Dearest Mollie:

This is to let you know that I think of you all the time, even though I don't write. I haven't written for a long time because I made up my mind that I wasn't writing till I made you something (nothing at all) to show my appreciation for all you've done for me & for all the fun we had together back home. I sure miss you & wish I could see you again. Did you know Sandie is in Chicago, Illinois? My father is there too. Until later, so long. Always, Suddall
