8:00 The morning was spent in finishing up the dirt pile with 2 old fellows, myself using pick. The dame said he did not have much sleep last night as his son, 31, was "down town drunk, going after him twice. The son, he said, was in jail twice before and had to pay $10 each time to bring him home. When this son was 4 years old he got kicked by a horse in the head. Mother died in 1937 and, the old man said sadly, "I ain't not work for 5 years since".

The ordination of Edward Everett Hellwood of Vernal, Utah to the Diaconate took place at 11 o'clock service. His father, wearing a morning suit, was the happiest man in the crowd.

Slipped out when Holy Communion Service began to take place.

Lunch at Lincoln Cafe. Sasaki San was same as usual. Met Akutagawa San from Idaho, The father of Dan.

Mr & Mrs Tobari were glad to see me when I called.

Suzanne Miyoshi was glad to see me when I went to see him at Student Dormitory of the Japanese Christian Church. Rev. & Mrs Ota joined us.

"Building for Peace" was subject of discussion at the St. Paul's. Dr. Wilson was the guest speaker and chairman. Ade. seat were taken before I went but Miss. Pierce, who I remembered meeting at the Ogden Japanese Union church at Christmas festival, Secretary of Salt Lake City Y. W. C. A. stood up and left.

Dr. Wilson's discussion was very clear cut and concise and many participated in it. Rev. Argyle was one of the best qualified participants.

10:30 Bee Hospital, injured by an automobile.
11:00 There was no hope of her recovery, he
11:30 said. He said also that it was her own
12:00 fault. And it came to pass that way by

1:00 make money, forgetting her place in the
1:30 house.
2:00 Sonae San bought for me a tenderloin.
2:30 And instead of using my money as the
3:00 standard Examiner he said the house

WEDNESDAY

To DAY is the Birthday of Eiko's 2nd visit

8:00 worked with Nils, fixed on the
8:30 burning and motor base. Kanigaki
9:00 San helped bent bricks and Takamatz
9:30 San mixed and cement mixture.
10:00 Laying motor base and heaping stand
10:30 the used cement mixture and
11:00 they surely worked fast. "brick,
11:30 cement, water," kept us, especially
12:00 myself, busy.
12:30 I am pleased at Eiko that Eiko
1:00 was in town. 6:30 they came down
1:30 and took them to Kitamura where
2:00 we had Chowmin and Chops Suey.
2:30 Except her eyes Eiko is not good
3:00 looking but quite charming nature
3:30 and seems to be intelligent.
4:00 Dr. Yoshida's office was not
4:30 locked when we dropped in at
5:00 about 8:10 p.m. Welcome San
5:30 of Tuyo gave me Keyes to the
6:00 office & post office box this
6:30 evening. He says he got them
7:00 This morning, instead of yesterday
7:30 as Ogata San said.

8:00 Worked with Nils all day. Fred.
8:30 Kanigaki Takamasa helped us part of the
9:00 time. Construction of New Organ has
9:30 rapidly progressed last few days. Pouring
10:00 of concrete has certainly been fast and
10:30 in a day or two it will be completed.
11:00 Prepared Federal & State Income
11:30 tax Returns this evening. What Reiko
12:00 received from Minami at the time of
12:30 evacuation made it necessary to file
1:00 it to the Federal Government, and when
1:30 made on annual basis it is in the
2:00 order to file it with the State as well.
2:30 In both case, no payment is to be made.
3:00 Reiko's letter 3/8. that Mina
3:30 San stays until 3/11, extension of this
4:00 leave having been granted, he called
4:30 on us again and again, took Nancy

Mrs Iwamoto phoned as to her income tax return. She said she'd come over tomorrow evening.

Attorney Welson replying to my phone call said Dr. Yoshitake might as well file the income tax returns, that the board must have sent to Washington a new request for his release.

of formerly Selma, Calif, on Way back to Gila Relocation Center at Rivers, Camp No. 1.

After checking up all bus companies we found none would go in the direction of Rivers until 11 p.m. Tried to get Taxi cab to take us out but they would not go out of 10 mile. Wired 72-9-c about This. Had chop suey dinner, a Chinese place where white girls were waiting. I paid for all amounting around $3.

11 p.m bus came in with all seats Taken. An old semi type bus was brought it was filled with soldier boys immediately. 5 Indians and 3 of us were also part of the load. Left Phoenix at about 12, arriving at Sacaton at about 1:30 A.m.

