Dear Mollie,

See. thanks for  
everything you've done  
for me. I really  
appreciate it very much.  
You must be pretty busy  
~~down~~ now days with  
the end of school coming.

We're getting out of  
school on June 24<sup>th</sup>  
rather than when graduation  
is going to be held. The  
last day is the 25<sup>th</sup>. Yes  
we're going to graduate.  
There are 170 graduates  
with two more girls  
than boys. It's pretty even.

that meeting way?

I am enclosing  
some stamps. I owe you  
4 1/2 cents so I'm sending  
them to you now.

Well I guess I better  
close now cause it  
almost time to go eat.

I'm pretty hungry. I  
didn't eat breakfast or  
lunch. It wasn't worth  
eating. We I better say  
good-bye -

Good bye

Sincerely your friend,  
Walter Davis
