Re: Copies of Alien Registration records of 1940, and of 1942, concerning
Mitsuye Jyoko (Joko) YABE

Dear Ms. Neary:

I am currently doing genealogical research on my family, and wish to learn more about my mother's past history. My mother, Mitsuye Jyoko YABE, died in Portland, Oregon, in 1985. In 1940, she was a Japanese alien.

Under the Freedom of Information Act, and of the Privacy Act, I ask that you please provide me with copies of the Alien Registration forms, which I know that she completed in 1940, and which I am almost certain that she filled out in 1942, during re-registration.

I understand that there may be a charge for the services which I am requesting. I will accept the fair charges as determined by you.

Thank you very much for any assistance which you might provide me.

Sincerely yours,

Miyuki Yabe Yasui