It was a sight from the windows of the bus to see the 2 brilliantly illuminated centers in the distance.

DAY is the Birthday of 2nd day of work

0 With Tonagi San went to work.
0 wrists were a bit stiff last night
0 but as soon as I started to work I
0 forgot all about it. Hori is sure a
0 fast and conscientious worker, James
0 Jr. and Bob take it easy. Bricks
0 come down on a belt and if one
0 is end of the line he has an
0 easy time as the most of them are
0 picked up by others along the line.
0 And on two or three occasions I
0 took refuge there as my wrists
0 began to feel the hard work in
0 my attempt to keep pace with Hori.
0 60 pallets finished at 9:45.
0 While waiting others working in
0 kiln Mr. Perry came and asked
0 for help in loading truck. So helped
0 just about 1 hour to 5 p.m. Then
0 washed up and rested. Tonagi San
0 came at 5:30 and we were off
0 for home.
0 Supper and bath in the wash
0 tub like yesterday.

Dinner at Mukai's with Mitsugu and Ray as the honor guests and our family as their friends. Salads, Chap Suey, Chow-mein, Gohan, and pickled radishes with ice cream as desert. It was a very nice dinner, indeed and such a volume! Boys counted 13 months since they engaged something like that before they evacuated to Tulare assembly center. Jordan had rush all over his body when we returned home, and very itching he said. Applying alcohol on him I reminded him that he might never be able to make a living as a common laborer or even as any kind of manual worker as this rush would be on him as soon as he started to do any work. To be able to make a living without suffering this malady he has to be a white collar worker and would be better still if he could be a doctor like his brother.

8:00 The mixture which we were
8:30 afraid that it would not stand
9:00 up gradually got better and
9:30 stiffer and at 3:10. Of course
10:00 some of them pulverized in our
10:30 hands but generally came out all
11:00 right, although automatic aperture
11:30 had a hard time to take pants
12:00 over to the yard, many buttons fall-
12:30 ing off so easily. Finally Bonnie
1:00 quit. The operator's job and Dean
1:30 too. it over. Bonnie backed
2:00 with us, in the place of that lazy
2:30 guy who was put in shoveling
3:00 dirt in the bin.
3:30 Amy came home around 5 p.m.
4:00 and we bathed and supper. The
4:30 7 trouts from Iwamotos were
5:00 sure tasted nice.
5:30 Mrs Akanabe of the Togo
6:00 when ma and I were over to
6:30 get laundry served us a nice
7:00 watermelon.
7:30 Jordan's letter 7/29 arrived

8:00 Hasking progressed smoothly till
8:30 we had 50 parrots done at 2:15
9:00 when the dist machine began to slow
9:30 up, resulting in multiple cutting. Eg.
10:00 the mechanism threw in some oil first
10:30 then some dry ashes, but it wouldn't
11:00 run at usual speed. We worked ½
11:30 hour in the morning cleaning up and
12:00 if we had completed a shift of 60 parrots
12:30 by 3:30, we would have 8 hours hasking
1:00 plus ½ hour over time. But we had
1:30 to stand around until 4:30 with only
2:00 8 hours to our credit. Mr. Perry
2:30 took us to town in his car with
3:00 bookkeeper Cragun and his wife.
3:30 Amy came home 9:30 pm from

To DAY is the Birthday of _____

8:00 Tom dropped in in the evening

9:00 him fully the text of my letter
9:30 to Nishikawashis Eitsuch, according
10:00 to him, they took as of very
10:30 insulting nature. He said Eiko
11:00 proposed to call the wedding off
11:30 and started to return the engagement
12:00 ring. So he agreed to call it off
12:30 but made her keep the ring. He

1:30 on this account, she being the
2:00 best girl he came across so far.
2:30 Ma started to talk emotionally.
3:00 Of course what she says are true.

4:00 her advice in matter of choosing
4:30 his girl friend. He acted very
5:00 nice, like a man of reason
5:30 despite a pain in his heart.

8:00 Bob Bertress did not come

9:00 place. Started shift out at 3:10
9:30 and came home in the Idaho

10:30 Letter to Matsuoka explaining the
11:00 cancellation of the wedding.
11:30 Started to write for others but
12:00 felt worn and tired and went
12:30 to bed at 10 after taking a nap
1:00 on the davenport for an hour.
1:30 Jordan starts talking about
2:00 starting a soda fountain in here
2:30 as a place for Japanese boys
3:00 to hang out. He says he
3:30 would wear white cap and coat.
4:00 I thought Chap over better. If
4:30 he is unable to get in some
5:00 school he would go into business
5:30 in that line. It might be
6:00 best for all concerned! But
6:30 we must think it over carefully.

