Difficulties of fight against race bias in employment told

BY EMILY HIGUCHI

WASHINGTON. - Ross Clinches With the 1962 membership cam- special assistant to the executiv protect the gains that have been paign about to start, let's not sit director of the U.S. Civil Service back but do your part and join Commission, described the difficul True, it seems that one person's so that you can assist in the ties of fighting racial discriminaday midnight. This is about membership will not make too fight to make "Better Americans tion in federal government personnel practices to the Washington D.C., JACL at its October general

Dr. Clinchey was executive director of the President's Committee on Government Employment Policies for several years. His father was the founder and president of the National Council of Christians and Jews.

Clinchey said that the racial discrimination he has encountered has been almost completely discrimination against Negroes. Over a period of five years, the President's Committee received at most two or three complaints of discriminatory practices against Orientals, he said.

When complaints are lodged, the of a discriminatory act having been committed is extremely difficult, Clinchey said. Since prejudicial action has its source in an attitude of the mind, tangible evi dence is "almost impossible

Complaints Unfounded Moreover, "an awful lot of nuts

are among those bringing complaints. With such individuals, he said, race is merely incidentalthey would be misfits in society On the other hand, many who

1961 PACIFIC CITIZEN HOLIDAY ISSUE Being Prepared for Dec. 22

Chapter Reports, outlining highlights of the year and detailing the most successful program, are due Nov. 30. Photographs would be most welcome. Suggested length: 1,000 words (Approximately four pages of letterhead size paper, typed double space).

Special Features, which may contribute to the "Issei Story Project," are especially invited. Stories of how the Japanese community started (or disappeared), of how the first Issei pioneers succeeded, of the trials they faced, or of how Nisei came back after evacuation are desirable. Suggested Length: Not to exceed 2,000 words. Due Nov.

Youth groups are invited to submit seperate pieces for this Holiday Issue.

1938 L.A. Convention

Part IX: Continued

The following list of resolutions was presented from various sources, aside from the resolution committee:

WHEREAS, the Japanese American Citizens League is vitally concerned with the welfare of the Nisei citizenry at large, and, WHEREAS, the trend of affairs in international problems is directly or indirectly affecting the Nisei in its social, economic and commercial endeavor, and,

WHEREAS, the Japanese American Citizens League is primarily interested in preserving, maintaining and defending the status of the American citizens of Japanese ancestry, now, THEREFORE, be it resolved

that the National Council maintain close touch with the trend of international affairs, and thus be prepared to correctly inform the public through the proper mediums of news dissemination, and thus protect the status of the American citizens of Japanese ancestry.

WHEREAS, we believe that a directory of all members of our League once every year.

WHEREAS, we believe it is important and valuable that we have accurate statistics as to the age, number and vocation of all Nisei,

BE IT RESOLVED, that the national officers launch this project of taking a census of all Nisei and, in the United States, more particularly on the Pacific Coast, and that the chapters affiliated with the national Japanese American Citizens League give their fullest cooperation.

WHEREAS, the present immi gration law permits the entry into this country of a wife of an alien having the status of an international trader, and, WHEREAS, the alien Japanese

wife of an American citizen is denied entry, and, WHEREAS, we believe that this is discriminatory and unfair to American citizens who have the

status of an international trader. BE IT RESOLVED, that a movement be launched to petition Congress to modify the existing immi-American citizen international tra-
