Dear Ray Sid & Georgie dear.

well now is every little thing with
all of you hope fine and are well
and enjoying life, as best you
can up there but nothing hard
I bet.

well we are very well here but
could be better. I am so lame
cant hardly get around. I know
Georgie will say old age but for
the sit from that.

well I was sorry for Sadie dear had to
go to hospital, for dear but-biskie is
really not-able to wait on her if she
could get help she could get along
but you cant get any one for love
or money. Fictie had failed lots and
done lots of work this summer and
put up lots of fruit she had
gathered berry thin when we were up
last time.

well one thing Sadie will have
good care and kept warm and

plenty to eat Bless her I sure feel
sorry for her to have you pressed
away from her but just cant be
helped.

well I suppose kids & all are
counting on the days when you can
get away from up in that damn
country and I dont-beame you a
bit.

well I hope you all have a nice
Thanksgiving day. we are going to
Iowa, to see maie and visit-
her. Beniah + Hubby and yes and I
wish you could go along you dears

well pray I would love to see you
all again. and you will have to
excuse short-letter will do better
next-time. Charley + I've wanted to
be remembered to you all when we
write. so I will say good night and
God Bless you all is my prayer.

your deep friends,

Diggie + Geo.
