

Thanks So Much

Dearest Sof

Please accept my belated THANK YOU for your untiring efforts given towards the successful passage of the redress bill. You are the best hidden working motivator of redress and I am very grateful for it. The whole community owes you a round of applause for a job well done.

Sof, Do me a great favor. I want you to take this (enclosed) money to your favorite casino, purchase 10 (ten) rolls of quarters and enjoy feeding the machine. Hopefully, you will be rewarded with much jack pots.

If you refuse me I will be deeply hurt. Unlike my male colleagues I get offended easily so please accept it graciously. It will make me feel good to be able to share even a trickle of it with you, also, my up-bringing mandates for ORE-ing when ever something good befalls me.

Good luck at the casinos.

Love
Bill Kyrie
