Dear Mrs. Whitney,  
your letter which was mailed on  
Jan. 9<sup>th</sup> just reached Poston today.  
I wonder what delayed it? Generally  
your letters mailed on Sat. reach  
here, & are delivered on Monday -  
but it seems as if mail travels  
slowly now - a - day. The main  
thing is, I got it - Any way.

I also received the book you  
sent. As soon as I read it - &  
let Alma or Jimmie read it, I shall  
mail it back to you. It may be  
for a few weeks yet, well that be  
all right? It should prove interesting,  
I know.

There is much I should like to  
write you about, but I still have  
a book to read to night (for  
pre-school training oral report)  
and much as I do hate doing it

I think I had better - n. die!  
My regards to Mr Whitney - please.  
With love.

Hemiko

Dad was certainly pleased when I  
told him what you thought  
about the vase. He was rather  
proud of it. too!
