Dear Mrs. Whitney -

This afternoon Laurie & I had our first lesson with Father Clement - a lesson which lasted almost 2½ hours - Catechism & personal experiences the chief topic of conversation. Now with something definite on hand to go by, we should get along nicely.

I am supposed to tell you - Father Clement received your letter of Jan. 8th - (yesterday Jan. 23). The letter was forwarded to Gila (as it was the week he was there) - to Father Clement to receive it, so it was sent back to Poston. In the meantime, Father has gone to L.A. & got back last week end to find your much traveled letter. He was very much pleased & happy to have heard from you. Father Clement said as soon as he had time, he would acknowledge your letter. I was always under the impression Father stayed in Camp nights, however, it is only on Sat-Sunday & Monday nights at the present time. This accounts for his absence when we called on him during the week. The Watsons met him for the first time - & were deeply impressed by his friendliness & frankness. They liked

him too.

How is Mr. Whitney? I hope he is better
& is able to be repr about. I also hope
= you are not swamped with work.

J I had intended to write another "manuscript
to night - however, we had company all
after noon, & it is already past midnight.
Any way - I think I had better prepare
you for the ordeal of reading another
long letter to come.

Please give my regards to Mr. Whitney
& to George & Braddo.

With love -

Therese.

Did you make an all red dress - or is
it print? I have been wondering?
