

Aoki to Open Own Accounting Office

AUG 29 1941

Harry Satoru Aoki, who has been connected with the unemployment compensation division of the territorial tax office for the past four years, today announced the opening of his office for the practice of systematizing accounts, auditing and tax accounting tomorrow in Room 307 of the McCandless Bldg. on Bethel street.

Aoki was graduated from Hilo high school in 1926 and from the University of Hawaii in 1930.

Harry Aoki

Following his graduation from the local university, he was connected with a local poultry producers' firm, which is now defunct, for four years, and was manager of the Farmers' Exchange for the next four years.

In addition to about ten years of actual experience in accounting, he also took the La Selle high accounting course.
