## By-Laws For League Come In This Issue Of Pacific Citizen

SEATTLE.—The by-laws of the Constitution of the Japanese American Citizens League, as adopted at the national convention in Los Angeles, have been received here, and are given official publication in the current issue of The Pacific Citizen, on page 2.

It will be noted that the by-laws provide for details regarding the work of the League, and should be of interest and of information to the officers, especially.

Provision is made for expenses of national officials while traveling on League business. Qualifications of chapters are detailed. The chapter dues are set forth. The boundaries of the three district councils are defined. Various other items of interest will be found.

## NORTHWEST BOARD TO SPEED SESSION

Tacoma Convention Plans Are To Be Announced; Action On Speakers; Insurance Report

HOOD RIVER, Ore.—Two distinct phases of progress were expected to mark the meeting of the Northwest District Council of the Japanese American Citizens League at its meeting scheduled here for May 27 and 28.

These are, to announce fairly completed plans for the district convention to be held in Tacoma over the Labor Day holidays, and to get a detailed report on the project of fraternal insurance.

#### Large Crowd Expected

The Tacoma convention is expected to draw a record crowd, as most of the larger chapters are located in the Puget Sound area. Tacoma and the Puyallup Valley chapters are joint hosts, and have been making elaborate preparations for the gathering.

At its previous meeting the Council decided on a program of Round Table discussions in three sections. They will deal with social-economic and political problems. The Council has been contacting outstanding leaders in these fields, and they were to be announced at the coming meeting. They are expected to give constructive suggestions looking to the welfare of the second generation.

#### Report On Insurance

The Council was to convene for a brief session Saturday evening and hear reports from the various chapters. The main session was set for Sunday, when the business was to be gone into in detail, speakers announced, and a call issued for united support for the district convention.

The report on fraternal insurance is expected to mark a step forward in that project. Tom Iseri, Council treasurer, and national chairman of the Fraternal Insurance Committee, will make a full report, and the Council is expected to take definite action.

The local chapter is celebrating its third anniversary with a dance

## PORTLAND CHAPTER STARTS PLANS FOR NATIONAL SESSION

Definite Instructions Asked From Headquarters So That Committee May Proceed And Know What Lines To Follow

### CONVENTION DATE GIVEN

PORTLAND. — With the local membership drive completed, and the local program being carried out with enthusiasm, the Portland chapter of the Japanese American Citizens League is turning its attention definitely toward preparations for the 1940 national convention to be held in this city.

It is expected that the forthcoming session will allow more time for social affairs than did the one at Los Angeles. Consequently, the convention committee is giving much attention to that feature of the gathering.

#### Outing Site Sought

A special event is to be the outing, and the committee is already investigating the suggestions for the site. Several have been discussed, but no decision yet made.

William Ito is convention chairman, and Hito Okada has been named finance chairman. The convention committee is now conferring with the national officials, and it is expected some tentative program will be announced soon.

#### Plan Of Procedure

The following from the minutes of the meeting of May 17, gives the latest developments:

"The chairman, vice chairman and finance chairman are to meet every few months with the cabinet, to report on progress.

"Vice Chairman Bob Takami reported that as far as the financial side of the convention is concerned they are waiting for an estimate from Finance Chairman Okada.

"Everything is indefinite as yet, with only tentative plans made. Finding a suitable place for the outing of 500 people is proving a very difficult proposition. Formulating a program depends entirely on how long the Round Table discussions will last.

#### Convention Date Set

"The convention has been definitely set for August 28 to September 2, 1940.

"The convention Chairman was asked by the president to have figures so far as possible ready for the next cabinet meeting.

"All information obtainable in regard to the convention will be submitted to the chapter at the next cabinet meeting. In the meantime, the convention chairman was asked to communicate with national headquarters to learn what we can expect from them, and what they expect from the Portland chapter.

#### Basis For Program

"It was suggested that the 1938 convention program be used as a basis on which to formulate a program here, at least until more definite instructions can be had from headquarters.

"A contest to get an original cut for convention stickers was discussed, with a suitable prize to be offered for the best design. The decision will be left to Convention Chairman Ito. Expenses will come from the convention fund.

"The Japan Society will be contacted at a later date in regard to co-operation in entertaining the convention.

"A trophy will be given by the local chapter for the oratorical contest."

At a previous meeting two communications were read from hotels in regard to entertaining the delegates. These were taken under consideration, but the Multnomah Hotel has been tentatively named as both living and convention headquarters.

