I'll, at the very least, get to go with some of my friends! (With me luck ne?) Did you know that the people in Manzanar and Tula Lake are to be relocated again in another state inland? (Possibly Arizona!) Before I forget; I "think" the last group (me) is going to be moved between October 17th-20th! It may be changed to a sooner date, because of the horse race!

Mrs. Clarkson, Mrs. E. Hansen, and Miss Tetter visited a few of us about two times! Gee, we were so excited! It was good to see them again!

Mr. & Mrs. Bailey and their family came too! Gosh, you can't imagine how we felt! It was really swell! Our whole family went to the visiting house to see them! Ray, can't you and Joyce get together and visit us one of these days? Sandie, Violet, and Lay and I would like to see you and the others once again while confined in this camp!

I'd better be closing now! Write, won't you?
Please send my regards to the family and Doris R.!

Love,

June Yoshigai
