you an Easter card. Thanks for it I
am so sorry I forgot all about Easter
now Kay dont ~~send~~ send me any night
gowns, all ^{size} ~~size~~ ones too and plenty of
underwear of all kinds and plenty of
Dresses too I feel glad someone has
kind heart enough to help me. Vickie
isnt very well. She went down
town today to take a treatment
they shoot something in her right
arm. it hurts like every thing
her arm all a week, when she takes one
treatment a week. I dont think
we will go any where I am not good

appreciate your kindness but you are
the one that ought to have it
I dont think we will do any thing extra
for Easter. I would like for Vickie

to eat Dinner with some of her children
but I dont think she will. She dont
get up any Dinner any more it does
her up too much. we get along as easy
as we can. Georgie has been talking
about coming down all spring but