Dirt mixing and pusher machine broke down at 9 a.m. Jordan & Mitsuye were put to loading bricks in truck from kiln but they got sick of it on account of dust. and finally decided to go home with Itoi & Kawaguchi when they made a slight in thinking at 2:10 p.m. Nels, though both made good excuse of dental and registration at High School, knew that the two did not like the job.

I did some cleaning out work later uncovering pavers.

Tom has been in Salt Lake City and dropped in in the evening just when we were at Supper. He joined us. He had a nice long chat with the Bishop of Utah. As to the doctors bag he said he would write to his friends in S.F at Lane Hospital.

Amy received a letter from Bishop Moulton regarding a Mrs Bray who is said to have her baby with her.

FRIDAY

To DAY is the Birthday of Bishop Reifsnider in Salt Lake

8:00

This is the day Tom was to be married! He is in Salt Lake today. I have not heard from him where Nishibayashis are now. He must be going around with a heavy heart. Poor fellow! A victim of circumstances.

Hacking proceeded wonderfully well to noon when we had 42 pulls done, due to change in size of pulley to take care more dirt coming out of the machine on account of new pail put in. But when they started to dump dirt a trouble started. One hour wasted and we got through 60 at 3:25 p.m. No ride till 4 when Smith's dump wagon picked us three a short distance from the brick yard. Home at 4:30

Bathed and ate hurriedly and took 5:30 p.m. Bamberger for S. L.

Bishop Reifsnider in Room 321 Utah Hotel was in good health. His first question was, "What time supposed to Tom's wedding?" Received his note

"We are shaped and fashioned by what we love"—GOETHE

9/11 Monday morning.

Mrs Brey is very nice, Amy says, coming from Richmond, Va, and knows Patton family, although not intimately. Amy will have to sleep in the basement if she goes there. It is not finished as yet. As Bishop Moulton has some other people Amy has not decided what to do. Brays have 2 daughters, 13 & 11.

Tom returned home with Amy and after supper he started to talk about Nishibayashis but was interrupted when Jim Oka came in with some presents from Miyoshis Susumu brought back from Gila.

Letter from Matsuoka expressed sympathy for Tom;

9/12 at the time of her departure. He spoke of Eiko as the best girl he has come across so far. and said if he get a job in Eastern States he might be united with Eiko in marriage. I told him that's what we hope to avoid. She has forsaken him in favor of her parents who got offended taking my letter as insulting. There seemed no sincerity on their part at all. Expected them to come to me by the 10th to

2:30 Mrs Moyes, when I called was
3:00 glad to have me come in. She said
3:30 the real reason for wanting to leave
4:00 the place was that her husband drinks

9/16 Re: Nakajo San

Kawaguchi San asked me about my meeting with two Bishops in Salt Lake city last Friday. I explained it to him fully, and also told him that from the cards I had received from Father Nakajo and Tsujimoto San the Reverend seems still determined to go to school. Kawaguchi San thought it very funny; if that was the case why did he ask us to do things for him, he has begged us to help him establish a mission in Clearfield. Now he wants to go to school, very funny indeed, he said.

No tracking today. Jordan got on a second tracking crew and came home early (4 P.M.) but Mitsugu and I puttied around there till 4:30

Amy came home 6 p.m. She seems to enjoy her classes.

Mrs Noyes had to talk it over with her husband who was still drunk when we went over to the house across from Lincoln House. He insisted on $15.00 down payment. Left them asking her to talk to him when he is feeling better and have him write it down in black and white all the terms he has in mind.

Roy Matsumoto bought a sack of onion, box of tomato etc today. Certainly appreciates.

Jordan and Mitsugu took some green peppers, fresh tomatoes etc to Argyles. Rev. A happens to be in San Francisco attending Western conference of the Episcopal Church, so do to arrive on Saturday.

SATURDAY

[illegible] is the Birthday of Ray lost his job

Nels, evidently instructed by Mr. Perry told me to go upstairs and spend the day with Pat Beasely. To learn the "tempering of mud". It was an easy job, although at one time it was dusty for about ½ hour.

Ray lost his job together with 4 other boys at The Keeley's. The head waitress seems to have been tough to the boys calling them "Japs" and instructing waitresses not to talk to them. The boys took it up with the manager to discharge her or them. He took the side of the woman who had been with him for 5 years. So the boys quit.