#### PIANIST WINS HONORS

STOCKTON, Calif.—Miss Grayce Kaneda, a sophomore at the local junior college, and a talented pianist, was among the soloists presented May 17 at the sixth student recital of the Conservatory of the College of Pacific.

## Call On Pin Orders Slated For June 10 By Chairman Hirao

SEATTLE.—Sale of the new national pins of the Japanese American Citizens League is going forward fairly satisfactorily, according to Kay Hirao, appointed national pin committee chairman.

However, in order to facilitate the change, made necessary by the adoption of a new design at the national convention held in Los Angeles, it is necessary that the chapters act promptly and send in their orders to Mr. Hirao, N. P. Hotel, 306 Sixth Avenue South, Seattle, Wash.

Chairman Hirao announces that the deadline for orders for the next allotment of pins has been set for June 10. Of the 42 chapters, he says, 36 have responded, and 27 of them are now placing second orders. Prompt action is urged by the chairman.

## SOUTH CALIFORNIA COUNCIL MEET SET

The program was outlined in a statement by Chairman Kiyoshi Higashi, of Santa Ana, who said this was expected to be the most important Council gathering for some time.

The local chapter is preparing a social program for the entertainment of the Council delegates.

The program is expected to occupy the entire day.

The reception committee is under the co-chairmanship of George Mori and Michi Bessho.

The constitution committee met recently at Santa Rosa and prepared a draft of the constitution, which was adopted by the Council here with only minor changes. The committee was not discharged, however, but was continued for the purpose of redrafting the by-laws, and to supervise the changes needed in the chapter constitutions.

## FIFTH MEMBER OF IDAHO FAMILY ATTAINS TOP GRADUATING HONOR

MIDDLETON, Idaho.—As the fifth member of the Yamada family since 1932, to receive top graduation honors, Roy Yamada delivered the valedictory address at the graduation exercises here Wednesday, May 17. Roy is the third out of the five to be valedictorian. The first member to win the high ranking was Rina, who is now Mrs. Kiyoshi Fukuda, wife of a well-known Seattle insurance man. The second was Manabu, a brother, who in 1935 was valedictorian.

Then, in 1936, a sister Mary was graduated as salutatorian. At the present time she is a nurse at St. Luke's hospital in Boise. Again in 1938, the Yamada family was represented in scholastic achievements. This time it was by a cousin Mae

Matsumoto, who was also valedictorian.

Roy, aside from his scholastic accomplishments, was popular in extra-curricular activities, serving as vice president of the senior class, and president of the student body during his junior year. He was also manager of the school publication, The Viking, and a star on the basketball team.

Roy is the son of Mrs. Shin Yamada, who for 19 years, since the death of her husband, carried the burden of her farm to provide for the welfare and education of her children. During her 26 years in Idaho Mrs. Yamada has reared one of the finest families, according to the Japanese as well as the American tradition.

## ASKING FOR CO-OPERATION

In the March issue of The Pacific Citizens there appeared an appeal to the chapter corresponding secretaries for cooperation in obtaining a better report of League activities. The first results are now at hand. While they indicate a start, yet not much assistance has been given in publishing this issue, because of the time element.

It is no doubt true that the public generally does not understand that, in the newspaper business, time is the essence of the contract, as the lawyers would say. That is the trouble with the copies of chapter minutes reaching The Citizen office this month. Practically none of them are available. Only one, Portland, was timely.

To review a few of the reports may show what we mean. One report came from a small chapter in Northern California, reporting a meeting April 28, at which President Tsukamoto appeared. The report was mailed May 1, which was all that could have been done.

Another California chapter sent a report of a meeting April 19, but it was not mailed until April 24, as the postmark shows. Prompt mailing would have made this report available for last month.

A Southern California meeting report of April 11 was mailed April 28, as the postmark shows. By April 28 we had gone to press. The editor would have been delighted to include that report in the April issue. Report of a Northern California meeting March 26 was mailed April 24. A large chapter in Northern California held a meeting April 20, and the report was mailed May 6, says the postmark.

We are asking in a friendly spirit for co-operation, that your official newspaper may serve you better.

## THE JOB'S THE THING!

A question frequently asked by the young folks who are invited to join the Japanese American Citizens League, as well as many who already are members, is: What can the League do about getting me a job?

This is a pertinent question, and it is a very real and pressing one with the young folks who are graduating from high schools and universities. After all, they say, what does it profit me to win a Phi Beta Kappa pin if it doesn't help me toward earning a living in keeping with my scholastic standing?

A little later they will learn that, while one must eat to live, yet a cultural background will go far toward making life more enjoyable. But right now they do not understand that. The job's the thing!

