

Miss Mollie Wilson. —

BIRTHDAY *Remembrance*

Dearest Mollie -
 Thanks loads for
 the swell stationery. It was
 really grand to know that you
 thought of me on Christmas. Thanks!
 I guess the west coast has been
 going back. I don't think I'll
 go to S.A. until the
 end of this year. Planning to
 go to college in February.
 Had a great time at my house
 with the boys. Guess Mollie, June
 enter tonight. I'll be there at my house
 just before Xmas. Guess Mollie, June
 who were over were Susie, Mollie, and
 Yoshigai, and Violet Saito.
 Don't study too hard.
 S.S.

It's a pleasure to remember
 And a pleasure to express
 The good wish
 that life may give you
 Many years of happiness!