Iwahoshi's invited all of us to dinner in the evening which Mama and Amy have been there all afternoon making some peach preserves. Mitsuye ate 6 biscuits as I finished equal number of corn bread pieces. Wrote a letter to Hideo in New York.

Y is the Birthday of _____

No hacking today. No school boys
een around today as the schools
pened today.

All men were put to take bricks
ut of tunnel, and I to clean mine
nd yards. Gave heck to Nels in the
fternoon as he raised too much
dust and would have me do the same
by carelessly shoveling dust while
boys piling bricks on their wheel-
barrows.

Dr. Yoshitaka sent us 19 salted and
dried trout from N. Missoula, Montana.

Rev. Argyle gets tomatoes from
Iwamoto's, Mr. Tsuya went with him in
his car taking Ruth overcoat and 5
Dr. Yoshitaka's dried trout.

Mr. Mayes was sober today and yet
he wanted to make things tough on me
from his hanker-habit, which is I told
him was so much like Jewish. Mrs
Mayes corrected it by saying that we had
already agreed on many subjects or points
Thursday evening get together again and
make tentative draft of agreement.

Bishop's house is not so bad, room very wide at partitions not completed. Mrs Bray expressed regret that there were only 2 bedrooms in the house.

Bishop & Mrs Hamilton returned at about 9:30, we waited for him on the porch some 40 minutes. Bishop's daughter came home with Rev. Haywood, whose ordination to deacon took place during the Convention last February.

Bishop's final words was to wait for his return from the annual Convention toward the end of October. Its not wise to have Mrs Nakajo come down here while her husband is at school. Bishop doubted if Nakajo San really could go to the school. Tsuji moto San said he left some money with him and are now speaking to a few men for his travelling exp.

THURSDAY

DAY is the Birthday of Rev. Tsukamoto arrives

Did not go to the brickyard and stayed home with Yoshi San.

Rev. Tsukamoto of Topaz arrived at 8 p.m by U.P.; met him at the depot with Yoshi San.

Sukiyaki was enjoyed by everyone.

Rev. Argyle was busy at the church office with two girls mailing his acknowledgement of signed pledges to attend one of the six consecutive Holy Communion services beginning Oct 3. He showed me a resolution of the Veterans of Foreign Wars advocating putting of all Japanese, Regardless of 1st or 2nd generation, into concentration camps.

Jordan called up from S.L.C. that he and Jim Yoshioka had to come back there from Provo due to inability of finding a place to stay despite the kind assistance of a Mormon Bishop Taylor. Told him to go to Rev. Ota whom I will telephone to assist him

Letter to Mr. Mackay about Norman

To DAY is the Birthday of Jordan comes home.

8:00 Rev. Tsukamoto and I called
8:30 on Rev. Argyle at the Good Shepherd
9:00 church at 9:45 a.m. The latter took
9:30 us to the U.P. depot in his car.
10:00 Rev. Tsukamoto left by 10:10 a.m
10:30 train for Salt Lake City.
11:00 Mr & Mrs M. Matsumoto and their
11:30 son Roy came to see Yoshimatsu San.
12:00 Lunch at our home together. Then
12:30 Yoshimatsu San, Ma and I accompa-
1:00 nied them to their home looking over
1:30 the different crops on the way. Called
2:00 on Yoneji, Shimaji, Shimada Sans.
2:30 Arasaka, Saito were absent. Roy
3:00 took us home with his father after
3:30 supper at their home.
4:00 Jordan was home. 8 a.m. I phoned
4:30 Rev. Ota, Salt Lake City to assist him
5:00 register at the Westminster Junior
5:30 College. The school seems to be very
6:00 expensive, $250 per semester, but
6:30 would knock off ½ and make it
7:00 $125 if he does some work. But
7:30 curriculum does not seem to appeal, as

there is no Physics.

1:00 good for him as its standing seems
1:30 to be rather low, that he should

Mr. Moyes was still in bed and asked me to see him at 2 p.m. He did not have his papers ready yet when I called on him again at 2. so went up together to attorney Snedden's office in Eccles Bldg. Room 202. Moyes gave him the papers on which I had some terms written: Moyes was asked to furnish him with the description of property and he agreed to bring it in the morning.