So it is that the League leaders have been stressing the point of vocational guidance, particularly in the past year. It was a major question at the Los Angeles convention. Just how many youth have obtained positions as result of that discussion there are not statistics to show. Probably some good has been done.

There are reports to the effect that the young today trend toward white collar jobs, rather than to those in the trades. That is true of all classes of young, so reports say. The problem of keeping young people on the farms has been a major one in this country for a long time.

However, the problem presses more as time passes, with more of the young folks graduating from schools, and with more and more of them coming of age and seeking an opportunity to earn a living. Perhaps, also, the problem has been particularly acute in the recent years of unemployment.

However, the League leaders are making the vocational question a major issue this year. Meetings are being held, with practical men discussing the subject. All realize that the young are entitled to all possible assistance in obtaining employment, and they agree with the youngsters that the job's the thing! Right now, at least.

## LEAGUE TAKES NO VACATION

It is encouraging to note from reports pouring in from all along the Pacific Coast that while the vacation season is approaching, there is no apparent laxity in the activities of the Japanese American Citizens League.

It appeared for a time that with no national convention this year the organization might decide to take it easy. But, on the other hand, right now it seems that the district conventions will fill the gap, and keep interest at high pitch. This is an optimistic note that will hearten those who have the responsibility for guiding the organization, and all others who have its welfare at heart.

The district convention in the Northern California District has the spotlight right now, and the San Francisco chapter is making elaborate plans for the gathering. It has special attraction to many on account of the exposition, and the attendance is expected to be large. As this is the first district convention of the year, all will expect it to set the pace and point the way.

The Southern California District Council at its meeting May 28 in Los Angeles slated a number of important questions for consideration. Particularly did they plan to rejuvenate the machinery of the League in that district, as it were, in order that it might function more efficiently and be of greater service.

Reports show that chapter meetings in California in the smaller communities have been largely attended, and many projects taken under consideration. This is an especially happy indication, showing as it does the interest in local affairs.

While in the Northwest District everything is pointed toward the Tacoma convention over the Labor Day holidays, yet local problems are not being neglected. Particularly are chapters stressing the vocational problems, yet social and civic affairs are not being neglected.

All these events indicate that the League is not taking much of a vacation this year.

## YOUNG IN ALAMEDA SLATE DINNER FOR RETIRING TEACHER

**Principal Thompson Has Long Been Friend Of Youth Who Attended School; Old Grads Will Gather To Do Honors**

### WILL BE HUGE REUNION

ALAMEDA, Calif., May 19.—The Japanese community will pay tribute to the achievement of a man who has served in the community as an educator for 36 years.

The occasion is the Testimonial Dinner at the Hotel Alameda on Friday evening, June 2, 1939. The honoree is the retiring principal of the Alameda High School, Dr. George C. Thompson.

The testimonial will also afford opportunity for a reunion of old-time residents and former students of the high school.

#### About 220 Graduates

It is interesting to note that since 1891, 48 years ago, when the first Japanese graduated from the high school and up to the present time, close to 220 Japanese have received their diplomas. Kiichi Tomiyama was the first Japanese to graduate from the Alameda High School.

There have been six Japanese valedictorians, and close to a dozen salutatorians since Dr. Thompson became principal.

Scores of former students scattered throughout the Pacific Coast are being contacted by direct mail, while a general appeal to others who have lost their contact in Alameda is being made through these columns.

Ken Matsumoto, national vice president of the League, attended the Santa Barbara meeting and acted as installing officer. Tom Jirashima was master of ceremonies, and Ked Utsunomiya, national executive secretary, was a speaker.

A drive will be started to register all second generation in the district; and also a drive to obtain members for the chapter; to co-ordinate sports and social activities, to promote better relations between Christian and Buddhist groups, and generally promote the community spirit.

## Placer County Bids For Honors In Drive

PENRYN, Calif. — Bidding for honors of making the greatest increase in the national membership drive, Placer County chapter of the JACL announces an increase of 250 per cent, or 161 new members. The new members were welcomed into the chapter at the last meeting with National President Walter T. Tsukamoto as the inducting officer.

The figures were announced by Haru Takuma, drive chairman. Greatest gains were made in the Newcastle and Loomis district. As a reward for their efforts in the drive, the following were awarded new national membership pins: Jerry Kato, Louis Oki, Shig Yubumoto, George Sakamoto, Yuki Nakata, Togo Yokota, Mary Takamoto and Alice Uyeda.

Last year the Placer County chapter entered a float in the Auburn Gold Rush Revival, and it was so well received that the chapter decided to enter again this year. Haru Takuma is head of the float committee.
