavor to ~~do~~ be.

As for me, I managed to be elected to couple offices - Sec. Junior class, Vice presy Senior class, Pres. Y.A.A. Business manager High School Co-op. Well, "enuff" for today. Love