8:00 Finished laying bricks on the
8:30 floor of the shed for coal, then
9:00 put in a post and side boards
9:30 along the posts (4) 2x8. Had to
10:00 straighten old nails and I had
10:30 rather a soft time. Quit at 2
11:00 due to incessant rainstorm. 3
11:30 colored boys quit at about 1:30.
12:00 Attorney Snidow suggested I
12:30 go over to the City Recorder's office

3:30 without a counter need not have
4:00 license. Only places where guests
4:30 sleep by the day, by the week or

5:30 Everything in the lease and the sales
6:00 agreement seemed OK, so gave
6:30 Amy's $150 check for ½ down
7:00 payment on the furniture and $100
7:30 check for rent of November, 1943.

To DAY is the Birthday of Frost, severe.

Left by 10 A.M. Bamberger for Salt Lake arriving there @ 11:30

W.R.A. Office at Atlas Bldg. Mr. H. Harlis answered my question that

1. W.R.A. does not permit any one To move into 6 counties in northern Utah from Relocation Centers.

2. But if a member of a family is out here already whole family can join him here.

3. But we would not allow one brother to come out here; it has to be whole family.

4. Any alien Japanese can move from Idaho, for instance, into said 6 counties. We will not stop him from doing so. So if alien Japanese gets indefinite leave into Idaho he may not be prevented from moving into said 6 counties.

SATURDAY

To DAY is the Birthday of _____

8:00 Raining incessantly since sometime during the night and I thought it no use to go to work today, but to make things sure called up boys at camp. Upon arriving at the buckyard, Nels told us there would be no work on account of the rain.

Amy and I went to Weber County Recorder's office for recording of the lease. Amy then making inquiries at the Ration Board [illegible] the Back #. She was told that another registration was soon to take place, probably 11/20.

Shopped with Amy [illegible] for the Apartment business.

Mayes were busy putting things into Bundles when I called on them with Amy at about 3 p.m. Mr. Mayes showed me the letter from the Rent control office about overcharging for the people with kids.

Shigeru Kuroki dropped in to see if we were ready to move tomorrow.

Jordan, Amy, Mitsuyuki and Ray went to the Carnival at the Japanese Church.

To DAY is the Birthday of _____

8:00 Took nearly all day to finish
8:30 closing openings and checks and papering
9:00 of door ways, preparatory to fumigating
9:30 my bed room, living room, Kitchen and
10:00 Store room. So fumigation of these rooms
10:30 was postponed until tomorrow.
11:00 The front room which was fumigated
11:30 the day before, still strongly smelled of
12:00 Sulphuric oder. Sulphur, however,
12:30 burnt only ½ of the amount, So
1:00 put 1 Lb again, this time in a broader
1:30 pan and started fumigation again at
2:00 about 5 P.M.
2:30 Mr. Moyer told me today that the
3:00 Empress have gone to the Veterans of
3:30 Foreign Wars and reported a Jap.
4:00 was to assist them in order to bring
4:30 in Japs. A man standing high in

5:30 about it. Hope no trouble comes
6:00 out of it.
6:30 After supper rested at home, Jordan

SATURDAY

AY is the Birthday of moving.

Watanabe-no-papa San and Ohara San (with his pickup) came and with Jordan Ray, Mitsuyo assisted us moving. Finished by 5 p.m. Tried to invite them to "Sukiyaki" dinner but the two would not come.

Shigeru Kuroki nor Matsukuma San could not be reached by phone this afternoon as the Camperies closed this afternoon. I wanted to tell them not to come with a truck to help moving as it has been done today.

Jordan, Ray and Mitsuyo fixed his room #2/2 on the top floor by bed, Jordan on his own study bed and the other two on the opposite and mistress we received from Santa Maria.

Ruth Iwamoto going to Salt Lake City took some cash for Army.

SATURDAY

is the Birthday of Bedbugs

Mitsuye told Mas that he saw bed bugs on his bed and he has been bitten a little. Looks like I have to fumigate that room again. They must have migrated from Room #12 across the hall. #12 is now scheduled to go under foundation post of the 5 rooms occupied by pensioners.

Put shades and curtains in rooms 17, 14, 21

Yoichi Kuroiwa called. It is more than 10 years ago that I saw him last in Tessa, Arizona. He spent a year in Poston Relocation Center before coming to Layton, Utah with his family. He had lunch with us and left with his oldest son who came after him.

Ray received telegram from his sister Tatenka now in Santa Fe "Rehearing finished letter follows" Their father's hearing must have been concluded. But no mention is made of Minoru Jr. Mitsuye received a telegram.
