It's catch-as-catch-can (to borrow a phrase from the wrestling world) with conductors of "By the Board", who have an open invitation to space on this page It's been a long time that two have appeared in as many weeks. Again, we gladly defer this week, enabling us to proceed to other matters which need immediate attention. We were in the midst of preparing the Holiday Issue the last time, we didn't fly "Ye Ed's Desk". Lillian Kimura's piece this week allows us to continue on to finish the PC financial report and other year-end matters .- Ed.
