Ben Kobashigawa, Ph.D.

San Francisco, CA 94117

Dear Dr. Kobashigawa,

I hope that this reaches you before you leave for Okinawa...and Ms Yoko Fukumura also, in case there are other questions to ask of Kenjiro. His telephone number incidentally, is 0988-85-9147.

Rather than trying to make copies of the pages which you specifically asked for in your recent letter, I am sending you the volume which Kenjiro gave to me. As you stated, the binding makes it difficult to get good clear copies of pages where the margins are skimpy. There may be other instances where the characters are indecipherable, and having the book will make your work easier.

We hope that your and Ms Fukumura's trip to Okinawa will be enjoyable.

Sincerely yours,

*Miyuki Yasui*
