To Parents:

This is the regular semester report of the progress of your child in school. It is highly desirable that you call upon the school at any time you wish additional information.

The success of your child in school and out of school depends to a large extent upon his citizenship and his character. The best results can be obtained when the home and the school work together.

Sincerely yours,
VIERLING KERSEY,
Superintendent.

Please sign and return.
Your signature indicates that you have inspected the card, not that you approve or disapprove.
