Dear Mully:

We finally got to Wyoming. We left Poncha, Aug. 21 and reached Aug. 24. My first ride on the train, and it was swell. Good food. Chicken, turkey, ice cream every night (dinner or supper time) oh it was good with a capital "G."

Wyoming is O.K. but its windy here in a while and it thunders and lightning when its not even raining. The weather's queer. This place is ~~long~~ big.

I heard some from  
Santa Anita was coming.

Gee I hope Sandra  
comes, but not Keniko.

I think Hollywood,  
San Jose, and the Third  
Church bunch are

coming. I saw Haruko  
Nagahiro, but every  
time I see her she  
with her beau so I  
don't want to bother  
her, but next time

I see her alone I'll  
tell her you said to  
write to her. I

always see her sister  
Chiyo. How did you  
like your vacation at

San Francisco. Gee I miss  
is the Beach. Also the  
kids I used to go
