Dear Dad,

Well I just came back from the Boy Scout camp. It sure was swell out there. Tall towering pines, streams, and grasses. Boy, it sure is better out there than it is here. While I was out there some boys caught a porcupine. Gee it was cute. A man also caught an owl and some chipmunks. I went on several hikes too. I was the bugler too. We had to get up at six o'clock. When my patrol was on K. P. Duty we have to get up in the morning at five o'clock.

Oh yes the fishing. Boy there's trout of all kinds. The boys pulled out over 100 trout from one pool only. They wished with nothing but a string and hook. Boy did the taste good.

How is everything down in Santa Fe?  
Out here its hot and dusty. Windy  
too.

Well school will begin again  
in about two weeks. After about  
a month of school there will be  
a work vacation. I think I shall  
go out and work in the sugar  
beets. I must make some money  
because there will be no more  
part time work inside of this  
center. I just got my last months  
check for \$5.95. I worked in the  
recreation hall.

Well dad write soon about you.  
I am praying for you every night so  
we will be reunited soon.

With all my love,  
Billie.
