Dear Mr. ^{and} Mrs. Whitney,

362

This letter should have been written long ago to thank you for all you have done for us. I have always been very much aware and grateful for everything. I am afraid the words - 'thank you' won't convey my feelings and thoughts but I can't find the words to express myself. I pray that one day we will prove ourselves truly worthy of all the wonderful things you have done for each one of us.

I hear from Fumiko and Louise all that you write them. I rejoice and feel sorry and sad, depending what you have to say. Whenever you don't

write for a week we all
worry for your letters do mean
a lot to us - more than you
could guess.

I believe you will hear
what news there is from
Louise and Fumiko but I
wanted to write this short
note to thank you both from
the bottom of my heart.

I pray the New Year will
be kinder to The World. -
Especially am I wishing The
Whitneys - A very Happy New Year!

Lovingly,
Theynise
