NATIONAL 4-H WEEK - Calling attention to this week's observance of National 4-H Club Week in the islands as they display a 4-H banner motto are Gov. Quinn and Y. Baron Goto, director of the agricultural extension service. The 4-H program was begun in Hawaii some 30 years ago and today has approximately 300 clubs with about 4,000 members who will observe the occasion with public displays of their activities. — (Photo by Fortunato Teho)
