Dear Mollie,

Thank you very much for sending me the "Rough Rider". I hope it isn't going to be any trouble. I promise you I'll make it up to you some day.

How is everything coming along. From what I read in Rough Rider a great deal of things are going on. Just reading the Rough Rider made me home sick. Reading about the seniors getting their Senior sweaters. I sure wish I can get one. You both know how much

How it feels to reading about
it, if it wasn't for this war
I would be there and
having a lot of fun. The fun
we all wait for. Our graduation
is sure going to be sad. And
I do mean Sad. Just think
you a Senior "B" I know
what your saying "At last"
After I graduate I'm going
back to school and take
Post Graduate and take
Shorthand.

Today were having a little
^{storm} dust I mean a ~~lot~~ lot of dust
Its really terrible we cant
even see the next barrel. Its
been blowing all day.

You must be busier now
a days. Do you still work?
It must be very confusing
with all the rationing books
I'm sure I'll never know
how you figure out all the
points.

Oh, yeah! ~~say~~ speaking of
dust it's been blowing all
week.

Well I guess you can see
by my writing that I'm
getting sleepy so I'll say
Good by and thank you.

Sincerely Yours,
Viola Fritz
