Mrs. Kay Kida
Nyssa
Oregon.

Wednesday,

Dear Kay and all:-

I don't know why I did not think of it when I was writing, but I know you felt badly because your money did not come in time to buy flowers for Mr. Hedley, so, to-day I took the liberty of using your name with mine and bought a piece for \$10⁰⁰ and signed it "With Deepest Sympathy" from Bertha Wylder and the Kida family, and I hope you would like to pay \$5⁰⁰ toward it.

Douglas will be here Friday morning and the funeral will be at 2:30 the same day. I'll write again.

With Love from Bertha-Wylder,

over

If you feel you do not want to pay
that much it is O. K. with me, but
I felt you would want me to do it.

Bertha.
