Dear Mollie, (^{fler}shenny)

Received your letter

in Colorado. You sent the letter
to Santa Anita and it was
forwarded to me in Colorado.

You asked if life is slow
around here. Slow aint the
word, it doesn't even move.

I guess I don't have to
tell you anything about the
camp, because Sandie will
do that, I'm sure.

It sure feels good to
hear news from good ol
Roosevelt Hi. Please write
often. Did Mr. Ramsey
retire? What happen to

Miss Blake, did she go for
a "Honey moon" ??? You mean
you have a new Principle?
Who is he. Mr. Blair was swell.
Where did he go? Now you
have to write me another letter
to answer all these questions.

Well, school starts Monday.
They have a crazy system, "no
lie". Everything is on the
one year bases. No A or B just
one full year. If you're in the
A" they put you up, if you're in
the B" you stay in the same
grade, so now I'm in the B".
Good ne?

Well I guess I better close
now, so until I hear from you
I remain —

Sincerely your friend
Diolt. (fetter)
