Dear Mollie,

Thank you ever so much for sending the Rough Rider to me you don't know much I appreciate it. Reading it make me sort of home sick. Remember that picture of the cafeteria? I saw some faces that I know. It sure felt good to see them. Hope you received the stamp I send you in my last letter.

do you hear from Sandie? I don't see her very often. Just in school.

congratulations! I read
 in the Rough Rider that
 you're going to be a C.F.S.
 Are you a Senior A or B?
 I thought that only Senior
 A's were honored. Are
 you keeping something from
 me? Don't keep me in the
 dark, now. You don't know
 how surprised I was.

How are the Senior
 sweaters? I sure wish
 I had one. Man is our
 graduation going to be sad.
 I guess I told you this
 before so no use boring
 you again. R.A.F. Blue
 seems to be a very

popular color.

Mollie, my 2 please
ask you to do another
favor for me? I am sending
you ^{25¢} for that senior pictorial
edition. and also 6¢ for
for the next four edition
of the Rough Rider. I thank
you very much. and also
10¢ for postage for the Br. Ed.

Well, Well, the gong is
ringing for us to go eat and
buy am 2 hungry. You
know me. ????

Best of luck to you.

Sincerely yours,
Viola Brito
