Dear George: I will not try at  
this time to answer your fine  
letter.

As for the land deal I wish we  
had completed it before this time,  
for the property is in Mr Hedley's  
name & he is critically ill in  
Portland Sanitarium, is not  
rational. At times he does not  
know me & did not at home  
either. Not insane, <sup>he is</sup> sick & delirious,  
so you see nothing can be done  
at present.

With love & best wishes to all.

Sincerely

Mary G. Hedley
