August 24

Dear Dr. & Mrs. Yasui:

Thank you so much for taking time out on your weekend to meet with me & my sister Pearl. It was good to receive the albums which belonged to our Uncle Bob. However, it did give me a sad feeling that we are the only living heirs of the Takaki family.

I will cherish the photos & hope to get my mother to fill in the gaps in the family history.

Thank you, Mrs. Yasui, for the delicious refreshments.

Sincerely,

Minnie Ishii
