Dear Mally—

Sure was glad to hear
from you— I didn't know
you graduated, how come?
Look who's talking— I

graduated 2 days ago too.
Dad, but everything turned
out swell out here too. We
were lucky enough to get caps
& gowns. The whole camp
was invited ^{to} the first commencement
exercise. All in all it was swell.

I sure want a picture of
you. Send me at least a
snap what do you? I've got
2 rolls of film & as soon
as I have somebody to snap
in if I may send you one.

I bet you graduated with
honors ha. Let me know more
about it. Dad was here we didn't
even have C.S.P. Just 6 PTA honors.

Congrats
on your
graduation

Love, Mom

Regards from all
