

Dear Rev S. Nagatome April 14th

Thank you so much for the Buddhist Bible you have sent me. It was rather a pleasant surprise that such complete Bible could be published under adverse circumstance as you are now under. From the look of the Bible I can imagine your effort and that Buddhist members are very active in the welfare works.

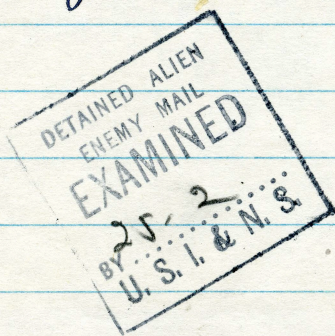

I trust you and other members are in good health as ever. And as spring is here you must be enjoying warm weather after severe windy winter.

Just been transferred here from Lordsburg. The new camp is situated up on the hill over-looking the city of SANTA FE. So we enjoy beautiful scenery.

Wishing you & rest of member a good health! and again thank you very much for the Buddhist Bible.

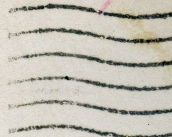

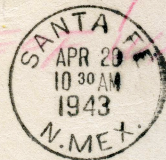

Sincerely yours

Rev E. Shigefuji
