Dearest Children Read your letter
yesterday and sure was glad to get it
say Kay aren't you afraid you will
over do and I am scared about George
he sure has tackled something
but I don't doubt him being capable
of doing things but he is too ambitious
for his strength, but I am proud of
him first the same, Marian Locke
was here this morning I don't know
if he was wanting to know something
about you or just what, but he is
a shrood little man. Della was coming
too but she has the Flu and could not
walk up. George don't kill yourself
I want you to take care of yourself
you all are doing too much I am afraid
say Kay did you get the Sewing machine
I havent seen all for a good while
nor heard of him either I sure get
lonesome for you children Kay isn't
it pretty hard on you taking such
long Rides & are you living on Mr
Dunaways Place yet. Kida you don't
over do too much, or you will pay for it

and you too George. one can kill themselves
off before you know it. the sun is
shining part of the time today we have had
considerable rain Kay my dress fits fine
it is so pretty the trimming looks so nice too
but for goodness sakes dont send
any more dresses as I now have more
than I will need for a long time Please
dont will you. I know you want to
have me look nice but I will be nice enough
I am going to shorten my Rayon dress and
I have that silk one you made me it is as
good as new. so is the other dark one with
those pretty flowers in it, and I have
three others, 1 silk and two made over not
soiled. I never go anywhere at all,
now make some for yourself. I would
much rather you did that. say I have
you got the machine yet. I dont wear my
clothes out bad so lets forget it and if I
get out I will let you know wont you.
Say all of you listen to me and take good
care of your selves write just when
you can but take care of yourselves
is all I ask. wont you. any thing so
you all get home and are not warm
out. well good by with lots & lots of love
to you all. and god bless you all
